The Hula-Hoopin' Queen Thelma Lynne

Godin,2017-09-15 A spunky African American girl has a hula-hooping competition with her friends in Harlem, and soon everyone in the neighborhood--young and old alike--joins in on the fun.

The Girl Guide Marawa Ibrahim,2018-05-01 For every tween girl wondering about her changing body and changing brain, this funny and highly illustrated guide is the answer. Packed with advice about everything from periods to bras to body hair—PLUS tips on how to deal with crushes, new emotions, and all the chaos in between! Growing up is fun . . . but it's tough, too. There are a lot of unknowns and it can be weird and messy for girls. Worry not! This book covers EVERYTHING girls need to know, and it's all been reviewed and fact-checked by medical consultant Dr. Radha Modgil. Learn how: To make your body your best friend (not your enemy). To get out there and do YOU (even when you don't want to move off the couch). The thoughts and feelings that make you feel alone are shared by every girl on the planet. To feel amazing through exercise, nutrition, and skin care. And so much more! Great for those who loved *The Care and Keeping of You* or *What's Happening to My Body*?

The Tao of Hoop Ann Humphreys,2021-08-05 The Tao of Hoop is a philosophical memoir about how the humble hula-hoop transformed one woman's life...but, seriously, though! Ann Humphreys was not aware that she didn't understand how to feel--something we don't learn about in school--until she very randomly (through crushing on a hot dude) found the hula-hoop at age 35. Having endured a life-altering loss as a teenager, Ann had learned to handle grief and pain through the time-honored Southern traditions of denial and repression. The hula-hoop broke

those old patterns, allowing her to meet a new wave of challenges with a clear mind and an open heart. Part story, part treatise, part inquiry, part self-help guide--The Tao of Hoop is a raw, poetic, and captivating read you will have a hard time putting down.
