Too Close to Heaven Broughton, Viv, 1996

Homer Rodeheaver and the Rise of the Gospel Music Industry Kevin Mungons, Douglas Yeo, 2021-06-15 From tent revivals to radio and records with a gospel music innovator Homer Rodeheaver merged evangelical hymns and African American

spirituals with popular music to create a potent gospel style. Kevin Mungons and Douglas Yeo examine his enormous influence on gospel music against the backdrop of Christian music history and Rodeheaver's impact as a cultural and business figure.

Rodeheaver rose to fame as the trombone-playing song leader for evangelist Billy Sunday. As revivalism declined after World War I, Rodeheaver leveraged his place in America's newborn celebrity culture to start the first gospel record label and launch a nationwide radio program. His groundbreaking combination of hymnal publishing and recording technology helped define the early Christian music industry. In his later years, he influenced figures like Billy Graham and witnessed the music's split into southern gospel and black gospel. Clear-eyed and revealing, Homer Rodeheaver and the Rise of the Gospel Music Industry is an overdue consideration of a pioneering figure in American music.

Encyclopedia of Contemporary Christian Music Don Cusic, 2009-11-12 The first comprehensive overview of contemporary inspirational music, covering its historical roots and dramatic growth into one of America's most vital music genres. The Encyclopedia of Contemporary Christian Music: Pop, Rock, and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize. It fills a major gap in the literature on American music and Christian culture, looking at this increasingly popular genre in the context of the overall history of religious music in the United States. With over 200 entries, The Encyclopedia of Contemporary Christian Music covers important performers and industry figures, songs and albums, concerts and festivals, the rise of Christian radio and television, and other issues related to the growth of inspirational music. Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music with musicians such as Elvis, Sam Cooke, Johnny Cash, Bob Dylan, and U2. The work also examines the use of fundamental rock, pop, and rap

music templates in the service of songs of faith.

Saved by Song Don Cusic, 2012-09-25 *Saved by Song* returns to print with its sweeping overview of the history of gospel music. Powerful and incisive, the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church. In America, gospel music has been divided between white and black gospel. Within these divisions are further divisions: southern gospel, contemporary Christian music, spirituals, and hymns. Don Cusic has provided background and insight into the developments of all these rich facets of gospel music. From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys, to the camp meeting songs of the Kentucky Revival, the spirituals that came from the slave culture, and the hymns from the great revival after the Civil War, gospel music advanced through the nineteenth century. The twentieth century brought the technologies of recordings and the electronic media to gospel music. *Saved by Song* is ultimately the definitive and complete history of a uniquely American art form. It is a must for anyone interested in the musical and spiritual life of a nation.

How to Make Gospel Music Work for You Roy

Francis, 2021-09-28 'How to make Gospel Music work for you' is an informative and authoritative guide to gospel music in Britain today. In this engaging and readable book, Roy shows how the music, which began in the West Indian Churches started by the Windrush Generation in the 1950s and 60s, rose to become the gospel music we know and love in Britain today. Drawing on his many years' experience of working in gospel music, Roy uses his vast inside knowledge to share in a few easy steps how gospel artists can make an album, market and promote it, write the songs, get the music into churches, get it heard on radio and television and how by using social media, gospel artists can successfully grow and develop their music. Roy supports this assertion by offering a wide range of advice, no nonsense tips, and

suggestions, to help gospel artists who are trying to make a success of their music. This book is for you if: you are interested in the history of Gospel music and want to know more about it; you are starting out with your music and need help; you want to know how to succeed with your music; you want to know how the UK Gospel music scene works; and, you are already a Gospel music artist but is struggling with your music.

The Gospel According to Rev. Walt 'Baby' Love Walt Baby Love, 2007-02-01 For more than three decades, Walt Baby Love has touched the lives of more than ten million listeners across the world. Every week he shares his triumphs, challenges, and soul-stirring moments through his award-winning radio programs. He has built a following of millions of listeners and repeatedly shattered racial barriers as a black man in an industry long dominated by whites. Yet this former army paratrooper with the famed 82nd Airborne Division, who served in Southeast Asia, also broke ground as a man of disciplined, abiding faith who refused to bow to corrupt influences. His enormously popular syndicated rhythm-and-blues show lost its spot on a Chicago radio station because Walt would not refrain from counseling his listeners to look to Jesus. Though beloved by his devoted listeners, Walt was often treated as an outcast by other African-American broadcasters and industry executives because of his outspoken and steadfast devotion to the Christian way of life. Still, both earthly and heavenly rewards have come in great abundance to the man raised by his great-grandparents in rural Pennsylvania. In *The Gospel According to Rev. Walt Baby Love* he offers reflections and inspirational thoughts drawn from his life. He shares how his religious convictions helped him survive and thrive in an industry he believed to be rife with corruption and ungodly influences. And he recounts the story of his progression of faith from a player of

gospel and R&B music to an ordained minister and preacher of God's Word. Each chapter focuses on a Bible verse, reflecting on its significance to him and guiding you on how to incorporate its teachings into your own daily life. An uplifting story of faith, family, and forgiveness in the face of God's plan, *The Gospel According to Rev. Walt Baby Love* is inspirational reading at its best.

When Sunday Comes Claudrena N. Harold,2020-11-16 Gospel music evolved in often surprising directions during the post-Civil Rights era. Claudrena N. Harold's in-depth look at late-century gospel focuses on musicians like Yolanda Adams, Andraé Crouch, the Clark Sisters, Al Green, Take 6, and the Winans, and on the network of black record shops, churches, and businesses that nurtured the music. Harold details the creative shifts, sonic innovations, theological tensions, and political assertions that transformed the music, and revisits the debates within the community over groundbreaking recordings and gospel's incorporation of rhythm and blues, funk, hip-hop, and other popular forms. At the same time, she details how sociopolitical and cultural developments like the Black Power Movement and the emergence of the Christian Right shaped both the art and attitudes of African American performers. Weaving insightful analysis into a collective biography of gospel icons, *When Sunday Comes* explores the music's essential place as an outlet for African Americans to express their spiritual and cultural selves.

Born for This BeBe Winans,2019-10-15 BeBe Winans, six-time Grammy Award-winning singer and member of Gospel music's royal family, shares the candid and close-up journey of

pursuing his dreams while holding on to his faith. Benjamin BeBe Winans always knew he was born to be a Gospel singer. Growing up watching his four older brothers perform fueled his dream to be on stage, and as teenagers, he and his younger sister CeCe were offered the opportunity to move from Detroit to North Carolina and join the Praise the Lord Singers for The PTL Club, hosted by the eccentric Jim and Tammy Faye Bakker. Under the Bakkers' wings, BeBe and CeCe became the most popular televangelical stars in America and soon found themselves choosing between their family values and the temptations of fame and fortune. Like a conversation with a lifelong friend, BeBe invites readers and loyal fans alike to share in never-before-revealed details about life in the crossfires between church, Gospel music, and the mainstream recording industry. He shares personal stories about his mentor Andraé Crouch and close friend Whitney Houston, who both had a major impact on his life. As he reflects on the obstacles, the disappointments, the victories, the surprises, the racism, and the love he has encountered, he realizes that when we understand our value before God, we can participate in a daily glory and peace for which we were all born.

A City Called Heaven Robert M. Marovich, 2015-03-15 In *A City Called Heaven*, gospel announcer and music historian Robert Marovich shines a light on the humble origins of a majestic genre and its indispensable bond to the city where it found its voice: Chicago. Marovich follows gospel music from early hymns and camp meetings through the Great Migration that brought it to Chicago. In time, the music grew into the sanctified soundtrack of the city's mainline black Protestant churches. In addition to drawing on print media and ephemera, Marovich mines hours of interviews with nearly fifty artists, ministers, and historians--as well as discussions with relatives and friends of past gospel pioneers--to recover many forgotten singers, musicians, songwriters, and industry leaders. He also examines how a lack of economic opportunity bred an entrepreneurial spirit that fueled gospel music's rise to popularity and opened a gate to social mobility for a number of its practitioners. As Marovich shows, gospel music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. In the end, it proved to be a sound too mighty and too joyous for even church walls to hold.

Cleveland's Gospel Music Frederick Burton, 2012-09-18

Cleveland's Gospel Music documents the history of black gospel music from the 1920s through the 1980s. The gospel quartet groups, radio announcers, solo artists, and promoters established Cleveland as the gospel singers' metropolitan hub. An integral part of Cleveland's history and its rich African-American community, gospel singers didn't sing for money or fame, but sang to the glory of God, often beyond the point of exhaustion. This work is a celebration of the past praises of those who sang tirelessly for some 60 years.
