Hijab Style by Hijabers Community Hijabers Community,2012-05-01 Kreasi Hijabers Community dalam buku ini dibuat dengan cinta. Karya-karya yang mengalir dari kedalaman jiwa yang sarat kasih, mengejawantah dalam helai-helai keindahan yang menambah rona ceria persada. Salut dari lubuk hati untuk para pegiat Hijabers Community. Selamat untuk kekayaan cinta nan senantiasa berseri, layaknya bidadari. Barakallahu fiikunna. Sri Rahayu Purwitaningsih - Istri Menkominfo Tifatul Sembiring

Saya mengenal komunitas Hijabers Community (HC) sekitar awal 2011. HC adalah sebuah kumpulan para wanita muslimah yang cerdas, fashionable, kreatif, dan berprestasi. Datang dari latar belakang penuh warna, namun mereka disatukan oleh sebuah semangat dakwah yang sangat indah, yaitu mengajak para wanita untuk menutup auratnya. Dulu hijab identik dengan orang tua, jadul, dan ketinggalan zaman. Tapi HC membuktikan bahwa semua anggapan itu salah karena dengan hijab

justru mereka terlihat cantik dan fashionable namun tetap syar'i. Maju terus HC, you have my support!

around their heads. It has become part of their elegant styles. Most girls and women have become veiled and their attention to hijab is equal to or exceeds attention to their hair. Hijab has replaced visits to the hairdresser and consequently replaced searching for a new hair style or color.

The Islamic Veil Elizabeth M. Bucar,2012-09-01 Banned in public institutions in France and Turkey, mandatory in Saudi Arabia and Iran, no other item of clothing incites such furious reactions. The Islamic veil – a catch-all term that encompasses everything from a simple headscarf to the all-

covering burqa – has, over the past decade, become a heated battleground for debates on everything from women’s rights to multiculturalism. Elizabeth Bucar goes beyond the simplistic question of whether the veil is “good” or “bad” to ask instead why it has become so politically symbolic. Cutting through the condescension and fear that typify the debate, she reveals the huge diversity of women’s experiences of veiling. Her illuminating global perspective takes in everything from the new veiling movement among the Egyptian middle class to hijab fashion in Indonesia. It will be invaluable to anyone looking to understand the veil beyond its status as shorthand for Islamic fundamentalism and female oppression.

Hijablicious Al-Khansa Shalihah, 2014-05-01 Berhijab bukanlah alasan untuk tidak berprestasi. Inilah yang dibuktikan oleh para finalis The World Muslimah Beauty, bahwa hijab justru semakin mendekatkan mereka pada pencapaian hidup; membuat mereka lebih dikenal di kalangan masyarakat luas. Buku ini bukan sekadar berbagi kisah para Muslimah dalam menjalani hidupnya, baik sebelum dan setelah berhijab. Lebih dari itu, buku ini ingin mengajak kepada para Muslimah bahwa menjadi

wanita berhijab, tetap bisa smart, shaleha, dan stylish. Hijab adalah pakaian ketakwaan yang kelihatannya tertutup secara kasatmata, tapi justru menjadi jembatan pembuka berbagai kiprah yang paripurna, di dunia maupun di akhirat. So, bagaimana dengamu? Are you one of hijablicious? [Mizan, Mizania, Islam, Hijab, Tutorial, Inspirasi, Muda, Gaul, Muslimah, Indonesia]

Modest Fashion Reina Lewis, 2013-05-30 Increasing numbers of women are engaging in the development and discussion of modest dressing; a movement matched by a growing media and popular demand for intelligent commentary about the topic. Modest Fashion sets out to meet that need. As a trend, modest dressing is spreading across the world, yet it is rarely viewed as 'fashion'. Studying consumers and producers, retailers and bloggers, Modest Fashion provides an up to the

minute account of the art of dressing modestly - and fashionably. Leading scholars in the area, along with journalists, fashion designers, entrepreneurs and bloggers discuss the emergence of a niche market for modest fashion among and between Jewish, Christian and Muslim faith groups as well as secular dressers. Crossing creeds and cultures, analysing commentary alongside commerce, the book probes the personal and the political as well as religious, aesthetic and economic implications of contemporary dress practices and the debates that surround them.
