*Glitterati* Oliver K. Langmead,2022-05-17 A Clockwork Orange and RuPaul's Drag Race meet Eternal Sunshine of the Spotless Mind in this fabulous dystopian fable about fashion, family and feckless billionaires. Simone is one of the Glitterati, the elite living lives of luxury and leisure. Slave to the ever-changing tides – and brutal judgements – of fashion, he is immaculate. To be anything else is to be unfashionable, and no one wants to be unfashionable, or even worse, ugly... When Simone accidentally starts a new fashion with a nosebleed at a party, another Glitterati takes the credit. Soon their rivalry threatens to raze their opulent utopia to the ground, as no one knows how to be vicious like the beautiful ones. Enter a world of the most fantastic costumes, grand palaces in the sky, the grandest parties known to mankind and the unbreakable rules of how to eat ice cream. A fabulous dystopian fable about fashion, family and the feckless billionaire class.

Glitterati Arvin Loudermilk,2014-10-21 I'd been called to the principal's office. The vampires' boss of bosses had requested a sit-down, and I was duty-bound to show up and hear the guy out. The planners involved insisted upon making a big to-do out of the meeting, dolloping on limo rides, a show, and an impromptu stopover at a fancy Hollywood party. I guess it was all supposed to dazzle me, to make me forget that I was being led around by the nose.

The Glitterati Gretchen A Klein,2023-02 Phoebe Holt is a lucky young woman to have inherited a small fortune to open her own art gallery on Madison Avenue in New York City. Her fiancé, Hugh is supportive until Phoebe befriends a secretive entrepreneur who takes a serious interest in her artwork and those of her clients. The wealthy aristocrat soon purchases most of Phoebe's artwork, leaving Phoebe optimistic and financially secure. When the young art dealer is then introduced to the strange man's associates, Phoebe begins to doubt the stranger and his intentions. Her fiancé warns her of the man's obscure financial businesses in and around New York; however, Phoebe's newfound success keeps her committed to this mystery man. After engaging herself more socially to the dark senior, Phoebe becomes less of herself and more tense, argumentative, and reckless in her work ethic and drinking pastime. His pressures of displaying obscure, grotesque paintings in her gallery does offer Phoebe financial success, but it also draws Phoebe closer to the inner circle of insanity. She ends her relationship with Hugh, begins seeing a drug crazed celebrity, and spirals into drunken gluttony daily. When Phoebe finally realizes who her enamored benefactor really is, she must decide what is most important in her life: her own sanity, or the luxurious lifestyle that this strange entrepreneur has awarded her? Will Phoebe become one of the dark figures herself in this Satanic cult, or will she return to that of a modest art dealer who can reconcile with her fiancé and begin a family? As Phoebe races out of time with the demonic man pressuring her for marriage, she must decide before her fate is chosen for her.

The Glitterati in Switzerland Lindsay Greatwood,2012-07 THE GLITTERATI IN SWITZERLAND - There were many entertainers who made their homes on the shores of Lake Geneva; the list is impressively long and star-studded: David Bowie, Freddie Mercury, Keith Richards, Christopher Lee, Van Johnson, Noel Coward, David Niven, Peter Sellers, Elizabeth Taylor, Roger Moore, Richard Burton, Alistair MacLean, Peter Ustinov, Audrey Hepburn, Yul Brynner, William Holden, Capucine, Coco Chanel, Georges Simenon, Charlie Chaplin, Graham Greene, George Sanders, James Mason, Vladimir Nabokov and many others; all international artists whose work continues to dazzle. They were rightly called the Glitterati: their lives were glamorous, dramatic and headline-grabbing. But, if they believed they could escape professional pressures and lead quiet, orderly existences in Switzerland, they soon found out they would have to think again. David Bowie: his open marriage led to a Swiss divorce. Keith Richards: entered a Swiss clinic to come off heroin. Christopher Lee: saw the mountains reach the foot of his bed. Van Johnson: his violent behaviour caused his wife to leave. Noel Coward: 'Boxers' with Niv began with Bloody Marys a la gare. David Niven: his wife refused to be buried with him. Princess Diana: loved to ski but was homesick for England. Peter Sellers: his chalet was a fortress of technology and garden gnomes. Elizabeth Taylor: loved and lived with several husbands in Gstaad. Roger Moore: fell out with David Niven's widow on the eve of the funeral.

**All-American Princess** Maggie Dallen,2020 She's a liar. She's a cheat. And she's about to fall for the wrong guy... Get in, get the guy, get out. That's the plan. But when this Hollywood princess gets caught up in small-town drama? Well, nothing is as simple as it seems. There's only one person who can convince Delilah Devereaux to leave the lap of luxury for a one-way ticket to Podunk, Montana. Her powerful producer of a father has sent her to the tiny, close-knit ranching town for one reason--to bring back Brandon MacMillan, the reclusive son of a legendary TV star. All she has to do is lure him away from his crazy mom, the pretty girl next door, and his lifelong best friend. Not a problem. Except Delilah's perfect plan doesn't account for all the secrets and lies between the two families, and it definitely doesn't prepare her for Jack. The small-town hottie sees right through her lies, and worse, he makes her wonder if perhaps she's not as heartless as she believes. But there's no way she's going to let anything ruin her mission...not even Jack. It would just be so much easier if he wasn't so irritating. Or so tempting. Or...best friends with her mark. Author's Note: Two things you should know before you go any further. 1) This book is part of a continuing series. And 2) I've written more than 40 PG young adult books over the years...but this is not one of them. While there's no sex or F-bombs in this book, there is some mild language, steamy situations, and mature topics. This is more PG-13 than my other novels (think Gossip Girl vs Disney Channel) and if that is not to your taste, please don't read!

**Digerati Glitterati** Christopher Langdon,David Manners,2001-10-08 Discover the inspiration and motivation of the gifted few. The intellectual power of the high-tech industry is awesome – but so are the egos. To keep people working together productively requires an individual style of management, and at the top of these companies are a new breed of executives. Their attitudes to work create fluid cultures where nothing is sacred and everything is open to challenge. The Digerati Glitterati are a select group of the most admired leaders in this remarkable world. Several have founded great companies, while others have transformed existing organisations into world leaders or blazed entrepreneurial trails for others to follow. Some are just beginning to leave their dynamic individual mark. All have a story to tell and priceless advice to offer. The Digerati Glitterati are: Hermann Hauser, Acorn Andrew Rickman, Bookham Technology Malcolm Miller, Pace Micro Technology Robin Saxby, ARM Gordon Moore, Intel Ulrich Schumacher, Infineon Jorma Ollila, Nokia Sir Clive Sinclair, Sinclair Research Pasquale Pistorio, ST Microelectronics Dick Skipworth, Memec David Potter, Psion Hans Snook, Orange Now, the Digerati Glitterati reveal the inside secrets of what it takes to build great companies. In candid interviews they explain how, why and when they got started, how they conceived the idea for their businesses and sold it to others, what motivated them, what kept them going in adversity and how they overcame their biggest challenges. When they speak, smart people listen.

Glitterati Christine Gückel-Daxer,Anna-Lena Wenzel,2020 Sibylle Jazra (\*1973) combines fragments of culture and a biography of migration in powerful works. For the first time, this monograph brings together the overall context of her impressive work, which has been anchored from the very beginning in the examination of contemporary urgency. In various social contexts, Jazra combines common everyday objects and materials to create a personal narrative structure. She develops humorous and critical commentaries on the current social reality site-specifically and expansively, or as

multilayered individual works.

*The Favorite Sister* Jessica Knoll,2019-04-02 “Another irresistible thriller” (Entertainment Weekly) from Jessica Knoll—author of Luckiest Girl Alive—the New York Times bestselling story about two sisters whose lifelong rivalry combusts when they join the cast of a reality show—resulting in murder. Brett and Kelly have always toed the line between supportive sisters and bitter rivals. Brett grew up as the problem child, constantly in the shadow of the beautiful and brilliant Kelly—until Kelly tarnished her reputation by getting pregnant while in college and keeping the baby. Now Brett—tattooed, body-positive, engaged to a powerful female lawyer, and only twenty-seven—has skyrocketed to meteoric professional success through a philanthropic cycling business. Untethered by children of her own, she’s fueled by the bitter resentment of her youth. Brett’s become the fan favorite on a reality show featuring hyper-successful, beautiful, and hugely competitive entrepreneurial women—think Real Housewives meets Shark Tank. Goal Diggers’ success means Brett is the object of vitriol and jealousy among her cast mates. Meanwhile, Kelly, penniless and struggling to raise her daughter alone, finds herself crawling back to Brett to beg for a job. When Kelly is cast alongside Brett and her three shameless costars—Stephanie, Lauren, and Jen —shocking secrets come to light. And Brett and Kelly will do whatever it takes to keep the world, and their cast mates, in the dark. The show’s executives expect a season filled with the typical catfights and posturing that makes these shows catnip for the viewing public. But no one expects that the fourth season of Goal Diggers will end in murder... “Engrossing...Deliciously savage and wildly entertaining” (People, Book of the Week), *The Favorite Sister* is “a twisty, sexy thriller, jam-packed with wit and snark” (Glamour). This “binge-worthy beach read” (USA TODAY, 3 out of 4 stars) offers a scathing take on the oft-lionized bonds of sisterhood, and the relentless pressure to stay young, relevant, and salable.

**Glitter Girls and the Great Fake Out** Meg Cabot,2010 While trying to spare Erica's feelings so she could go to Brittany's birthday party, Allie disobeys one of her own rules and lies.

**This Is Where You Belong** Melody Warnick,2017-07-04 In the spirit of Gretchen Rubin’s megaseller *The Happiness Project* and Eric Weiner’s *The Geography of Bliss*, a journalist embarks on a project to discover what it takes to love where you live The average restless American will move 11.7 times in a lifetime. For Melody Warnick, it was move #6, from Austin, Texas, to Blacksburg, Virginia, that threatened to unhinge her. In the lonely aftermath of unpacking, she wondered: Aren’t we supposed to put down roots at some point? How does the place we live become the place we want to stay? This time, she had an epiphany. Rather than hold her breath and hope this new town would be her family’s perfect fit, she would figure out how to fall in love with it—no matter what. How we come to feel at home in our towns and cities is what Warnick sets out to discover in *This Is Where You Belong*. She dives into the body of research around place attachment—the deep sense of connection that binds some of us to our cities and increases our physical and emotional well-being—then travels to towns across America to see it in action. Inspired by a growing movement of placemaking, she examines what its practitioners are doing to create likeable locales. She also speaks with frequent movers and loyal stayers around the country to learn what draws highly mobile Americans to a new city, and what makes us stay. The best ideas she imports to her adopted hometown of Blacksburg for a series of Love Where You Live experiments designed to make her feel more locally connected. Dining with her neighbors. Shopping Small Business Saturday. Marching in the town Christmas parade. Can these efforts make a halfhearted resident happier? Will Blacksburg be the place she finally stays? What Warnick learns will inspire you to embrace your own community—and perhaps discover that the place where you live right now . . . is home.
