Stopwatch Marketing John Rosen,AnnaMaria Turano,2008-01-31 How long does it take to buy a loaf of bread? A pair of shoes? A car? These are trick questions. Imagine a hundred potential customers in the same store, each holding a stopwatch. Some of their stopwatches are ticking very fast (grabbing a bottle of wine before a party), some glacially slow (agonizing over the perfect bottle for a first date). Some, in fact, aren't ticking at all. For today's savvy marketers understanding how much time and energy consumers are willing to spend shopping for their product or service is the single most important (yet overlooked) factor in maximizing sales. After years of advising clients who sell everything from all-natural fruit juice to health insurance, John Rosen and AnnaMaria Turano have learned that capturing a consumer's attention at precisely the right time and holding it through the purchase decision requires a strategy that they call Stopwatch Marketing. It is the method of adjusting your marketing strategies to match the shopping styles of your customers. Stopwatch Marketing unveils a systematic way to capitalize on four different types of shopping styles—Recreational, Painstaking, Impatient, and Reluctant. Rosen and Turano also share the stories of how America's top brands put the concept of Stopwatch Marketing to work for them. You'll learn how: Goodyear turned Assurance with TripleTred tires into a billion-dollar success story built on a shopping cycle that takes less than an hour. Roto-Rooter became the only legitimate brand in its category by controlling the typical Yellow Pages users' 50-second search pattern. Whole Foods reinvented the supermarket shopping experience to slow down their customers' clocks. Microsoft exploits shoppers' reluctance to spend time researching alternatives to their Office software. Lexus begins targeting customers up to a year before they set foot inside a dealer showroom. In a world where consumers are assaulted with thousands of different marketing messages every day, the biggest challenge is to align the content and timing of your messages to the amount of time buyers have for hearing them. Stopwatch Marketing shows how to do just that and increase your bottom line as a result.

My Brother Is a Superhero David Solomons,2017-06-27 The award-winning #1 international bestseller that's perfect for fans of The Last Kids on Earth and Diary of a Wimpy Kid. Luke Parker was just your average comic book fan until his boring, teacher's pet, helps-old-ladies-across-the-street brother Zack got turned into a superhero. Luke can't believe the unfairness of it all—he's the one with the encyclopedic knowledge of everything from Ant-Man to Wolverine! Neither woman survives their brutal attacks, and Henry is left alone, broken. He spirals into a month-long drinking binge, obsessed with the black van he saw and its Q-shaped dent. Despite the authorities' failure to solve this case, Henry will bring the perpetrators to justice. But Henry's justice might not involve the court system. Haunted by the memory of his butchered family, he must become a monster to catch the monsters. Never a perfect man, he is now a rogue hunter hell-bent on revenge. Will he find the men responsible for his heartache, and when he does, will Henry have the enraged fortitude to do what's required?

The Bishop of South Park Rod Mills,2014-10-06 Byron Zorn graduated first in his class at the prestigious Little Country Parish University. A brilliant mind, tireless researcher, and gifted speaker, Zorn aspired to serve God behind the pulpit of a large, hopefully high profile church someday. That was plan A. Then The Lord revealed plan B--assistant bishop of Holy Ground Miracle Gospel Tabernacle, a small black church in the all black South Park District. Though the position was non-salaried, and the flock had a way of making the job full time, Byron Zorn, a white man, accepted. The Bishop of South Park is the story of a young white preacher's journey into an unfamiliar culture of black gospel distinctives and expectations. Byron Zorn understood perfectly the way the whites did church. He had yet to come to terms with the black way of doing it. Bishop, you preach like a white man. I am a white man! Yeah, and ain't nobody holding it against you, neither. But Bishop, you could do better. The Bishop of South Park is a humorous and heart rending love story of sacrifice and courage within the volatile waters of interracial relationships.

Bark to the Future Spencer Quinn,2022-08-09 Spencer Quinn's Bark to the Future continues the adventurous New York Times and USA Today bestselling series that Stephen King calls “without a doubt the most original mystery series currently available.” When Chet the dog, “the most lovable narrator in all of crime fiction” (Boston Globe), and his human partner, PI Bernie Little, are approached by a down-and-out older man with a cardboard sign at an exit ramp, Bernie is shocked to discover the man is a former teammate from his high school baseball team. Chet and Bernie take Rocket out for a good meal, and later, Bernie investigates Rocket's past, trying to figure out what exactly went wrong. Then, Rocket goes suspiciously missing. With his former teammate likely in danger, Bernie goes back to his old high school for answers, where much that he remembers turns out not to be true—and there are powerful and dangerous people not happy with the questions Bernie is asking. Bernie soon learns that he misunderstood much about his high school years – and now, Chet and Bernie are plunged into a dangerous case where the past isn't dead and the future could be fatal. What begins as a simple case of a woman lost in the woods leads to a tangle of revenge, blackmail, assault, kidnapping, and murder. As the hours tick by, Chief of Police Russ Van Alstyne and Reverend Clare Fergusson struggle to make sense of their town's plunge into chaos---and their own chaotic emotions. All Mortal Flesh When Russ's wife is found brutally murdered after she kicked him out of the house the state police believe it's an open-and-shut case of a disaffected husband silencing his wife and putting a stop to the murder investigation he controls. To the townspeople, it's proof that the whispered gossip about the police chief and the priest was true. Russ and Clare must struggle against the reach of the law, the authority of the church, and their own guilty hearts. I Shall Not Want In the searing follow up to All Mortal Flesh, Russ's precarious balance between duty and desire was broken by his wife's tragic death.
