The Seven Rays Jessica Bendinger,2009-11-24 Beth Michaels isn't sure when it all began, but she's pretty sure that the pink dots came first. Pink dots everywhere in her vision, clouding the

people who stood before her. And then little movie screens started to play, telling her more than she ever wanted to know about their lives. Now she can't even eat a hamburger without seeing how the poor cow met his maker. As Beth approaches her eighteenth birthday, her visions just keep getting worse. And when a little gold envelope shows up proclaiming the words, "You are more than you think you are," she starts to do the super-freak. What does all of this mean? It means she's in for a loooong senior year....

Album Cover Album Roger Dean,Storm Thorgerson,2008-10-28 A stunningly designed review of the greatest album cover designs, spanning the classic period from the 1950s to the 1970s, Album Cover Album first hit the bestseller charts in 1977. This led to the release of six follow-up hits, inspired a host of imitations, and generated a long-playing sub-genre in art and design publishing. Album Cover Album is edited and compiled by two designers who were among the most innovative pioneers of the work that it celebrates. Storm Thorgerson's Hipgnosis earned world renown for the epic photo shoots and iconic designs that went so perfectly with the music of Pink Floyd. Meanwhile, Roger Dean's dreamscapes and unique typography became as much a part of the rock generation as the Yes albums they adorned. Album Cover Album features their selection of more than 600 sleeves in full color, and showcases the astonishing diversity and excellence of design that the medium produced in its first three decades. This new edition retains the lavish 12-inch format of the original and replays the ingeniously themed compositions of each page. The album is given a fresh spin by a new preface from Peter Gabriel and new forewords by Storm Thorgerson and John Wetton, plus a 21st-century typographic facelift. The result is a celebration of the enduring appeal of vinyl.
