In this book, Margaret Shepherd, America's premier calligrapher, shows you that calligraphy is not simply a craft you can learn, but an elegant art form that you can make your own. Calligraphy remains perennially popular, often adorning wedding invitations, diplomas, and commercial signs. Whether it is Roman, Gothic, Celtic, Bookhand, or Italic style, calligraphy conveys class and elegance. Margaret Shepherd makes this ancient art form accessible in a completely hand-lettered technical guide that will: * Provide context for calligraphy as an art, exploring the rich tradition of hand-lettering and mapping the evolution of the most popular styles. * Give detailed technical advice on choosing pens, paper, and inks, setting up your workspace, mastering various pen angles, along with step-by-step illustrations to guide you as you practice. * Explain which alphabets are appropriate for different forms of writing. For example, the Roman alphabet works well for short, unpunctuated passages, while the Italic alphabet is more suited to informal everyday communication. * Encourage you to personalize your lettering by using variant strokes and interpreting how you would like the words to look on the page. * Inspire you with carefully chosen illustrations and examples, which bring letters to life. In Margaret Shepherd's own words, Calligraphy trains not only your eye and hand, but your mind as well. Learn Calligraphy is the authoritative primer for this age-old craft, and will help develop a new appreciation for lettering as you discover your creative personality.

Calligraphy as Art and Meditation Gina Jonas, 2019-05 *Calligraphy as Art and Meditation* presents a new approach to calligraphy, one uniquely suited to our time. In it, the making of calligraphic letter forms becomes a way to integrate mind, body, and feeling, to enrich creativity, and enhance well-being. The exercises in Western alphabetic writing, arranged in a guided progression, provide an opportunity to develop awareness, relax the mind, and open the door to artistic expression. The audience for *Calligraphy as Art and Meditation* includes: adult learners, meditators, teachers, therapists, artists and art students, graphic designers, and children of all ages. The training alphabets, from Playball to Proteus, introduce you to the elements of calligraphy through a framework called the 3 Ds: DESIGN, DUCTUS, and DYNAMICS. Tool usage is the foundation for calligraphic development. Here, the participant begins with the familiar pencil and progresses in gradual, developmental steps to the sophisticated edged pen. For a culture so deeply rooted in the written word, we have not, surprisingly, woven calligraphy into the general fabric of public life. Nonetheless, our current milieu is ripe for appreciating the values inherent in this art form. It is the mission of *Calligraphy as Art and Meditation* to conduct a joyful exploration of calligraphy in an attempt to find its untapped essence, and in this effort, to re-envision its role in our cultural life.
