Fireworks Alice Lin,2022-06-07 Fame and friendship can get complicated, especially when there are more than platonic feelings at play in this rom com perfect for fans of Netflix's *XO, Kitty!* Seventeen-year-old Lulu Li has her last summer before college all planned out. But her plans go awry when she learns that Kite Xu, her old next-door neighbor and childhood friend, will be returning home from South Korea. Lulu hasn't seen Kite since eighth grade, after he left the country to pursue a career in K-pop, eventually debuting in the boy group Karnival. When Karnival announces that Kite will be taking a break from K-pop activities for mysterious reasons, the opportunity to rekindle their friendship arises. Star-struck and nostalgic, Lulu tries to reconnect with Kite. As they continue to bond and reminisce over the past, Kite's sister, Connie, warns Lulu not to get too close to her brother. The harder Lulu tries to deny her feelings, the stronger they get. But how could a K-pop star ever fall for a nobody from home? And even if he did, is there any way for their relationship to end but badly? Underlined is a line of totally addictive romance, thriller, and horror paperback original titles coming to you fast and furious each month. Enjoy everything you want to read the way you want to read it.

Fireworks Katie Cotugno,2017-04-11 From the New York Times bestselling author of *99 Days* and *How to Love* comes a stunning new contemporary novel—all about boy bands, girl bands, best friends, and first love—perfect for fans of Sarah Dessen and Morgan Matson. It was always meant to be Olivia. She's the talented one, the one who's been training to be a star her whole life. Her best friend, Dana, is the levelheaded one, always on the sidelines, cheering Olivia on. But everything changes when Dana tags along with Olivia to Orlando for the weekend, where superproducer Guy Monroe is holding auditions for a new singing group, and Dana is discovered too. Dana, who's never sung more than Olivia's backup. Dana, who wasn't even looking for fame. Next thing she knows, she and Olivia are training to be pop stars, and Dana is falling for Alex, the earnest, endlessly talented boy who's destined to be the next big thing. It should be a dream come true, but as the days of grueling practice and constant competition take their toll, things between Olivia and Dana start to shift . . . and there's only room at the top for one girl. For Olivia, it's her chance at her dream. For Dana, it's a chance to escape a future that seems to be closing in on her. And for these lifelong best friends, it's the adventure of a lifetime—if they can make it through. Set in evocative 1990s Orlando, *Fireworks* brings to life the complexity of friendship, the excitement of first love, and the feeling of being on the verge of greatness.

Fireworks George Plimpton,1989 Cover title: *Fireworks: a history and celebration*.

In *Fireworks Lie Secret Codes* John Guare,1981 THE STORY: The scene is a penthouse terrace on Manhattan's West Side, where a group of friends had gathered to watch the Macy's Fourth of July fireworks display on the Hudson River. As they sip wine and call out the changing colors, they also reveal the unrest beneath their apparent ease: one of the two male lovers who share the penthouse has decided to return to his native England; another couple sheepishly admits that they are fleeing Manhattan life for suburban New Jersey. The play ends as it began—good friends exchanging amusing anecdotes in the spirit of relaxed companionship—but the glints of truth which have emerged make it clear that their lives are more troubled and uncertain than appearances might suggest.

Fireworks Sarina Bowen, 2018-11-13 Another epic love story in the USA Today bestselling series! Skye Copeland is on paid leave from her broadcasting job after accidentally drawing a wiener on the traffic map. As if it's her fault the traffic pattern created a perfect schlong? Skye isn't laughing. She needs this job. And that's the only reason she's willing to chase down a story in her least favorite place—that hell on earth known as Vermont. A quick trip. In and out. Much like - never mind. She can sneak into the town that once tried to break her, get the story and slide back into the good graces of her producer. Easy peasy. But things go sideways the moment she steps over the county line. Her stepsister is running from a violent drug dealer. And the cop on the case is none other than Benito Rossi, the man who broke Skye's teenage heart. His dark brown eyes still tear her apart. And even as she steels herself to finally tell him off after twelve years, the old fireworks are still there. Things are about to go boom.
