Hidden Mysteries Osho,1997-01-01 Extemporaneous talks given by the author in Mumbai, India.

*History of Hidden Mysteries* Faith V. Langaigne - Jessamy,2017-05-25 History Of Hidden Mysteries & Other Stories gives definitive expression to many of Faith's key themes: the sadness of untimely death; the hidden secretes of man's nature that destroyed families; the innocent loss of young lives and the joys of doing good. Her first collection of short stories charts unexplained incidents and draws inspirations from the authors vision on the hidden mysteries, activities, events and everyday happenings that are interrupting and changing people's lives. For she knew that the spirits of this world contain dark mysteries that can never be understood or uncovered by slothful hypothesis.

**Hidden Mysteries** Joshua David Stone,1996-12-12 The Essenes, the Kahunas of Hawaii, Pan and the nature kingdom, the angelic kingdom, the Vedas and Upanishads, the Kabbalah, the Yoga sutras of Patanjali, the Egyptian mysteries, and The Keys of Enoch: These profound spiritual teachings, unknown to so many on our planet, are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension. This book contains a wealth of information on esoteric teachings, from the ancient mystery schools to the recently founded religions. More than a mere retelling of well-known facts, the story begins with what may be the most elusive knowledge of our time —that of the extraterrestrial presence on Earth.

**Hidden Mysteries** Aleena Chaudhary,2013-07-17 Each separate story in this book has its own lesson. Some stories are filled with mystery and some are humorous while some are tragic but all of them end with a lesson and a happily-ever-after kind of thing! All of the stories in this book are fiction and they include talking animals and also real people.

Hidden Mysteries Sandra Olson,2018-02-12 James Ford and his wife Lacey buy an old farmhouse near Bentonville, Arkansas, to fulfill a wish for their ten year-old daughter, Lily. But when they uncover two bodies in the abandoned root cellar, the mystery of who died there haunts them until the sad history of the two bodies is reveled when Lacey searches for answers. Although this is not a historical novel, the Trail of Tears was an actual historical event.

**The Hidden Mysteries** Deaconess Augustina Omosigho,Patience Oiku,2024-03-22 The creation of the world which consist of humans, the universe which comprises of all the existing matter and space as a whole is still a mystery which mankind has not been able to give a concrete answer to. Simply put a mystery is best described as something that is difficult or impossible to understand or explain. It can also be looked at as something beyond the comprehension of man. The Bible tells us that the mystery of God is Jesus Christ now revealed in us: Colossians 2:-3 KJV: “ In whom are hid all the treasures of wisdom and knowledge. From the perspective of the Bible a mystery is something that was hidden at one time but has been made known to the children of God. Unravelling the mystery of God is something that is beyond the comprehension of man. It is mind blowing and explosive for man to want to unravel it by their own human understanding, knowledge, or intelligence. This can only be achieved through the help of the Holy Spirit. That is why when Jesus was talking to his disciples about his impending crucifixion and resurrection in John 16 verse 13 & 14 “Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine and shall shew it unto you. So this book The Hidden Mystery focus on what aspect of God’s word could be termed as mysteries:- The mystery of conception and birth both physical and spiritual: The mystery of Faith: The mystery of marriage: The mystery of the Word: The mystery of Prayer: the Mystery of Life; The mystery of the cross etc. When it comes to the mysteries of God and the truth surrounding the creation of mankind, there is a constant battle going on in man’s mind. The raging battle is centered around “belief and unbelief” Such battles can only be won by submitting totally to the will of God.

**Cosmic Ascension** Joshua David Stone,1998-02-01 Almost all the books on the planet on the subject of ascension are written about planetary ascension. However, because of the extraordinary times in which we now live, in terms of Earth's history, there is a new opening and potentiality to also begin one's cosmic ascension process. This has never before been available. It must be understood, as Vywamus has said, that in completing our planetary ascension, we are no more than one-tenth of the way up a ten-inch ruler in terms of our cosmic ascension process. This includes most of the ascended masters. We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead, or Father-Mother God, at the top of creation. Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation. This is not a criticism, just a statement of fact. The question is, What lies beyond the next nine-tenths of the ruler, and how do we achieve our cosmic ascension as well as our planetary ascension (which is no small feature in and of itself)? Is it for the purpose that the author was guided to write his book.

He never expected a young student librarian could be the key to unlock its secrets, nor could he have predicted the danger she would attract. BARA –The hidden mystery of Genesis 1. Book I Metanoia,2023-11-19 Bara Cohen grew up in a non-practicing Jewish home, was a child prodigy with an unusual love of plants, but now, at the age of twenty-one, is the youngest professor of physics at Yale University in America, and a bordering atheist. And yet, Bara wanted to believe that there is more to life than mere scientific facts. Facts, he knew, which often must be adjusted as new discoveries are made. At the age of fourteen Bara had an unexpected vision which made him fear for his sanity, but rather resulted in a change of studies, from botany to physics. A call from Michael, an older friend who used to study botany with him, led to them going to Israel, where, in a most unusual manner, Bara came across a treasure buried in the side of a riverbank. It was an ancient ring with an inscription in an archaic form of the already archaic Paleo-Hebrew on the inside. This ring with its unusual inscription would put Bara on an exhilarating journey discovering the amazing hidden mystery of the Story of Creation in Bereisheet of the Jewish Torah, or Genesis 1 in the Christian Holy Bible. Thanks to the ring Bara found, he, together with Doctor Abdiel Ben-Ezra, a Messianic-Jew, and head of Archaeology at Jerusalem Museum, and later joined by Shesh Yamim, a student of Doctor Ben-Ezra, found a completely new way of looking at the Story of Creation, which left them breathtakingly stunned right from the start. Bara's name means "he (meaning the masculine God) created, or creating," and Bara ended up where you never thought he'd be...! Metanoia was born in 1959 in a hospital in Lichtenburg, South Africa, even though her parents stayed in a small town, Sannieshof, not far from Lichtenburg. In 1994 she pleaded with God in tears to please teach her the Truth after serious errors in the Bible came to her attention and unbelievable as it may sound, God did teach her the Truth over a period of many years. Only at the end of 2022 did He open the door for this Truth to be made public. She has three children and now stays with her fourth husband in Zeerust, South Africa.
