Seventh-Day Adventism in Africa Gabriel Masfa,2023-06-16 This book examines the complex history of Adventism in Africa, situating it within the context of African traditions and culture. From a small movement with origins in the United States, the Seventh-day Adventist Church has grown worldwide. It is one of several Christian denominations present in Africa and yet the history of Seventh-day Adventism in the global South has been largely unexplored by scholars. The book highlights the discrepancies between western traditions exhibited in the missionary enterprise and African religious systems. It also explores the intricate relation between colonialism and African Adventism in line with established studies in African Christianity. It will be of interest to scholars of religion and theology, particularly church history and mission studies, as well as African studies.

The 2017 Unity Conference Adventist Today Foundation,Loren Seibold,2017-08 The 2017 Unity Conference is an historic event in the contemporary development of the Seventh-day Adventist faith. This book contains the reporting by Adventist Today during the event and analysis of what it means. It includes quick summaries of all the presentations at the conference and information on how to access the complete transcripts. Adventist Today is an independent, professional journalism enterprise serving the Adventist community worldwide. It covered this important event despite the fact that the denomination's official media ignored it. All of the news reports are gathered in one cover with related opinion pieces and a new chapter providing perspective for the event in terms of both history and the future.

How to Effectively Lead and Win: The Proven Leadership Strategies and Techniques Alex Nkenchor Uwajeh,2017-06-17 Please Note: This Leadership book also contains: *** Bible references and powerful Christian prayers, decrees & declarations that will empower you *** The ability for managers and business owners to effectively lead people can be a crucial element in the success of the organization. So how does an average manager become a strategic leader, capable of transforming a business or organization into an astounding success? The key to developing a growth mindset lies in self-discipline and in recognizing the importance of constantly pursuing knowledge and information that could stretch existing talents and skills. In Proverbs 16:13 - The Message (MSG) Version, the Word of God says, "Good leaders cultivate honest speech; they love advisors who tell them the truth".

Church and Society Rudi Maier,Department of World Mission,2015-01-01 The Church has a reservoir of wisdom and truth in the Bible, and a role to play in witnessing to that truth. The Bible is full of mandates and challenges that ask us, the disciples of Jesus Christ, to Make our light shine, so that others may see our good works and give glory to our God in heaven (Matt 5:16).The purpose of this book--written by 34 dedicated Christian scholars and community practitioners--is to help Christ's church to understand how this world and the people who live in it think, feel, and react to some of

the issues they face in their daily lives, and how to bring peace, justice and compassion to the society that surrounds our homes, churches, and communities. Jesus says, Blessed are the peacemakers, for they shall be called children of God (Matt 5:9). Shalom, which we translate as peace means more than the absence of conflict. To live in shalom, as a peacemaker, means we actively live our lives in a way that brings healing, wholeness, harmony and well being to the lives of people we meet. This is not a prescriptive book that will provide answers to all the social and missiological woes in society (though there will be some guidelines for how to start various ministries). Instead, the authors have attempted to describe some of the problems that exist in our societies and churches and have encouraged the readers as individuals, as well as groups, to find their own answers to many of the issues raised. Some of the issues raised will not be comfortable to discuss in Church circles, but we all hope that they will be treated with the same respect and compassion that Jesus gives in response to each one of our needs.

Arise and Build Integrity Enterprise, L.L.C., Michael D. Barnes, 2004-01-01 God's kingdom is all about growth. The surge of vision, the expansion of ministries, the smashing in of the gates of hell. The starting point is always a Spirit-fueled dream, one which bucks the odds of impossibility and abandons common sense in favor of breathtaking faith. The resulting journey is truly spiritual, as church leaders wrestle with the delicate balance of adrenaline-filled dreams, hard-fought daily realities, and hell-bent forces of spiritual warfare. Perhaps nowhere is this experienced more vividly than in a church building project. Just as God desires to accelerate His work on earth, Satan seeks to abort it. Without proper guidance and a prayerful support system, a building project can quickly crumble into power struggles, congregational disunity, and considerable financial loss. In this groundbreaking book, architect and church expert Michael Barnes delivers a proven blueprint for successfully navigating any church building plan. Both inspirational and practical, this indispensable guide is full of spiritual insights, time-tested guidelines, and wise financial considerations. The end result is a powerful manifesto on church master planning - a paradigm which catapults a pastor's God-given vision into the very health of the church's leadership, congregation, and larger community.

SDA Organizational Structure Barry David Oliver, 1989 In this investigation of the administrative structures of the Seventh-day Adventist church, Oliver examines the historical precursors of reorganization during the years of 1888-1903. He proposes reasons for the reorganization of the church in 1901-1903 and ascertains how the principles involved were related to soteriology, ecclesiology, eschatological vision, and the sense of mission in the church. Oliver makes applications to the continuously changing contemporary church.

Spes Christiana 2022-02 Reinder Bruinsma, 2023-01-11 *Spes Christiana* is the journal of the European Adventist Society of Theology and Religious Studies (EASTRS). It contains articles from all subdisciplines of theology - Biblical Studies, Church History, Systematic Theology, Practical Theology, and Mission Studies, as well as auxiliary disciplines. Mission in Progress Barden Chirwa, 2020-11-17 Since the establishment of the Seventh-day Adventist Church in Malawi in 1902, there is now available much information on the cases, narratives and experiences of women that shows the contribution of women to the progress of the SDA mission in Malawi. That record reveals a notable increase in the developing role of women in the SDA Church in Malawi, blended with both successful and challenging experiences. This has prompted the writing of this book. My aim is to present a historical record of the developing role of women in the SDA Church in Malawi. The purpose is to provide a first critical analysis, in a Malawian context, of a wider range of biblical and socio-cultural issues affecting the role of women in the SDA Church in Malawi.

Historical Dictionary of Seventh-Day Adventists Gary Land,2005 Profiles a large Christian denomination that is only two centuries old, but has a rapidly growing member base, including a large presence in the Third World. Reviews the notable historical events in a chronology; explains the development of the Seventh-day Adventist as a world religion in the introductory essay; describes the persons, places, events, doctrines, publications, institutions, organizations, and societies that played a significant role in shaping the religion; and provides an extensive bibliography of works on Seventh-day Adventism and books expressing Adventist views on theological and other issues.
