Diwali Lights Rina Singh,2018 A dazzling board book that introduces little ones to the Indian festival of Diwali through a selection of brilliant sights and sounds.
Wallpapers in Historic Preservation Catherine Lynn,1977 The papered and bordered wall was an important feature of American interiors during the 18th, 19th, and early 20th centuries. Paper hangings, both imported and of domestic manufacture, were more widely used than many of our restored buildings might lead us to believe. This book attempts to catalog and describe the variety, as well as accounting for restoration and preservation of pieces as part of the historical record. --Amazon.

Artist and Attic Hsin Ying Chi,1999 Artists and Attic sees the relationship between architecture and literature as a concrete reflection of nineteenth century ideology creating an iconic picture of women's position in society and literature during that period. In the Victorian house, the attic is hidden and neglected, yet to a woman artist, it is a space of her own to produce a text of her own. The author presents the neglected attic as related to the neglected woman and the limited space symbolizes the confinement of woman and the woman writer, yet obtaining this space of her own becomes the central concern to women and women writers. This book explores the function of the attic in nineteenth century British and American women's writing, as it is given meaning and life by the writers. To many of the women, the attic created a paradoxical image of their seclusion, but also of their own poetic space for freedom in creation. Many of the writers see the attic as a retreat to escape from patriarchal oppression and a place to seek social identity.

Jeff's Beginning Shelly Marie Karg,2014-03-28 He stood back, behind the rest of the non-living group that he had become associated with as they followed the group of young ladies out of the club. He knew that nothing good was going to come from this venture. Yet, his curiosity was piqued. There was a blonde, she was young and pretty. Something about her made him think back to a time before he had become one of the cold people. She looked familiar. So familiar that he wanted to reach out and touch her to feel her face and see if he could remember just what it was he sensed about her. But he couldn't, he couldn't show compassion around the others. He wasn't supposed to have any humanity left inside of him; he wasn't sure what could happen to him if they knew. He detested this life he had been forced into living, if you could even call it a life. He regretted with everything he had left to give the night he was forced to accept the change. What he would give if he could go back. Back to the time of warmth, back to the time he existed without the hunger, without the cravings. Even now he only took what he needed to sustain his so called life. If need be, he took only from the animals unless he was faced with a situation that would make him have to feed from the Human. Please, let them spare her, at least until he had the chance to be near her. Something about her eyes when they caught a glimpse of him took him back, back to a time when....

Night of the Macabre Tracy Wells,2023-08-29 A hunt for horror finds four friends at the Museum of the Macabre...a wax museum displaying scenes from short stories by great authors of Gothic Horror like Poe, Hawthorne, and Irving. Jacobs "The Tell Tale Heart" by Edgar Allan Poe "The Red Room" by H.G. Wells "The Velvet Ribbon" by Washington Irving "The Yellow Wallpaper" by Charlotte Perkins Gilman "The Shadows on the Wall" by Mary E. Wilkins Freeman Perfect for Halloween, one-act competitions, or in collaboration with English Lit teachers, this flexible, large-cast play will delight audiences and actors alike. *** Length note: Any of the short stories may be cut to create a shorter play Horror Comedy/Drama Full-length, 90-100 minutes (but can be shortened - see description) 11-36 actors (suggested casting: 9M, 11F, 14 any gender)

You Have to be Careful in the Land of the Free James Kelman,2005-05-05 Jeremiah Brown is a man of extremes. So when he nips out for a quick drink on the eve of returning to his native Scotland after twelve years in America, anything could happen. Anything at all. Just one quick drink to help him sleep but there's something about this town and this bar that reminds him of his ex. Soon the memories are flooding in and as the night goes on and the decision to stop smoking looks increasingly ill-timed for a card-carrying alien of questionable politics, Jeremiah getting on that flight tomorrow starts to seem far from certain. Is there any such thing as a certainty? Not tonight. Tonight the only thing certain is that you have to be very careful in the land of the free.

Moon Dance S. P. Somtow,1991-04-15 Set against a brilliant panorama of European expansion into the West in the late 1800s, Moon Dance is the horrifying tale of the illegitimate son of the Count von Bachl-Wolfling, leader of a pack of Viennese werewolves, and of the boy's all-too-human governess, Speranza. The pack has decided to emigrate to America, in search of wild lands and unsuspecting human prey. But unbeknownst to them, the Dakota territory is already home to the Shungmanitu--a clan of the Lakota Sioux who become wolves by the light of the full moon.
