*What If...* Samantha Berger,2018-04-10 Creativity, the power of imagination, and the importance of self-expression are celebrated in this inspiring picture book written and illustrated by real-life best friends. This girl is determined to express herself! If she can't draw her dreams, she'll sculpt or build, carve or collage. If she can't do that, she'll turn her world into a canvas. And if everything around her is taken away, she'll sing, dance, and dream... Stunning mixed media illustrations, lyrical text, and a breathtaking gatefold conjure powerful magic in this heartfelt affirmation of art, imagination, and the resilience of the human spirit.

*Kid Coach* Rob Justus,2020-02-04 Kid Coach takes couch potatoes and turns them into champions. And no one is a bigger couch potato than Dad. It will take all of Kid Coach's expertise to get Dad off the couch at all let alone in fighting form for the local Wrestle-Rumble-Mania-Kingdom Tournament of Champions. Dad will have to go up against big guys, bald guys, bad guys, and even... big bald bad guys! But soon Kid Coach learns that while training a champion may be tough, teaching Dad to be a good sport might be even tougher. Can Kid Coach get Dad to tap out before he becomes big, bald, bad guy toast?

*First Grade, Here I Come!* D.J. Steinberg,2016-06-28 The funny follow-up to Kindergarten, Here I Come! Now includes a sheet of stickers! First grade—it's the big time! After all, it's a real honest to goodness grade. In verses that are both funny and full of heart, D.J. Steinberg celebrates big and small moments, ones that all young scholars will relate to—baby teeth that won't fall out, choosing the perfect library book, celebrating Pajama Day, and wrangling with the mysteries of spelling. From the first day of school to the last, this engaging anthology is essential reading for all soon-to-be first graders.

**Evaluating Children's Interactive Products** Panos Markopoulos,Janet C Read,Stuart MacFarlane,Johanna Hoysniemi,2008-05-24 Evaluating Children's Interactive Products directly addresses the need to ensure that interactive products designed for children — whether toys, games, educational products, or websites — are safe, effective, and entertaining. It presents an essential background in child development and child psychology, particularly as they relate to technology; captures best practices for observing and surveying children, training evaluators, and capturing the child user experience using audio and visual technology; and examines ethical and legal issues involved in working with children and offers guidelines for effective risk management. Based on the authors' workshops, conference courses, and own design experience and research, this highly practical book reads like a handbook, while being thoroughly grounded in the latest research. Throughout, the authors illustrate techniques and principles with numerous mini case studies and highlight practical information in tips and exercises and conclude with three in-depth case studies. This book is recommended for usability experts, product developers, and researchers in the field. \* Presents an essential background in child development and child psychology, particularly as they relate to technology. \* Captures best practices for observing and surveying children, training evaluators, and capturing the child user experience using audio and visual technology. \* Examines ethical and legal issues involved in working with children and offers guidelines for effective risk management.

*Don't Push the Button!* Bill Cotter,2013-11 There's only one rule in Larry's book: don't push the button. (Seriously, don't even think about it!) Even if it does look kind of nice, you must never push the button. Who knows what would happen? Okay, quick. No one is looking... push the button. Uh, oh.

*The Creative Kid* Kimberly Brassett,2014-04-15 Every person on the face of the earth has the ability to be creative; but to be able to think creatively gives us the ability to craft the moments that give us satisfaction; that give us joy. Creative thinking gives us the power to put those moments together and to CREATE the life of our dreams. The Creative Kid is an interactive book with entertaining activities for children and their parents. It is designed to help parents foster a healthy self-confidence, encourage creative thinking, and build a strong internalized self-esteem within their child. The KIDS ONLY section is full of fun new experiences and exciting activity Sparks for children and parents to enjoy together or independently. This section is designed to generate excitement, independence, expand thinking, encourage limitless imagination, and get the creative process flowing. The PARENT SECTION of the book is a road map to help guide parents through The Creative Kid process. This process is intended to promote a purpose driven parenting practice through encouragement, mindfulness, love, and acceptance. While parents and their children participate together in the process they will begin to see the importance of imagination, being true to self, and celebrating our differences. We as a society have spent way too much time looking at our differences and drawing boundaries. It's time to see different from a new perspective. AND IT'S FUN!!
