City of Thieves (Battle Dragons #1) Alex London,2021-09-21 In a modern mega-city built around dragons, one boy gets caught up in the world of underground dragon battles and a high-stakes gang war that could tear his family apart. Once, dragons nearly drove themselves to extinction. But in the city of Drakopolis, humans domesticated them centuries ago. Now dragons haul the city's cargo, taxi its bustling people between skyscrapers, and advertise its wares in bright, neon displays. Most famously of all, the dragons battle. Different breeds take to the skies in nighttime bouts between the infamous kins—criminal gangs who rule through violence and intimidation. Abel has always loved dragons, but after a disastrous showing in his dragon rider's exam, he's destined never to fly one himself. All that changes the night his sister appears at his window, entrusting him with a secret...and a stolen dragon. Turns out, his big sister is a dragon thief! Too bad his older brother is a rising star in Drakopolis law enforcement... To protect his friends and his family, Abel must partner with the stolen beast, riding in kin battles and keeping more secrets than a dragon has scales. When everyone wants him fighting on their side, can Abel figure out what's worth fighting for?

The Wisdom of Crowds Joe Abercrombie,2021-09-14 The New York Times bestselling finale to the Age of Madness trilogy finds the world in an unstoppable revolution where heroes have nothing left to lose as darkness and destruction overtake everything. Chaos. Fury. Destruction. The Great Change is upon us . . . Some say that to change the world you must first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . . No one writes with the seismic scope or primal intensity of Joe Abercrombie. —Pierce Brown For more from Joe Abercrombie, check out: The Age of Madness A Little Hatred The Trouble With Peace The Wisdom of Crowds The First

Flight of the Last Dragon Robert Burleigh, 2012-10-11 What if there was but one dragon left in the world? What if dragons were more than just imaginary creatures? Dragon Weather Lawrence Watt-Evans, 2020-12-12 The dragons only emerged from their deep caverns when the weather was right, with thick clouds and sweltering heat. It was on such a day that Arlian's home village was destroyed, his family and friends slaughtered. He survived, though, and swore vengeance on the dragons, and on the looters and slavers who had captured him in the ruins. But no one had ever slain a dragon; how could a mere slave hope to do so?

The Eagle and the Dragon Chris Duffin, 2019-07-09 The world may know Chris Duffin as 'The Mad Scientist of Strength,' but you wouldn't have ever guessed that if you saw the scrawny kid skinning rattlesnakes and chasing dragonflies in the early '80s. Feeding the Dragon Chris Fenton, 2020-07-28 "Paced like a thriller, with comparable doses of international intrigue and conflict, Chris Fenton's bracingly candid business memoir *Feeding the Dragon* takes readers deep behind the scenes of Hollywood's shaky foothold in China. Dealing at the highest levels with Chinese government officials and major American brands like Disney, Marvel, and the NBA, the former Olive Garden waiter-turned-entertainment-industry-power-broker disarmed and defied authorities on both sides of the superpower divide to make billions—and history. Thanks to a brisk, page-turning storytelling style and an evenhanded, insider-level perspective decades in the making, *Feeding the Dragon* manages to be both timeless and timely. Captivating details on Robert Downey Jr., LeBron James, Kurt Cobain, Michael Phelps, and Marvel Universe creative mastermind Kevin Feige (among others) will enthrall average fans and aspiring moguls alike. But the beating narrative heart remains Fenton's down-to-earth recounting of a headline-making journey. Ultimately, the intrepid exec builds a compelling case for the power of "cultural diplomacy": mutually-

beneficial, soft power-sharing exchanges as a better way forward than the hardliner battle lines being drawn across Beijing, Washington, and Los Angeles. Teeming with urgent insights about unlikely alliances and dangerous misperceptions, *Feeding the Dragon* is a must-read for anyone interested in the future of the US-China relationship and the bottom-line realities of show business and professional sports today. Even better, it's a supremely entertaining ride for anyone who simply loves a great story.... Chris often told me about projects and plans off-the-record that I wouldn't have reported on anyway, because they all seemed wildly improbable. Every single one came true. And now they're all down on the page." —Jamie Bryan, Fast Company contributor

Memory Jars Vera Brosgol, 2021-05-25 A young girl finds a clever way to keep her favorite things--and people--close to her forever in *Memory Jars*, from Caldecott Honoree Vera Brosgol. Freda is devastated when she can't eat all the delicious blueberries she's picked. She has to wait a whole year before they're back, and she doesn't want to lose them! Then Gran reminds her that they can save blueberries in a jar, as jam. So Freda begins to save all her favorite things. But it turns out that saving everything also means she can't enjoy anything, and Freda realizes that some things are best saved as memories.
