**Encyclopedia of New Year's Holidays Worldwide** William D. Crump, 2014-04-25 Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.

The Book of the Year Anthony F. Aveni, 2004-04-22 Halloween, Valentine's Day, Christmas, Thanksgiving, New Year's Day - these are but a handful of modern holidays descended from the red-letter days, seasonal celebrations we have invented and reinvented over more than five millennia to meet our changing human needs. When we explore their origins, the holidays begin to reflect not only who we are but also why, through oppressed by time and thwarted by the forces of nature, we never seem to lose the will to control the future.

*A Child's Calendar (20th Anniversary Edition)* John Updike, 2019-01-15 Newly available in hardcover, this 20th anniversary edition of a Caldecott Honor classic combines the star power of John Updike and Trina Schart Hyman. Celebrate the little moments that make each month special in this beautiful picture book featuring twelve poems about a family and the turn of the seasons. From the short, frozen days of January, through the light of summer, to the first snowflakes of December, Updike's poems rejoice in the familiar, wondrous qualities that make each part of the year unique. Hyman's award-winning paintings--modeled after her own daughter, son-in-law and grandchildren--depict an interracial family going about the business of their lives throughout the year: sledding in January, watching fireworks in July, and playing in the autumn leaves. Bold and colorful, they're filled with the intricate detail for which her art is famous-- including cameo appearances by the artist and her partner, Jean Aull. Featuring a redesigned cover, the 20th Anniversary Edition of this inclusive Caldecott Honor book is a beautiful read-aloud to treasure throughout the year, with family and friends.
