**They Smell Like Sheep, Volume 2** Lynn Anderson,2008-06-30 Above all else, guard your heart, for it is the wellspring of life. -- Proverbs 4:23 They Smell like Sheep, Volume 2: Leading with the Heart of a Shepherd is about more than gimmicks and techniques of leadership. It speaks to the character and heart of the leader. After all, heart makes the difference in an effective Sunday-school teacher, youth minister, elder, small-group leader, parent, grandparent, or Christian school teacher. Spiritual sheep, stray sheep, and searching sheep aren't nearly as concerned about the knowledge and skill of the shepherd as they are about his heart. When finding their way -- at weddings, at funerals, during family crises, and in the hospital -- sheep go to a shepherd in whom they discern God's own heart, like King David of old. Jesus said sheep would know their shepherd's voice and be drawn to it. It is the heart behind the voice that soothes and comforts God's people. How do you measure the influence of a godly shepherd? Without doubt, it's the heart of the shepherd that most powerfully shapes lives and souls in our flocks. If you want your own heart shaped and molded into the likeness of Christ, this book is an excellent place to begin. Be shepherds of God's flock under your care... as God wants you to be. Heeding the call to be a leader is an awesome responsibility. Whether you have been called to serve as a minister or you're teaching an adult Bible study group or you're a teen leading the youth group in song, most assuredly from time to time you question your abilities and look for support and example. Author Lynn Anderson addresses the starting and ending place of true leadership among God's people: the heart of a shepherd. He presents Jesus, the Head Shepherd, as our only reliable model of godly leadership; he guides us through the Scriptures and gives us practical exercises to strengthen our hearts as we do the difficult yet rewarding work of shepherding people of God with love and grace. Enter the book's pages with the confidence that you are being led by someone who has the heart of a shepherd and who sees himself first as a smelly sheep, dearly loved and led by the Good Shepherd. And when the Chief Shepherd appears, you will receive the crown of glory. -- 1 Peter 5:4

**The Bleating of the Sheep and Other Essays** Carol H. Demong,2008-09 Christians willing to look with honest eyes at challenges we face as believers in corporate church life today will find an advocate here. We are faithful people attending Bible-believing churches, yet there is a disconnect between wanting to please the Lord and achieving full stature in the body of Christ through the church. Excellent intentions fail to materialize into spiritual development. Our efforts sputter into lackluster Christian experiences, a far cry from the abundant life we were promised. Doing more or trying harder to reach goals is not the answer. Goals must be re-examined in light of scripture. Confounding bigger with better, casting a blind eye to the schism between Evangelicals and Pentecostals, settling for less, tolerating toxic doctrines that misrepresent the heart of God to the people, subsisting on spiritual junk food -- whatever erosion and error we permit will define the ultimate quality of our lives in Christ. Carol Demong (as Carol Nelson) has published a young adult Christian novel through David C. Cook, and has published numerous articles when she worked as a staff writer for Bridge Magazine, an Oregon-based Christian periodical. She has an M.A. in English literature and curriculum, and has taught writing and literary analysis in a variety of contexts. Since her recent retirement from the University of California at San Diego, she has begun writing full-time. In addition to the essays presented here and the articles and novel mentioned above, she has written Bible curriculum for women's studies, as well as short stories, poetry and other essays. She is a member of the San Diego Christian Writer's Guild. She lives with her husband and grandson in the vicinity of her extended family in Southern California. Other interests include playing the piano, research, and cooking.
