I'm Single, Not Dead! Elizabeth Gail Knachel,2016-09-27 You've been told, Don't worry, you will meet him when you least expect it, so often it makes you sick. You've been on every dating site imaginable for the past decade without a relationship to show for it. All your married friends have forgotten you exist, and you're pretty sure your family has given up on you ever finding Mr. Right. Welcome to being single over thirty-five! I'm Single, Not Dead! is a very raw, very real look at being single over thirty-five, addressing the fears, pressures, emotions, and everything in between that comes with being single when most have moved on with their lives. Told from a single woman's perspective, this is the truth about being single exposed!

P.S. I'm Single Lily A. Arasaratnam,2011 This book offers a welcome alternative to anyone who is looking for something different from the generic brand of books on singleness. Based on the personal and professional perspectives of five single persons ranging in age from late 20s to mid 50s, this book discusses the subject of singleness from Biblical, theological, pastoral, and socio-economical perspectives. With astute wit and lived realism, the authors explore the hard questions about being a single person in today's society and offer a refreshing new view on the single experience.

Ohh Yes, I'm Single Durjoy Datta,2013-11-15 How do you know it's love and not just another relationship? Joy never did. Relationships have never been his cup of tea. Even when he and Manika are attracted to each other, Joy gets into another relationship thinking she is 'the one'. And when Joy's girl walks out on him and he falls into a deep depression it is Manika who comes back into his life and nurses him to health. This, when she is already in a relationship. It's time for Joy to act. Will he realize her importance in his life and get Manika back? Or is it already too late? Oh Yes, I'm Single! is a journey of heartbreaks, love, laughter and tears.

I'm Single, So What? Heather E. Burton,2019-05-15 Quite often, women believe everyday contentment or happiness only occurs for married women or women in committed relationships. As a result, these women spend most of their single season concentrating on how to get a man or being in the wrong relationship instead of finding satisfaction in their single and non-committed phase. This book is written as a blueprint to help Christian single woman embrace the truth that happiness is not rooted in marriage or a significant other's validation, rather in finding contentment in being single and building a personal relationship with Jesus Christ.

If I'm So Wonderful, Why Am I Still Single? Susan Page,2013-09-25 "Behold a wonder—a romantic self-help book that is intelligent, upbeat, practical, useful, winning, and even wise."—Kirkus Reviews If you want to find your soul mate, you first have to know yourself. If I'm So Wonderful, Why Am I Still Single? offers intelligent, practical guidance to singles looking to improve their romantic relationships—by getting to know their own past patterns and relationship needs. Readers will find quizzes, case studies, and anecdotes from the author's decades of experience as a counselor to both couples and singles. Each aspect of the book is tailored to help readers figure out what they really want—and learn not to settle for less. Translated into twenty-two languages, If I'm So Wonderful, Why Am I Still Single? has become a modern classic that's helped countless people understand their own romantic motivations and find the partner they're looking for. "Men and women who want permanent partners will benefit from her '10 strategies that will change your love life forever'...[an] engaging guide."—Publishers Weekly

Oh! Is That Why I'm Still Single? LaDonna M. Smith,2015-02-14 If you are such a good catch then why are you single? Why are so many good women single? Why do men act the way that they act? Say what they say? Do what they do? Think the way that they think and avoid a long term relationship or marriage with a good woman? At age 33 Author LaDonna M. Smith asked the same questions not only about HERSELF TO MEN but she had conversations which INCLUDED MEN to find out the answers. Those answers made up this book. This is the perfect must have book for women who think they are an ideal spouse, to gain a new perspective which may cause them to do an introspection; and they may ultimately get closer to possibly getting a relationship and/or marriage. Ladies, this is the most female educational, info-tainment book. Men, this is the most non male bashing book ever made. You won't be disappointed.

Kiss Me, I'm Single Amanda Ford,2007-07-01 Amanda Ford tells it like it is: don't get lost in the pressure to be in a relationship and don't lose yourself in one, either. The bottom line is that the most important relationship is with yourself. True love is an inside job and begins with you. It is a basic fact of life that in order to be truly happy and fulfilled, alone or with another person, you must be satisfied on your own first--P. 4 of cover.

So What If I'm Single: 21 Ways to Maximize Being Single Louis The Preachr,2019-08 If you are single and are reading this book, you are single for a reason. Whether by choice or by force, there is a reason for it. Being single is not a curse upon your life, so don't be so hard on yourself. It is a great blessing. Being single is not just about preparation for your spouse, but preparation for your life. God, life, and the universe want you to take full advantage of your singleness. They want you to experience every great opportunity and blessing this world and life have to offer. You were born for a reason-and a great reason at that. You may have been born to be single at this very moment just to inspire you to live better and conquer more than you would if you were married. However, most individuals forfeit this philosophy because they have been socially scripted and policed to think that a significant other or marriage is the optimal pinnacle in life, only to realize they have missed so many opportunities for success after they entered a relationship. So many people also lay down their dreams, goals, and visions when they say I do. This book illuminates 21 different ways and opportunities presented to you or created by you. You will learn to have a different perspective and shrug with confidence on what it means to be single. So what if I'm single? Congratulations.

I'm Single, Ok? Talia Good,2008-06 Is it really OK to be single? This is the question explored by Talia Good, as she shares her life's journey of pain and joy as a single woman, draws from the experiences of others, and searches the Scriptures and other material for the answers. Many women do not marry. Why is this so? Countless voices tell the single woman that she is odd and has failed in some way. Is there any truth in this? Can the single woman be truly fulfilled and happy? How can she cope with the challenges of loneliness, sexual frustration, aging and financial issues? These are just some of the questions that Ms. Good raises and frankly discusses with the intention of fostering a greater understanding of the issues facing single women today. Talia Good grew up on a sheep farm in the far south of New Zealand, surrounded by mountains, bush and the sea. Her love of nature led her to study Zoology and graduate with a Masters Degree in Natural Resource Management. For several years she worked as an advisory scientist for the New Zealand government in matters of land and nature reserve management. While still at high school however Talia met the Lord Jesus and in the following years felt Him calling her to live in Israel. In 1984 she left her homeland and went to Israel where she has lived ever since. Now she works at the American International School in Israel, as a consultant and coordinator in the Science Department. She lives with her little dog, Tami, in a small suburban house in a city on the shores of the Mediterranean Sea.

I'm Single by Choice Dominique Cobb,2014-05-12 It appears as if single women have agreed to respond with the phrase, "I'm Single by Choice" as politically correct jargon when met with the question, "Why are you single?" There is an understanding that this is, in fact, an answer to the question, but for most it is definitely not a truthful answer. There are many dating lies that women tell themselves including:"I want to focus on living my dreams!" "Guys are superficial." "I only want sex." "There are no good guys out there." These lies are masking the reality of an unfulfilled desire to have a mate. Facing the truth can be tough. Fortunately, this book is tough love and if you hang in there, you will be better equipped to find that special someone and make those long-cherished dreams come true.

TGIMSINGLE | Thank God I'm Single Ashley Necole,2018-11-18 TGIMSINGLE | Thank God I'm Single - an empowerment book and journal organized by Ashley A'jai Necole, sharing her story to lead people to discovering why being single is the most important time we have to grow, and what we should do during this phase of our lives before getting into a relationship!

Don't Bother Me...I'm Single A. e. Santi,2020-08-30 a simplistic look at dating

Help! I'm Really Single Dr. Bobby Brewer,2015-04-29 Are you serious about wanting to be married? If this is your goal, Help! I'm Really Single can immediately begin to guide you toward a much wiser and more purposeful dating strategy. Like a survival guide, this handbook reveals some practical insights for navigating the twenty-first-century singles scene and finding the right person. • Is it okay to date someone who's going through a divorce? • Since sexual compatibility is so important, shouldn't you know if you're compatible or not prior to marriage? • How will I know if they're the right one to marry? • How can I become more attractive? • Are you purposefully or aimlessly dating? • Do you know the dates to avoid? • How can you put an

end to your datelessness? • How can you make the most of matchmaking websites? • How can you improve your odds of getting a date? • How do you move on after the person you wanted to marry breaks up with you? • If you can't be with the one you love, should you settle for the one who is pursuing you? These and other questions are answered in Help! I'm Really Single: A Survival Guide for Today's Christian Single. As someone who has ministered to singles for over fifteen years, Dr. Brewer shares how you can not only save yourself from some unnecessary heartache but also wisely guide you toward marriage through purposeful dating.

The Lord, Help Me ... I'm Single! Frances Leary,2006-02 You'll cheer and you'll cry as you become enchanted with her heart, encounter her faith, and experience her hope. This author's anecdotes, mixed with spiritual dialogue and Scripture, reflect real-life experiences with which most single people can relate, as they pray, 'Lord, Help Me . . . I'm Single.'

TGIMSingle for Now... Ashley Necole,2018-12-08 It means to find joy in this phase of life. While your single you have the opportunity to look back, reflect and create a better life for yourself. This means us not being in a relationship or entertaining a potential relationship, it means finding that happiness within you.Since none of us plan to be single we usually don't take this timeframe for what is, separation a change in routine. Most of us react emotionally to the change and do things to avoid feeling alone physically or emotionally. We do these things to cope because we don't plan for relationships to end, at least most of us don't, if your really in love, but things do happen.I wrote this book because I was unaware of how to find myself once I became single, in a place I really didn't want to be emotionally or physically.TGIMSingle is about my journey in reflecting back over my life and relationships with myself, and the process of learning how to love and value who I was, regardless of the place I found myself in.The aim and goal is to master and learn yourself mentally, physically, emotionally to the point where you can embrace the opportunities that exist in this moment, and what to do to get yourself back on track mentally and emotionally to live in the happiness you deserve to experience.

I'm Single Because I Hate My Friends' Husbands Sarah Amy Jennifer Jones,2022-10-19 “To be fair, there are lots of reasons I’m single, but some of my friends’ husbands certainly make me happy with that choice.” In this series of essays, Sarah Amy Jennifer Jones (not her real name), a self-described hot mess masquerading as a normal human being discusses love, relationships, and the often confusing life of a true, modern-day spinster. Join her for the laughs, misery, and insights that only someone with too much time on their hands can deliver.

I'm Married But I Feel Like I'm Single Pepper Bonay-Martin,2017-10 I'm Married but I Feel Like I'm Single is riveting story describing how a once firmly grounded Christian couple's deep desire to love was simply not enough to fight off the deception and intense loneliness that infiltrated their marriage. This left their relationship vulnerable to an array of pitfalls - including infidelity - which eventually led to its painful and public demise, including a 10-year separation and finally, a painful divorce. Regardless of where you are on the relationship spectrum, this book will offer sound advice to you as you read about the author's emotional journey from bliss to the abyss, which ends with a divine demonstration of God's ability to repair and restore broken hearts and broken lives. You will cry, laugh, feel intense anger and then a burst a restored hope. It is an excellent read, both inspirational and entertaining.

Yes, I'm Single... So What? Andrea D. Daniels,2016-09-07 Being a single Christian in today's world can be an extremely challenging task. People can make you feel uncomfortable in your singleness. How do you maneuver in life as a single person? Is there a polite way to tell people to stop worrying about your biological clock? Yes, there is! Yes, I'm Single...So What? helps you deal with many areas of your single life that can be challenging. Scriptural references are given to help understand what God expects of His single children. Hopefully this book will help you to hold your head up high, stick your chest out, and proudly state Yes I'm Single...So What?!

I'm Single...and You're About to Be, Too Shunterria Howard,2022-03-22 If you don't want to be single again, it's time to start reading! Although she was single at the start of writing her debut book, Shunterria found herself more than one year into her marriage by the time she typed the last word. But that did not deter her from wanting to offer women in marriages and committed long-term relationships the clarity she gained from decades of sitting on the sideline. Through being a confidante to married friends and experiencing her own learning curve from singledom to married, she compiled the greatest challenges and considerations and offers a practical perspective for anyone in need. With the honesty and transparency of a big sister, Shunterria challenges common misconceptions of modern-day marriage and isn't afraid to go between the lines...and uncover matters between the sheets. For women on the verge of giving up and giving in, I'm Single...and You're About To Be, Too is a pathway through pain, a highway to healing, and a refuge to release and receive. Overflowing with meaningful insight and scripture references that lean on the power of God's Word, it is for the woman ready to expose her truth, open her heart, and secure her marriage.
