Civilian Warriors Erik Prince, 2014-10-28 The founder of Blackwater offers the gripping true story of the world's most controversial military contractor. In 1997, former Navy SEAL Erik Prince started a business that would recruit civilians for the riskiest security jobs in the world. As Blackwater's reputation grew, demand for its services escalated, and its men eventually completed nearly 100,000 missions for both the Bush and Obama administrations. It was a huge success except for one problem: Blackwater was demonized around the world. Its employees were smeared as mercenaries, profiteers, or worse. And because of the secrecy requirements of its contracts with the Pentagon, the State Department, and the CIA, Prince was unable to correct false information. But now he's finally able to tell the full story about some of the biggest controversies of the War on Terror, in a memoir that reads like a thriller.

**Touch the Top of the World** Erik Weihenmayer, 2002-03-26 The incredible bestselling book from the author of *No Barriers* and *The Adversity Advantage* Erik Weihenmayer was born with retinoscheses, a degenerative eye disorder that would leave him blind by the age of thirteen. But Erik was determined to rise above this devastating disability and lead a fulfilling and exciting life. In this poignant and inspiring memoir, he shares his struggle to push past the limits imposed on him by his visual impairment-and by a seeing world. He speaks movingly of the role his family played in his battle to break through the barriers of blindness: the mother who prayed for the miracle that would restore her son's sight and the father who encouraged him to strive for that distant mountaintop. And he tells the story of his dream to climb the world's Seven Summits, and how he is turning that dream into astonishing reality (something fewer than a hundred mountaineers have done). From the snow-capped summit of McKinley to the towering peaks of Aconcagua and Kilimanjaro to the ultimate challenge, Mount Everest, this is a story about daring to dream in the face of impossible odds. It is about finding the courage to reach for that ultimate summit, and transforming your life into something truly miraculous. An inspiration to other blind people and plenty of us folks who can see just fine.—Jon Krakauer, New York Times bestselling author of *Into Thin Air*

Is the King of Bhutan a visionary for his initiative to calculate Gross National Happiness? Why is Asheville, North Carolina so damn happy? In a unique mix of travel, psychology, science and humor, Eric Weiner answers those
