Treat Your Poker Like a Business, 2009-12 Poker star Dusty Schmidt presents his first book [→ one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [→ Raise: The Impossibly True Tale of Dusty Schmidt, [→? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

Vegas or Bust Johnny Kamps, 2018-05-22 Can a former semi-pro win against the best poker players in the world? In 2006, Johnny's pie-in-the-sky dreams of becoming world champion were dashed when his kings ran into aces in the World Series of Poker Main Event. But lady luck was with him when he met Amy, the woman of his dreams, who soon became his wife. Like many players, he drifted away from the game after Congress passed a law later that year that cut off funds to online poker and harkened the decline of the game. But even as Johnny returned to the working world, the itch remained. A decade later, now with two small kids in tow, Johnny convinces Amy to take a six-week family trip from their home in rural Alabama to Las Vegas, where he will risk his \$10,000 bankroll in hopes of playing in the Main Event again and winning millions. Along the way, he examines how the game has changed since 2006. Although the Unlawful Internet Gambling Enforcement Act was the beginning of the end of the poker boom, the game still thrives, and WSOP is Exhibit A. Johnny also muses on the outlandishness of the adult fairyland that is Vegas.

The Poker Code Davies Guttman,2014-06-18 Poker is serious – and big – business these days. Just take a look at the number of gaming and gambling sites offering variants on the game and the amount of media coverage and airtime it gets. It seems to be a game where you can get rich quick – but you can easily lose a considerable amount of money in a short time also; especially if you are not experienced and don't really understand what you are doing. This compilation takes a look at the history of poker and the different variations of the game that can be played for money or pleasure. It also features more serious analysis of strategies in playing and betting on poker including the mathematical and psychological aspects of a game that is highly susceptible to both of these approaches. If you are considering taking up poker as a hobby or as gambling – this is as good a starting point as any to get you up to speed on the sorts of information and knowledge you will need to participate with even a modicum of success.
