Tell Me Everything Minka Kelly, 2023-05-02 NEW YORK TIMES BESTSELLER “A timely, urgent portrait of working-class American women.” –Gabrielle Union In her highly anticipated memoir *Tell Me Everything*, Minka Kelly shares a story as powerful as it is page-turning. Fans know her as the spoiled, rich cheerleader Lyla Garrity on *Friday Night Lights* or as the affluent, mysterious Samantha on the HBO megahit *Euphoria*. But as revealed for the first time in these pages, Minka Kelly’s life has been anything but easy. Raised by a single mother who worked as a stripper and struggled with addiction, Minka spent years waking up in strange apartments as she and her mom bounced around the country, relying on friends and relatives to take them in. At times they even lived in storage units. She reconnected with her father, Aerosmith’s Rick Dufay, and eventually made her way to Los Angeles, where she landed the role of a lifetime on *Friday Night Lights*. Now an established actress and philanthropist, Minka takes this next step in her career as a writer. She has poured her soul into the pages of this book, which ultimately tells a story of triumph over adversity, and how resilience and love are all we have in the end.

Hearts of Cotton Uliana Domasheva, 2022-09-30 When a famous writer steals a manuscript from his daughter and tragically dies after the book is released,

Dasha, a young show business reporter from Vilnius, must make a decision that will define her future: to tell the truth about what the author did or hide it to protect his memory. Plagiarism scandal, the war for attention, drug abuse, love, greed, and ambition fuel the hunt for sensations of the young journalist and guide her in finding her own inner compass to navigate the uncertainty and find the way to happiness. If the books of Frederic Beigbeder and Michel Houellebecq were hard liquors, Hearts of Cotton would be a cocktail, where Gossip Girl meets The Ideal and Atomised, leaving you wondering whether all the challenges and struggles are there to remind the characters of their true calling, or perhaps all of us should sometimes recalibrate our inner compasses to reflect on our goals and dreams.

The Throwaways LS Hawker,2019-01-22 Four old friends. Three dead girls. Two prized brothers. One wild ride. George Engle has lived in the long shadow of

his superstar twin brothers since they died in a freak accident when he was thirteen. Now, in the spring of 1986, George and his childhood friends are living lives they never wanted. It's easy to sleepwalk through insignificance, until a second freak accident jolts them awake—only it's no accident. One night, George regains consciousness just in time to watch an unfamiliar house explode, and finds evidence of the crime he didn't commit planted on his back seat. He narrowly eludes what may or may not be police and subsequently learns the explosion was a cover-up for three baffling execution-style murders. George was supposed to take the fall, and now the killers are hunting him. George and his friends reunite to probe the mysterious deaths, a murderous drug cartel, and their own self-deception. But in the process, they'll discover they can trust no one and nothing—not even their own memories. Fans of THE DROWNING GAME will love meeting Dekker's Uncle Curt and George, the attorney he introduces Petty to, as young men in the 1980s.

You're the One Robin Kaye,2013-06-04 Award-winning author Robin Kaye proves that home is where the heart is, even for a bad boy from Red Hook, Brooklyn. Logan Blaise expected to be taking a quick break from his successful vineyard in Napa to visit his hometown of Brooklyn. But what he finds is a complete mess: His father is sicker than he'd imagined, and Logan is responsible for keeping the family restaurant running smoothly. When the chef quits, he's forced to hire the first person who applies for the job-Skye Maxwell, a beautiful enigma with great skills and gaps in her résumé. Skye is determined to make it on her own, without trading on her famous family name. Working in the community of Red Hook offers the perfect opportunity to stay out of the limelight while pursuing her dreams. At first glance, charismatic Logan seems exactly like all the shallow men she knew back home. But as she notices his small-town roots and strong family ties, the Brooklyn bad boy and his restaurant start to feel exactly like where she really belongs....

French, Elizabeth R. Alix, Joyce Reynolds-Ward, William Graves, Olivia Baxter Hudson, Sanan Kolva, Frog and Esther Jones, Madison Keller, Deby Fredericks, Thomas Gondolfi, G.R. Theron, Kaye Thornbrugh, Voss Foster, Bethany Loy, Manny Frishberg, Ryan Riddell, 2018-11-10 In the throes of a convention full of geeks, Frog Jones told a story. That story is found in this book's foreword, but the key line from the story became the title of this anthology. The authors seized upon that line, much like an out-of-control bovine seizing its own halter, and stampeded into the volume you see before you. This is not just a comedy anthology. Nor is it horror, or romance, or literary, or...well, any one thing. Rather, it is all those things. Each story starts exactly in the same place. But each author immediately leaps from there into their own world. This anthology celebrates the creativity of these authors, because it does not shackle them to a theme. The starting line is the same—the finish line is on other planets, in other times, and in alternate realities. You're not going to feel cohesiveness reading this thing. It's not going to be several stories hitting the same note. But you are going to experience a wider panoply of stories than you would in other anthologies. And as to what you make of them, or what stories they may inspire in you? Well...that's your cow.

Unplugged Lois Greiman, 2006 In this sassy, sexy mystery from the author of *Unzipped*, cocktail waitress-turned-shrink Christina McMullen will go to any lengths to help a friend—even if it means ending up in the middle of a messy police investigation. Original.

True Indigo Stephanie Alexander, 2023-09-19 "Five Stars...The fourth and final installment of the Topsy Collins series...beautifully wraps up the characters' journeys with a blend of paranormal intrigue and life lessons..." -Readers' Favorite Things have been going great for Topsy Collins, the Lowcountry's favorite clairvoyant artistic genius. Her kids are happy and healthy, she's producing and selling her celebrated paintings, and she's engaged to the love of her life, psychiatrist Scott Brandt. Everyone in Topsy's life seems content, except Henry Mott, her mercurial supernatural roommate and wannabe literary virtuoso. Henry has been brooding for over a century, but lately, his discontent has gone into overdrive. His famous temper is out of control and he can't write a single sentence. Henry's malaise and its accompanying destruction threaten to complicate Topsy and Scott's family blending while her ex-husband haplessly navigates a second marriage crisis. As Henry slowly loses his mind, a series of unexplainable events has Topsy combing through ghostly memories, meeting new friends and reuniting with old ones, exploring and testing the supernatural limits, and, as always, learning some priceless life lessons. *True Indigo* is the highly anticipated fourth and final installment in the award-winning Topsy Collins Series.
