Spellbound Ann Charlotte, 2008-11-12 In 1861, Clarissa Montgomery was beside herself with grief as her husband, Charles, prepared to enlist in the Confederate Army. Raised by her Cajun grandmother in the bayous of Louisiana, Clarissa had learned the art of black magic, spells and incantations, though never really did believe in its power. But when she could not talk Charles out of going off to war, she resorted to the next best thing-she cast a spell to keep them all safe. Little could she have known the ramifications the frivolous little rhyme she just made up on the spur of the moment would have on their lives. A century and a half later, after the sudden death of her husband, the temptation to explore the historic Shenandoah Valley of Virginia was too strong for Claire LePaige to resist. Yet the closer to Shenandoah she found herself, the more eerily familiar the area seemed. And when she stumbled upon an old, ramshackle house by the river, Claire knew she had to have it even though it was rumored to be haunted by the ghost of a Civil War soldier. The children saw him . . . tried to convince her he was real. However, Claire no more believed in ghosts than she did in reincarnation. It took a series of unexplainable coincidences for Claire's resolve to crumble.

The Female Don Dada Kateri, Yara Kaleemah, 2019-01-31 Since Drama was paying the price of being the Female Don Dada, Bev has stepped in to take on the empire. Yet, there are more snakes in the grass than ever before. While trying to make sure their child is safe, Fuzz's loyalty is tested. Will he fail the test or prove to his wife that he is the only one really in her corner? This installment of the Female Don Dada introduces a new crew of friends and foes. Some are in it to win and others will die for the sake of

money, power, and respect. Where will Bev and Drama's relationship lie after it's all said and done? One thing for sure though, you can't trust every smiling face and it's a damn shame if you depend on it!

Oh Yes, Oh Yes, We are the PPS – Full-on True Stories of Preston North End's Most Fanatical Followers William Routledge, 2010-08-27 Over the years, the mobs of Preston North End have fronted up to infamous football firms such as the Chelsea Headhunters, the Birmingham City Zulus and the Leeds Service Crew, to name just a few. Although the Preston lads were often lacking in big numbers, they were always prepared to stand their ground and have a go, knowing that it was quality, not quantity that would count when standing toe to toe with their rivals. In this brutally honest book, staunch PNE fan Bill Routledge recalls the days when the dawn of Saturdays signalled a rush of adrenalin and a wave of anticipation; a time for the lads to put aside the worries of the working week and experience the buzz of mayhem on the terraces. He describes a time when music and fashion were vital to the identity of the firms, as well as examining the history of violence at Preston North End, the roots of the different factions and how they got their names. Together with other faces from the PNE firms, he details hair-raising tales of violent clashes with other mobs, as well as the fans' misdemeanours on foreign soil. This fascinating insight into life on the frontline is as shocking as it is exciting – but it's not short of laughs either. It is a truthful account of the highs and lows of being a devoted, passionate football fan waiting for glory.

Relationships in Adolescence John C. Coleman, 2022-12-29 Based on the study of a large number of young people ranging in age from eleven to seventeen,

Relationships in Adolescence, originally published in 1974, proposes a new model of adolescent development, described as the 'focal' model, which makes a valuable contribution to the greater understanding of adolescence for all who have contact with this age group. The book contains an examination of three different approaches to adolescence, an outline of the research project, and a discussion of the empirical evidence concerning identity and self-image, heterosexual and parental relationships, and large group situations. Comparisons are made between age levels and between boys and girls with respect to the whole range of relationships, and the evidence illustrates significant and at times dramatic differences between groups. Of particular importance are some of the changes which occur with age, such as the degree of conflict with parents and attitudes to sexuality. Based on Dr Coleman's findings is his fresh 'focal' model of adolescent development. This model stresses the elements of growth and change in adolescence, with special emphasis on the normal anxieties and conflicts that occur at different stages of the developmental period. Today it can be read and enjoyed in its historical context.

Johnny Staccato Frank Boyd, 2019-11-01 *Johnny Staccato*, first published in 1960, features a Greenwich Village jazz pianist who supplements his income by working as a private detective. Based on a cult-favorite noir TV-series of the same name, *Johnny Staccato* was "... a smooth man on the ivories, hot on the trigger, and cool in a jam—he's the toughest private eye to hit America in a decade." Author Frank Boyd (pseudonym of Frank Kane, 1912-1968) published over 30 novels, most featuring private eye Johnny Liddell. From the great new television series starring John Cassavetes comes this novel of love in Greenwich Village, murder in midtown, beats on the Bowery, Sex on Sutton

Place, and blackmail, racketeering, and violence in the world's most savage city.

Hickory Stick Douglas M. Cooper, 2004-08-18 Hickory Stic is a novel about revenge deferred. It concerns Leonard Merygates, a shy, retired highschool administrator who feels that had corporal punishment been sustained in America's public school systems, the country would not be in the condition it is today. Children would respect adults; adults would embrace social and cultural values beyond material wealth, and the streets of Hamilton City (USA) would be a lot safer. Hickory Stick also concerns the adventures of HCPD homicide detectives, Walter T. Fleischmann and Willis Loveday, who must find the vigilante that is ridding Hamilton City of its social detritus before he kills someone else.

Suicide Hill James Ellroy, 2021-02-16 Detective Sergeant Lloyd Hopkins is the most brilliant homicide detective in the Los Angeles Police Department and one of its most troubled. In his obsessive mission to protect the innocent, there is no line he won't cross. Estranged from his wife and daughters and on the verge of being drummed out of the department for his transgressions, Hopkins is assigned to investigate a series of bloody bank robberies. As the violence escalates and the case becomes ever more vicious, Hopkins will be forced to cross the line once again to stop a maniac on a murder binge.

Barris Kustoms of the 1960s George Barris David Fetherston,

Another Roadside Attraction Tom Robbins, 2003-06-17 "Written with a style and humor that haven't been seen since Mark Twain."—Los Angeles Times What if the Second Coming didn't quite come off as advertised? What if "the Corpse" on display in that funky roadside zoo is really who they say it is—what does

that portend for the future of western civilization? And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high-tech age? Another Roadside Attraction answers those questions and a lot more. It tell us, for example, what the sixties were truly all about, not by reporting on the psychedelic decade but by recreating it, from the inside out. In the process, this stunningly original seriocomic thriller is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind. "Hard to put down because of the sheer brilliance and fun of the writing. The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce."—Rolling Stone
