4 Keys to Hearing God's Voice Mark Virkler, 2010-08-01

Based on the highly popular and successful book, *How to Hear God's Voice*, this exciting new book emphasizes the 4 Keys to Hearing God's Voice. "When I learned to hear God's voice after 11 years as a believer without it, every part of me was radically transformed. Thousands have told me they have had this same metamorphosis, and I believe that this will become your testimony also," writes co-author, Mark Virkler. The keys that are examined, discussed in detail, and can be immediately applied to your life are: How to recognize God's voice as spontaneous thoughts. Learning how to become still before the Lord. Looking for vision as you pray. Realizing the importance of two-way journaling. Filled with insights from years of hearing from God, *4 Keys to Hearing God's Voice* also includes visual aids that enhance the teaching and learning experience. Very reader-friendly, you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle. Designed to bring even more depth to your relationship with God, this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study. Either as a stand-alone book or as part of a package, you are sure to gain valuable encouragement and motivation to seek intimate communication with God, your heavenly Father.

The Christian's Voice of Devotion, a Manual of Prayer for Family and Private Worship John Gordon Lorimer (D.D.), 1858

When Faith Is Forbidden Todd Nettleton, The Voice of the Martyrs, 2021-03-02 Winner of the ECPA Book Award Journey alongside Persecuted Christians Take a 40-day journey to meet brothers and sisters who share in the sufferings of Christ. *When Faith Is Forbidden* takes you to

meet a Chinese Christian woman who called six months in prison a wonderful time, an Iraqi pastor and his wife just eight days after assassins' bullets ripped into his flesh, and others from our spiritual family who've suffered greatly for wearing the name of Christ. Each stop on this 40-day journey includes inspiration and encouragement through the story of a persecuted believer. You'll also find space for reflection and a suggested prayer as you grow to understand the realities of living under persecution—and learn from the examples of the bold believers you'll meet. For more than 20 years, Todd Nettleton (host of The Voice of the Martyrs Radio) has traveled the world to interview hundreds of Christians who've been persecuted for the name of Christ. Now he opens his memory bank—and even his personal journals—to take you along to meet bold believers who will inspire you to a deeper walk with Christ.

I Heard the Voice of God S. S. Peter Th.D.

Ph.D.,2021-05-20 This book is written to encourage born again believers in Jesus Christ to trust God for their healing and deliverance, and to challenge them to be involved in evangelism and healing ministries.

Tune In To The Voice of God Kenneth

Copeland,2013-09-17 Do you wonder if you can hear from god for yourself? Could He be saying something to you today? What is He telling you about your personal life...your family...your finances? Is something causing interference and drowning out His voice? God promised to lead His children by His spirit and enable them to know His voice. Kenneth Copeland...

Discerning the Voice of God Priscilla C.

Shirer,2012-01-01 Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to

you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God.

Free J. Kevin Butcher, 2021-04-06 Are you weary? Trying to follow Jesus and be a “good Christian,” only to hear the voice of shame whisper, try harder? Good Christians are supposedly known for diligently practicing spiritual disciplines like Bible study, prayer, evangelism, and serving God. Disciplines that are expected, through inspired effort, to conquer sin in us and in the world. The tragedy is, so few Christians understand that we aren’t just sinful but wounded. We don’t need a list of disciplines. We need a Healer, a Deliverer to come and set us free. Here is the truth: We have a Healer. His name is Jesus Christ. He loves us. His calls us first to own how desperate we are—for him; and then to accept his invitation to abide in his great love. Kevin Butcher points us toward this healing Jesus, who offers us his all-encompassing love. You will find nothing here about lists and shoulds. Instead, you will discover how to fall in love with Jesus and then how to walk with him—not in drudgery, but freedom—abiding in his love. A love that rescues us from drudgery and shame, surrounding us with joy even in our darkest hour. A love so powerful that it births our worship, obedience, and willingness to surrender all to him. Even when hell is at your doorstep, the love of Jesus will surround you, protect you, empower you, and set you free. Because God’s love isn’t just important to your journey—God’s love is everything.

Jesus Speaks Leonard Sweet, Frank Viola, 2016-08-09

Are you hungry to hear God's voice, but don't know how? *Jesus Speaks* teaches readers how to listen for the voice of Jesus and how you can grow in your ability to recognize and respond to his voice daily. While the Lord frequently speaks to us, we don't really hear his voice until we recognize it. In *Jesus Speaks*, Sweet and Viola unpack the many ways the Lord speaks to his people today by exploring how the disciples interacted with the risen Jesus—from the Gospels to Revelation. They demystify the process in a warm, practical way, providing insights on how you can recognize the voice of Jesus in your own life. Separated into two sections, the first provides a big-picture look at how the resurrected Jesus spoke in the New Testament, while the second contains short, actionable chapters filled with scriptural quotes and references. Both sections work together to help you recognize and respond to the voice of Jesus in your everyday life. Readers will be able to: Gain a firm foundation in the scriptures, learning how Jesus spoke to his disciples Dispel myths and misinformation surrounding what it means to hear the voice of Jesus today Grow the ability to recognize God's voice and learn how to respond Essential for Christians seeking to improve their relationship with Jesus, *Jesus Speaks* is the long-awaited third volume in the JESUS trilogy: *Jesus Manifesto*; *Jesus: A Theography*; and *Jesus Speaks*.

The Christian's voice of devotion, a manual of prayer,
with a preface by J.G. Lorimer Christian, 1858

The Goal is Life Michael Mavromatis, 2016-02-24 If the gospel is intended to set us free, help us discover life, and become more than who we are right now, then why is it that many men struggle with Christianity? Why do so many good men find church so unattractive? Why can't I as a

man find my place in this life? Forget about tips and techniques; they are fine if you want to create a spreadsheet, bake a cake, or fix your engine. What we need is to rediscover our design. What was God thinking when He created you as a man? What is His offer? And once we find it, how do we become the men God intended us to be from the very beginning? The gospel is a message of restoration. What we need most is to see our relationship restored with our true Father if we are ever to become the men God sees in us. We must learn to hear His voice. - - - Christianity was never intended to be a religion. However, it was always meant to be a relationship, originating from the heart.

The Divine Voice Stephen H. Webb, 2012-01-20 Webb offers a carefully and creatively wrought phenomenology of sound, showing its relation to the proclamation of God's Word. His keen insights on the primordial nature of sound, speech, and hearing will force theologians to examine, once again, what it means to be a 'hearer of the Word.' Webb masterfully displays the intrinsic relationship between dynamic listening and speech--how intent hearing and confident proclamation are intimately conjoined. He has the rare gift of combining acute theological insight with a mellifluous, readable style. The nature of God's own Word here becomes clearer: vibrant and tensile, life-giving in tone and texture. Whether examining Jesus as the voice of the Father, the role of voice in innertrinitarian relations, or the relationship between voice and gender, Webb offers the kind of thought-provoking and highly creative reflections rarely found elsewhere. He has a creative and incisive theological mind. --Thomas Guarino, Seton Hall University Being appreciative of Webb's earlier work on hyperbolic language in theology and preaching, I welcomed The Divine Voice. How risky to toss a spoken word into a

room of silent readers and expect it to be heard! I was reprimanded, instructed, and moved by the sound of this book. Were I still in the seminary classroom, The Divine Voice would be required reading before one word was said about how to preach. --Fred B. Craddock, The Craddock Center

The Divine Voice is a book of academic theology worthy of the Psalmist who sang 'Day after day the word goes forth, night after night the story is told. Soundless the speech, voiceless the talk, yet the story is echoed throughout the world' (Ps 19:2-3). Stephen Webb is an 'acoustemological' theologian, for whom speech can be prayerful as silence, and silence as instructive as proclamation. When the sounds heard by faith reach Webb's ever-insightful and creative mind, only synesthesia could result, and the result is a gift for us all. --Peter Ochs, University of Virginia

The Power To Be Forever Free Kenneth Copeland, 2012-05-01

Whats your weakness? You know the one. The habit that slithers up behind you (after youve broken it 20 times) and whispers, Come on, just one more wont hurt, then wraps around you, tightening its grip until you give in again. Anything from cigarettes to cream pies can qualify. Satan isnt picky. Hell use whatever he can to get a hold on you. But there is a way to break his grip. For, whether you realize it or not, you have been given The Power to Be Forever Free!

Follow the Cloud John Stickl, 2017-08-01

Stickl explains how hearing the still small voice of God and obeying his call will lead us into a deeper, more passionate relationship with him." —Robert Morris, founding senior pastor, Gateway Church, Dallas/Fort Worth

There is a big difference between being set free and living free. How do I know what to do with my life? How do I hear God's voice? Maybe the answer is easier than we think. When God led

the Israelites from Egypt to the Promised Land, He gave them a cloud to follow. He led them in an intimately personal, ever-present way one next step at a time. He led them without revealing the whole picture because he wanted them to follow by faith. In *Follow the Cloud*, Pastor John Stickl uses this image to ask, "What if we stopped letting obligation drive us and instead let grace lead us? What if instead of focusing on our faithfulness toward God, we focus on God's faithfulness toward us?" The cloud of God's presence is moving in your life right now. Maybe God is inviting you to follow him to a new career or relationship. Maybe he is inviting you to extend forgiveness, share your story, or give up your addiction. Whatever your next step is, God is leading you to discover who you are, who he is, and what you were created to do. He is inviting you to a life of freedom. Inviting you home - one step at a time.

We Gather Together Neil J. Young, 2015-10-01 The story of the birth of the Religious Right is a familiar one. In the 1970s, mainly in response to *Roe v. Wade*, evangelicals and conservative Catholics put aside their longstanding historical prejudices and theological differences and joined forces to form a potent political movement that swept across the country. In this provocative book, Neil J. Young argues that almost none of this is true. Young offers an alternative history of the Religious Right that upends these widely-believed myths. Theology, not politics, defined the Religious Right. The rise of secularism, pluralism, and cultural relativism, Young argues, transformed the relations of America's religious denominations. The interfaith collaborations among liberal Protestants, Catholics, and Jews were met by a conservative Christian counter-force, which came together in a loosely bound, politically-minded coalition known as the Religious Right.

This right-wing religious movement was made up of Mormons, conservative Catholics, and evangelicals, all of whom were united--paradoxically--by their contempt for the ecumenical approach they saw the liberal denominations taking. Led by the likes of Jerry Falwell, they deemed themselves the pro-family movement, and entered full-throated into political debates about abortion, school prayer, the Equal Rights Amendment, gay rights, and tax exemptions for religious schools. They would go on to form a critical new base for the Republican Party. Examining the religious history of interfaith dialogue among conservative evangelicals, Catholics, and Mormons, Young argues that the formation of the Religious Right was not some brilliant political strategy hatched on the eve of a history-altering election but rather the latest iteration of a religious debate that had gone on for decades. This path breaking book will reshape our understanding of the most important religious and political movement of the last 30 years.

You Can Hear the Voice of God Through All Your Spiritual Senses Sallie Dawkins, 2021-12 Most Christians know God speaks through His Word, but when He speaks through the spiritual senses of sight, sound, touch, taste, and smell, it can leave a person feeling crazy! In *You Can Hear the Voice of God Through All Your Spiritual Senses*, the author shares how she came to her senses in Christ in more ways than one! Have you ever dared to ask or believe that there might be more-now-on this side of Heaven? More that we don't have to wait to access? More of something on which you just can't quite put your finger? That's how Sallie Dawkins felt. She was no longer satisfied with living a complacent or powerless life as a Christian. She had a holy hunger for more. And the Lord answered that desire. A heart encounter with God in 2015 challenged Sallie's entire belief system. It was the beginning of the

end of two-and-a-half decades of wavering faith and started her on a supernatural journey of discovery that rapidly transformed her life. Now a Christian Healing Evangelist, Sallie Dawkins is an expert at coaching born-again Christians in spiritual growth. When she realized others were asking the same questions she once asked, she was inspired to write The Awakening Christian Series. This series is for Christians seeking a closer relationship with God. In book one, *You Can Hear the Voice of God Through All Your Spiritual Senses*, the author shares with heartwarming honesty the lessons she's learned in her pursuit of growing in spiritual maturity.

In the Eye of the Storm Mitri Raheb, 2023-06-23 The situation of Christians in the Middle East has become an important topic of international discussion as well as an important theme covered in the media, as several CBS Sixty Minutes programs have highlighted the plight of Christians in Palestine, Syria, Jordan, Lebanon, and Egypt. *In the Eye of the Storm* tells the story of the plight of twenty-first-century Middle Eastern Christians in five countries (Palestine, Israel, Jordan, Lebanon, and Egypt) in the context of the so-called Arab Spring and within a destabilized region that is a geopolitical triangle shaped by Israeli hegemony and Arab-Iranian tensions. The book places the situation of the Christians within the wider sociopolitical context of the Middle East in the twenty-first century. A unique feature of this book is that it is written mainly by native Christians who have spent their entire lives in the region and continue to live there. *In the Eye of the Storm*, therefore, provides an insider perspective rather than a hegemonic and colonial outsider perspective. This book hopes to offer a sociopolitical framework for the Christians of the Middle East, thus allowing them to tell their own story as they see it and not one that has been

projected onto them by outside forces.

Culture Wars James Davison Hunter, 1992-10-14 A riveting account of how Christian fundamentalists, Orthodox Jews, and conservative Catholics have joined forces in a battle against their progressive counterparts for control of American secular culture.

You Are Free Bible Study Guide Rebekah

Lyons, 2017-02-21 In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that “calling” feels like something held for the exclusive few. Rebekah’s heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. “I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded saying, “I’m done with the life I’ve created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free.” But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God’s presence will bring us answers and inform and sustain our calling. Rebekah’s voice is a vulnerable, prophetic call for women to become who

they've already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately).

Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached, the number of independent African Pentecostal churches in Britain increased rapidly. Having assimilated classical Pentecostalism and the charismatic movement, and having begun to find ways of working with the Caribbean Pentecostal denominations, it remained to be seen how UK evangelicalism would fare with African Pentecostals. This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle.
