The Big Book of Logos 5 David E. Carter, Suzanna MW Stephens, 2008-02-05 Includes more than 2500 logos selected from thousands of submissions, this volume is an ideal reference source for designers to find a huge variety of styles and techniques for logo creation.

The Logo Decoded LORA STARLING, 2011-12-16 More than a pretty face designed to identify a product, a logo combines powerful elements super boosted with sophisticated branding techniques. Logos spark our purchasing choice and can affect our wellbeing. Lovingly detailed, researched and honed to deliver a specific intention, a logo contains a unique dynamic that sidesteps our conscious mind. We might not know why we prefer one product over another but the logo, designed to connect the heart of the brand to our own hearts, plays a vital part in our decision to buy. The power of symbols to sway us has been recognised throughout history. Found in caves and in Egyptian temples they are attributed with the strength to foretell and create the future, connect us with the divine and evoke emotions, from horror to ecstasy, at a glance. The new symbols we imbue with these awesome powers are our favourite brand logos. • Discover the unconscious effect of these modern symbols that thrust our most successful global corporations into the limelight and our lives. • Learn to make informed choices about brands. • Find out how a logo reflects the state of the brand and holds it to account.

Logo Design Love David Airey, 2009-12-20 There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In Logo Design Love, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer. Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last

The ICT Handbook for Primary Teachers David Hall, 2015-06-12 The ICT Handbook for Primary Teachers will help all those involved in primary education, whether in training, teaching or leadership roles, to develop the ICT knowledge, understanding and skills required to enhance children's learning in the classroom. This new edition reflects the changes to the curriculum from 2014. It includes a new section on the Computing curriculum and an overview of the reorganisation of those online agencies that serve to support ICT. Covering theory and practise this essential handbook explores and outlines the usefulness of a wide range of up to date ICT resources in a range of primary contexts, and advice is offered on assessing whether ICT is preferable to other approaches for 'enhancing learning'. With reference to supplementary online resources, providing activities, multimedia resources and further reading, the book covers: the requirements of the new Computing curriculum, the place for ICT in enhancing teaching and learning across the curriculum, using ICT in core curriculum subjects and in cross-curricular contexts, different models of e-learning (interactive whiteboards, tablet PCs, mobile devices, the Internet etc), how ICT can be used to help pupils with special educational needs and using ICT for planning, delivery, assessment and recording. This book is an indispensable guide to ICT for students on PGCE, BEd and undergraduate teaching courses, along with practising teachers, SENCOs, ICT coordinators and school leaders.

Design Matters: Logos 01 Capsule, 2007-06-01 The nuts and bolts of effective logo design. The design bar is at an all time high for those brave enough to participate in the industry. Today's designers must be clear on all the steps necessary to create work that stands out in an increasingly competitive marketplace. Unfortunately, most design books only focus on type, color, and layout issues. The Design Matters series takes a more in-depth approach, allowing designers to learn not only how to create work that is aesthetically appealing, but that is

also strategy-driven and smart. This book focuses on creating logos, while others in the series dissect brochures, packaging, publications, and letterhead systems. Each book offers all the essential information needed to execute strong designs in concert with beautiful and well-crafted examples, so readers can successfully hit the mark every time.

LOGOS – ARTSIGMA: Logo Design Eduardo Sampaio,2018-06-24 My name is Eduardo, I have a degree in graphic design. I work for more than 10 years as a designer. My last 6 years have been devoted entirely to creating logos for companies, where I have been able to reach organizations around the world, creating more than 800 logos for different segments.In this book you will find project icons that I created during this time, and that can help design professionals get inspiration to work on their projects.

Logo Land Amit Biswas,2021-08-23 Logo Land tells the underlying story of the municipal logos of the Netherlands. There are 352 unique municipalities in the Netherlands. Each municipality has its own logo. A logo is more than just a photo or a slogan. A logo tells the story of what makes a municipality unique through a combination of logos and words. Every municipality is unique and so is every story behind every logo. This book offers a unique combination of insight into Dutch logo design and unknown stories about our country. Book lovers can travel through the past and present of the Netherlands and get to know all the hidden stories about this country through the logo and corporate identity. For the first time in Dutch history, Logo Land looks behind the interesting story of all logos.

Logo Savvy WOW Branding,2007-03-01 How to choose a name and create a catchy mark After the business plan, the first step for any new company is choosing a name-a seemingly simple activity which can be extremely challenging. The next and equally challenging step is designing a logo that is eye catching, appropriate, and reflective of the chosen name of the business. Even for the seasoned designer, this is a remarkably difficult task. Logo Savvy will help readers understand how to define the right approach and achieve an innovative and unique solution for both the name and the logo design. Chapters showcase companies whose identities have evolved visually through the introduction of a great name, as well as companies which have developed a visual identity in tandem with a name. Case studies, corresponding side bars, and tips provide designers with the inspiration and tools they need to find the right approach for their own clients.

Brand Identity Essentials, Revised and Expanded Kevin Budelmann,Yang Kim,2019-04-16 Brand Identity Essentials, Revised and Expanded outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles. These include the elements of a successful graphic identity, identity programs and brand identity, and all the various strategies and elements involved. A company's identity encompasses far more than just its logo. Identity is crucial to establishing the public's perception of a company, its products, and its effectiveness--and it's the designer's job to envision the brand and create what the public sees. Brand Identity Essentials, a classic design reference now updated and expanded, lays a foundation for brand building, illustrating the construction of strong brands through examples of world-class design. Topics include: A Sense of Place, Cultural Symbols, Logos as Storytellers, What is On Brand?, Brand Psychology, Building an Online Identity, Managing Multiple Brands, Owning an Aesthetic, Logo Lifecycles, Programs That Stand Out, Promising Something, and Honesty is Sustainable The new, revised edition expands each of the categories, descriptions, and selections of images, and incorporates emergent themes in digital design and delivery that have developed since the book first appeared. Brand Identity Essentials is a must-have reference for budding design professionals and established designers alike.

What Will They Franchise Next? Jim Penman,2003 It takes issue with much of the conventional wisdom in business thinking, such as the central role of marketing, the need for secrecy and the focus on price. Instead, it stresses the importance of personal values in driving success--Back cover.
