Immortal Hearts of San Francisco Vol. 2 Books 4–6 Susan Griscom,2023-11-08 Books 4-6 of the Immortal Hearts of San Francisco Possessed by a Vampire They possess the power to make their dreams come true—but it won't be easy when one night of passion opens the door for a century of secrets to be revealed. Lily and Preston must fight for not only what they believe in but also what they love. Protected by a Vampire Acelynn Baird finds Gage McAllister, the oldest vampire in The Lost Boys Rock Band, intriguing yet dangerous and knows she should stay clear of him. She senses something powerful about him, and even though she has dabbled in witchcraft, she's not sure she's ready to discover the secrets that lurk under the cover of darkness. Except, fate keeps shoving them together, and that old attraction she had for him when she was just a kid only grows stronger with each encounter. Can a love like theirs withstand the ravages of time with a past that haunts, a steamy desire that fuels the burn, and a passion like no other sizzles through their veins? Bewitched by a Vampire Five years ago, Maggie and Vanessa received a psychic reading from the mysterious Madame Fontaine. And now the reckoning has come! Vanessa is happy with her life just the way it is. Loving and living with Lane as a vampire is the best thing that has ever happened to her, and she would never want to do anything to change it. But when her best friend asks her to perform a spell that backfires, she must decide whether she wants to accept the consequences, which could change everything. Will all the prophecies foretold by the mysterious medium from Tempted by a Vampire finally come true? Will they be able to manage what the future has in store for them, or will it end up tearing their love apart?

Memories from the Heart Francie Rossi,2013-11-08 *Memories from the Heart: Family, Love, and Survival* presents an inspiring collection of memories recalling author Francie Rossi's life from birth to age seventeen. She describes her medical challenges in "Helen Keller and I," considering her role as the eleventh of twelve children in her large, loving family. "Sent Away to Las Vegas" shares unique personal stories in which faith, family, and love always prevail. "My Last Clothing Embarrassment" and "Fifteen/40" explores financial struggles, yet inspire humor and tenacity. "Dinner at My Friend's House" and "Family Night" compare the calamity of a smaller family living in a larger house to Francie's situation—a large family's love and laughter contained in a small house. Rossi alludes to an athletic adolescent with an eating disorder, and provides personal tips in a trio of stories, while "A Whole New World" expresses the strong connection between her and her mother. Finally, "My Diagnosis" reverberates like a sentence after a guilty verdict. Rossi's memories in this collection are vibrant; sprinkled with a dash of humor as she displays persistence and continues to live a life most people can only imagine in a large, boisterous family.
