ham radio station log is like a personal radio history reminding you of the people and places you've talked to, the nets you participated in and contests you worked. This is exactly a must have for an amateur radio station. We have designed our log book to be: **PERSONAL**. A Radio Station Log Book allows you to write and fill in appropriate details in a radio station such as, date, time on, frequency, mode, power, station, worked, time off, signal sent, reports, remarks and other notes etc. An excellent manual logbook that meets all the basis for listing down contacts and details. **CONVENIENT**. There is something about looking back over a handwritten log that is superior to any electronic record. Paper logging is simple, cheap, non-volatile and requires minimal brain overhead when operating. This log book will not require any batteries, no password needed and you won't have to log in. It is made convenient and organized for you to write in easily. **A STURDY NOTEBOOK**. Paper logbooks will remain readable for decades. From the cover, bindings, and papers used to create this notebook, all are of good quality material. This is a reliable radio station log notebook to use and won't crumple easily. A great keepsake to use and to track information in the future. **WELL-CUSTOMIZED INTERIOR**. We used thick papers for your best writing experience and to avoid ink bleed-through. It has good construction, laid out well and has print that is efficient for filling in. **PERFECT SIZE**. With its 21.59 x 27.94 cm (8.5 x 11) dimensions, it's an insightful large notebook that lies flat when using it. **COOL COVERS**. You'll be amused with its fun and sturdy cover. See our collections of notebooks and be inspired of its creative design. We stand for quality and want you to

have the best writing experience with our notebook. Get this great Ham Radio Station Log Book that you can use and track records in your radio station. Grab a copy now!
