*Hawaii* Rodney N. Smith, 1995 A practical guide to the most scenic walks on the major Hawaiian islands of Maui, Molokai, Lanai, Hawaii, Kauai and Oahu. Walks range from easy strolls of a few hours to multi-day excursions where blankets and sleeping bags are de rigueur. Waikiki, the Koolaus, Honolulu, Lahaina, the Seven Pools of Kipahulu, Kaanapali, Iao Valley State Park, Waimea Canyon, Kalalau Valley, the Na Pali Cliffs, Kalaupapa, Kaiholena Gulch, Waipop Valley, and Kilauea all have designated trails covered here. Descriptive text gives you a feel for the area, whether its downtown Honolulu or the lush green slopes of Iao Needle on Kauai. Each hike is graded for its difficulty from family to strenuous, although most are suitable for the entire family. A thoughtful interior design allows you to see the trail's rating, mileage and any permit requirements at a glance. This one's not for either the ultra-lazy pool potatoes or [those who] need step-by-step direction many pro-hiker guides provide. But if you'd like folksy-friendly insider tips to accessible Hawaiian adventures for the whole family, here's your guide.

*I Promise Not To Suffer* Gail Storey,2013-03-14 Witty, wise, and full of heart, Gail Storey's winning memoir of her hike on the Pacific Crest Trail at the age of fifty-six is a book for every one who ever dreamed of taking the road less traveled. *I Promise Not to Suffer* is as inspiring as it is hilarious, as poignant as it is smart. It's one of those oh-please-don't-let-it-end books. I'd carry it in my backpack anywhere."—Cheryl Strayed, author

of Wild [CLICK HERE](#) to download the first 50 pages from *I Promise Not To Suffer* (Provide us with a little information and we'll send your download directly to your inbox) With comfortable urban lives in Houston, Texas, and career and life goals mostly accomplished, Gail D. Storey and her husband were in their fifties when they decided it was time to test themselves on a new path—a 2,663-mile path known as the Pacific Crest Trail, which stretches from Mexico to Canada. *I Promise Not to Suffer* is Gail's light-hearted yet heart-felt memoir about her and her husband's adventures and misadventures, deepening marriage, and reflections on being irrevocably changed by life on the trail. She was a novice hiker, while he was an experienced outdoorsman. Removed from their usual routines and living outside in the wilderness for months exposed hidden intricacies in their relationship. Hiking 20 miles a day over mountains, thirsting in the high desert of California, forcing frozen feet into icy socks and boots each morning in the High Sierra, stumbling through lava fields in Oregon—Gail was required to meet the elements on their own tough-love terms. From an encounter with a mountain lion to her mother's battle with cancer at home, she confronts each challenge with wit and brave style. While a dangerous loss of weight forces Gail to leave the PCT after 900 miles, she regains strength and later rejoins her husband on sections until he triumphantly reaches the northern terminus in Canada. Humorous yet honest, this journey of harrowing hilarity and reluctant revelations will be loved by active hikers (appendices include details of

their unique ultralight gear and other essential how-to information), fans of female adventure stories, and armchair travelers alike. Want to know more about author Gail Storey? Head to her website today. Praise for *I Promise Not To Suffer*: “At times wrenching memoir, at times hilarious, *I Promise Not to Suffer* pulls no punches and has a wicked sense of fun. Storey reminds me again of what is possible with a big imagination, a dose of scrappy courage, and a lot of love.” --Peter Heller, author of *The Dog Stars* and *Kook* “Some have called Gail Storey the Nora Ephron of the wilderness. With her own unique wit, Storey shares Ephron’s commitment to creating and tending a long, nourishing marriage. *I Promise Not to Suffer* is a portrait of a union that does not fray or break under pressure but is forged, toughened, and tenderized.” --Sara Davidson, author of *Leap!*, *Loose Change*, and *The December Project* “Of the many books that I have read about hiking the Pacific Crest Trail, none have captured the trail experience from so many different perspectives. Single hikers, couples, and those who stay behind will all enjoy Gail Storey’s account of the challenges, the beauty, and the PCT community found along the way.” --Liz Bergeron, Executive Director and CEO, Pacific Crest Trail Association Winner of the Nautilus Awards 2014 Better Books for a Better World Silver Award! Winner of the Colorado Books Awards 2014 in the Memoir category!

Complete Hiking & Backpacking Guide Robbie J. Jones, 2016-11-17 Complete Hiking & Backpacking Guide Best Hiking Gears A to Z 86 World's Longest, Toughest, Most Scenic and Unique Trails I was diagnosed with high blood pressure, borderline diabetes, obesity and being overweight. I lived a busy life, and I didn't have a lot of money. Taking the time to follow a strict diet and exercise routine or paying out a lot of money for a gym membership or personal training was out of the question. At first, I tried training for a marathon as my younger brother Bobby was a cross country marathon runner.

But after the second day with him, I realized, my body was not fit for marathon practice. Bobby's coach then told me about hiking, and since he was an avid hiker himself, he took me on two hiking trips, and I was hooked. That was 12 years ago. Fast forward to the present, I now am an experienced long distance hiker, I traveled and hiked in over 17 countries. I no longer have diabetes or high blood pressure. I am also a certified hiking coach for people with diabetes, high blood pressure, and obesity. I teach and promote family hiking where a family with kids of any ages can go for a hike as a mini camping trip and have a fun time. I wrote this Complete Hiking and Backpacking Guide book for people who are looking to get into shape while enjoying their time outdoor especially with their family and kids. Think of hiking as a mini camping trip where you get to enjoy the beautiful nature while getting into shape and spend quality time with your family. In this book, I start with the very basics of hiking backpacking and go into what Hiking Gears and camping supplies you need and why you need them. I teach you how you can get started slowly, and then work your way up to the advanced hiking phase where you will be able to take longer hiking trips. I teach you how to deal with many emergencies along the trails, how to choose the perfect trail and navigate yourself around, how and what to pack for various hiking trips, how to hike with family and pets. I also share many Do's and Don'ts along with some of the greatest hiking trails in the USA and around the world. 86 World's Longest, Toughest, Most Scenic and Unique Hiking Trails 10

Top Hiking Trails in the USA 10 Top Hiking Trails in Canada 10 Top Hikes in Europe 10 Top Hikes in the Great Britain 10 Top Islands of the World for Hiking 5 Top Winter Hiking Destinations in the U.S. 8 Most Unique Hiking Trails of the World 13 Longest Hiking Trails of the World 10 Most Difficult Trails of the World Feel free to look through the Table of Content area so you can see the details of what I cover in this book, this way you will have a glimpse before you actually buy the book. I know there are many books out there about hiking, but I know mine will stand out as this is the only book where I teach you everything from my own personal experience and not what I learned from other books. Let's get started to a brighter and better tomorrow and a new beginning to a happier and healthier life. Good luck!

Families on Foot Jennifer Pharr Davis, Brew Davis, 2017-03-01 Families on Foot is an interactive guide for families to help motivate children to enjoy hiking and walking in nature. The progressive book would outline basic steps to help families with kids grow from beginner to intermediate hikers and to cultivate a love and enthusiasm for the outdoors. (Going beyond this to "advanced hiker" is beyond the scope of this book and the need for families.) Elements include a basic checklist of gear and safety needs, simple exercises for the whole family to prep for getting out on the trail, real life stories (perhaps crowdsourced from the AHS community), and ideas and activities for making the experience fun for kids of all ages. Chock full of aspirational

color photography featuring diverse people and kids, the book is also practical in nature, offering information on gear checklists and how to use GPS, read a map, and predict weather before going out on the trail. It would feature experiences in everything from neighborhood parks to secluded trails. Additionally, the book reflects the hallmarks of the American Hiking Society, with whom we would work to make this book a success.
