This updated edition also includes these features: -Responsibilities of each position on the field and every batter in the lineup -Offensive and defensive tactics for specific game situations -Emphasis on the short game, covering five types of bunts and the running slap hit -An expanded section on pitching that includes seven types of pitches for modified-pitch, slow-pitch, and fastpitch games -Skill-development drills with assessment scoring systems to gauge progress along the way Hits, runs, putouts, and double plays are at your fingertips. With Softball: Steps to Success, part of the popular Steps to Success Series that has sold more than 1.5 million copies, your performance on the diamond will shine.

Slowpitch Softball Hitting Rainer Martens,Julie Martens,2010-11-23 Slowpitch Softball Hitting presents everything you need to know before stepping into the batters' box. With this mini e-book, learn how to make the most of each at-bat from senior softball Hall of Famer Rainer Martens and his wife, Julie Martens. Supported by over 45 years of softball experience and PhDs in the sport sciences, Rainer and Julie present detailed information about techniques related to hitting, such as strike zone recognition, stances, bat selection, and grips. Aside from the basics, you'll learn how to hit for average and increase your bat speed to generate power in various game situations. Different situations within a game require different types of hits to generate runs. Learn how to increase your precision and take your productivity at the plate to new heights. The mini e-book Slowpitch Softball Hitting is an abridged version of the comprehensive book Complete Guide to Slowpitch Softball (Human Kinetics, 2011). The content here is unique because it is specific to the slowpitch game, not merely fastpitch advice modified for slowpitch players. This sharp focus is what makes Slowpitch Softball Hitting such a valuable resource for all who play the game.
