Film Distribution in the Digital Age Virginia Crisp,2015-09-15 Film Distribution in the Digital Age critically examines the evolution of the landscape of film distribution in recent years. In doing so, it argues that the interlocking ecosystem(s) of media dissemination must be considered holistically and culturally if we are to truly understand the transnational flows of cultural texts.

Communication Technology Update and Fundamentals August E. Grant,2014-08-07 A classic now in its 14th edition, Communication Technology Update and Fundamentals is the single best resource for students and professionals looking to brush up on how these technologies have developed, grown, and converged, as well as what's in store for the future. It begins by developing the communication technology framework—the history, ecosystem, and structure—then delves into each type of technology, including everything from mass media, to computers and consumer electronics, to networking technologies. Each chapter is written by faculty and industry experts who provide snapshots of the state of each individual field, altogether providing a broad overview of the role communication technologies play in our everyday lives. Key features: Gives students and professionals the latest information in all areas of communication technology The companion website offers updated information and useful links to related industry resources, and an instructor site provides a sample syllabus and a test bank This edition features new chapters on automotive telematics, digital health, and telepresence, as well as expanded coverage of tablets/phablets and 4K (ultra high definition television)

Besides the Screen V. Crisp,G. Menotti Gonring,R C Jasper,2015-01-16 New media technologies impact cinema well beyond the screen. This volume speculates about the changes in modes of accessing, distributing, storing and promoting moving images and how they might affect cinematographic experience, economy and historiography.

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin,2019-11-12 The SAGE International Encyclopedia of Mass Media and Society discusses media around the world in their varied forms—newspapers, magazines, radio, television, film, books, music, websites, social media, mobile media—and describes the role of each in both mirroring and shaping society. This encyclopedia provides a thorough overview of media within social and cultural contexts, exploring the development of the mediated communication industry, mediated communication regulations, and societal interactions and effects. This reference work will look at issues such as free expression and government regulation of media; how people choose what media to watch, listen to, and read; and how the influence of those who control media organizations may be changing as new media empower previously unheard voices. The role of media in society will be explored from international, multidisciplinary perspectives via approximately 700 articles drawing on research from communication and media studies, sociology, anthropology, social psychology, politics, and business.

Cancel Cable: How Internet Pirates Get Free Stuff Chris Fehily,2013-10-19 Neighbors with hand-labeled DVD collections. Teenagers with 5000-song iPods. Entire countries sharing the same copy of Windows. Who are these people? They're file sharers and they account for a third of worldwide internet traffic. Their swag is anything that can be digitized and copied. But file-sharing networks aren't only for pirates. Musicians and writers use them to gauge their popularity. Artists and filmmakers use them to boost recognition. Government employees use them to secretly download WikiLeaks archives. TV producers use them to confirm audience measurements. Politicians and judges use them to make policy and rulings. Traders and marketers use them to spot trends. - Learn how BitTorrent and peer-to-peer networks work. - Set up a BitTorrent client and find files to download. - Open, play, read, or run what you download. - Know the risks of file sharing and avoid fakes, scams, and viruses. Reviews A remarkably calm look at the technical, social, economic and cultural issues arising from file-sharing, and it's also a damned practical guide to navigating the strange world of file-sharing technology. - Cory Doctorow, boingboing.net Chris Fehily won't exactly call [middle-class consumers] suckers, but he will show them -- as well as college students, crackers, digital anarchists and others -- the Pirate Way. - J.D. Lasica, socialmedia.biz An essential primer on file sharing for those not in the know. - Leo M, Brain Scratch Contents 1. The Terrain 2. Understanding BitTorrent 3. File Types 4. Malware 5. Archives 6. Installing a BitTorrent Client 7. BitTorrent Search Engines 8. Finding Torrents 9. Customizing Your Client 10. Downloading Torrents 11. Movies and TV Shows 12. Pictures 13. The Wedding of Rachel Blaine Amy Cross,2019-05-29 Today is supposed to be Rachel Blaine's big day. She's going to marry the man of her dreams, in an idyllic location next to a large lake. Everything has been planned, down to the tiniest detail. But there's one thing Rachel could never have expected. As she prepares for the night before her wedding, Rachel notices strange things happening at the hotel. A mysterious figure watches her from afar. A seemingly freak accident almost kills her. And finally, a horrific secret rises from the depths and threatens to derail everything. Is Rachel's wedding day doomed by a

vengeful ghost, or has her own past come back to haunt her?The Wedding of Rachel Blaine is a horror story about love, hope, death, and the perils of not being able to believe what you think you see.

Eye of the Tempest Nicole Peeler,2011-08-01 Nothing says home like being attacked by humans with very large guns, as Jane and Anyan discover when they arrive in Rockabill. These are professionals, brought into kill, and they bring Anyan down before either Jane or the barghest can react. Seeing Anyan fall awakens a terrible power within Jane, and she nearly destroys herself taking out their attackers. Jane wakes, weeks later, to discover that she's not the only thing that's been stirring. Something underneath Rockabill is coming to life: something ancient, something powerful, and something that just might destroy the world. Jane and her friends must act, striking out on a quest that only Jane can finish. For whatever lurks beneath the Old Sow must be stopped. . .and Jane's just the halfling for the job.
