Talking to God Thomas L. Constable,2005-01-13 Why a theology of prayer? Because counterfeit prayer abounds, we need Scripture's guidance, writes Thomas Constable. Praying as God desires requires considering what God has revealed about it. As we give prayer our careful attention, we gain greater understanding of what he intends it to be. Constable details the different forms of communication God invites us to use. He identifies the counterfeits that pass for prayer, discusses the conditional nature of prayer, and explains why some prayers seem to go unanswered.

God's Bible in Spanish Emanuel Rodriguez,2011 Until now, no Spanish Bible was completely free from corrupted Alexandrian texts. Here's the fascinating story of the making of the Reina-Valera Gómez Bible (RVG), the first Spanish Bible to faithfully follow the Received Text in every single verse. The book also includes a 44-page chart showing corruptions that found their way into Spanish Bibles, and how they are corrected in the RVG 2010.

The Holy Daniel Quinn,2011-03-01 They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due – love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. From the Trade Paperback edition.
