*Hockey Is for Me* Jamal Mayers, 2020-02-20

Broken Mary Kevin Matthews, 2016-07-25 In 2008, Kevin Matthews, a well-known ABC and CBS radio personality in Chicago, was diagnosed with multiple sclerosis. As the drive-time radio host for seventeen years and also the voice of his sports commentator, Jim Shorts, and other characters, Matthews entertained ten million listeners weekly, sold out every appearance in the Midwest, and performed in front of 65,000 fans at Grant Park. He traveled around the world, met the famous, had babies named after him, and helped countless charities. He entertained hundreds of thousands of people inside prisons, army bases, and backyards. His promotions included comedy jams, a band, barbecue throw downs, and golf outings. *Broken Mary* is Matthews' story of his early years in radio and stand-up comedy, his successful career, his struggle with MS, his awakening to the dignity of women, and, importantly, his chance encounter with a broken statue of Mary left next to a dumpster and all that happened as a result. Told with Matthews' signature good humor, this confession of the brokenness of mankind is touchingly honest, personally inspiring, and full of hope.

*The Stowaway* James S. Murray, Darren Wearmouth, 2021-09-21 From writer, producer, and actor best known as Murr on the hit television shows *Impractical Jokers* and *The Misery Index*, James S. Murray, and co-writer Darren Wearmouth, comes *The Stowaway*, a suspenseful masterpiece that leaves a cruise ship stranded at sea with a serial killer hiding aboard. Two years ago, Maria Fontana, the head of the Psychology Department at Columbia University, sat on a jury for one of the most depraved cases ever to pass through the hallowed halls of City Hall. Wyatt Butler, an antique watch restorer and alleged serial killer, was portrayed in the courtroom as a brutal monster. But Maria had to make the tough choice. In good conscience, she couldn't convict him based purely on circumstantial evidence, and her deciding vote set Wyatt Butler free. The media soon outed her as the lone juror and her successful and quaint life was turned upside down. The victims of Wyatt's ritualistic killings never forgave her either. Now, she and her family have decided to take a vacation to get away from everything: a two-week-long transatlantic cruise. Nothing, and nobody should be able to bother her there. With her two twins and her fiancé Steve, she is set to put the past behind her as soon as the ship leaves port. But when a passenger mysteriously disappears, Maria is left to wonder if maybe this was no coincidence. When another passenger is discovered brutally murdered in a similar way to Butler's ritualistic MO, the ship goes on lockdown. Maria, one of only twelve people in the world with intimate knowledge of the case, faces a perilous ticking clock. Is it a copycat? Or is she trapped on board with the bloodthirsty maniac she chose to set free?

**Speed Jokes** John Williams, 2021-03-15 After the pandemic lockdown began and our collective anxiety rose, WGN Radio's John Williams started telling Speed Jokes. This book is a compilation of the jokes he shared.

**Middle School Makeover** Michelle Icard, 2016-10-04 *Middle School Makeover* is a guide for parents and educators to help the tweens in their lives navigate the socially fraught hallways, gyms, and cafeterias of middle school. The book helps parents, teachers, and other adults in middle school settings to understand the social dilemmas and other issues that kids today face. Author Michelle Icard covers a large range of topics, beginning with helping us understand what is happening in the brains of tweens and how these neurological development affects decision-making and questions around identity. She also addresses social media, dating, and peer exclusion. Using both recent research and her personal, extensive experience working with middle-school-aged kids and their parents, Icard offers readers concrete and practical advice for guiding children through this chaotic developmental stage while also building their confidence.

*The New Evil* Michael H. Stone, Gary Brucato, 2019 This follow-up volume to Dr. Stone's *The Anatomy of Evil* presents compelling evidence that, since a cultural tipping-point in the 1960s, certain types of violent crime have emerged that in earlier decades never or very rarely occurred. The authors examine the biological and psychiatric factors behind serial killing, serial rape, torture, mass and spree murders, and other severe forms of violence. In addition, they persuasively argue that, in at least some cases, a collapse of moral faculties contributes to the commission of such

heinous crimes, such that evil should be considered not only a valid area of inquiry, but sometimes an imperative one. Returning to his groundbreaking scale for the ranking of degrees of evil, Dr. Stone and Dr. Brucato, a fellow violence and serious psychopathology expert, provide more detail than ever before, using dozens of cases associated with the twenty-two categories along the continuum. They also consider the effects of new technologies, as well as sociological, cultural, and historical factors since the 1960s that may have set the stage for new forms of violence. Further, they explain how personality, psychosis, and other qualities can meaningfully contribute to particular crimes, making for many different motives. Relying on their extensive clinical experience, and examination of writings and artwork by infamous serial killers, these experts offer many insights into the logic that drives horrible criminal behavior, and they discuss the hope that in the future such violence may be prevented.

**The Chicago Outfit** John J. Binder, 2003 Presents a history of the Chicago Outfit, detailing its role in the development of the city's organized crime scene as well as the political and corporate protection it secured in order to become one of the most successful crime families.

**The Brigade: A History, Its Organization and Employment in the US Army**, 2004 This work provides an organizational history of the maneuver brigade and case studies of its employment throughout the various wars. Apart from the text, the appendices at the end of the work provide a ready reference to all brigade organizations used in the Army since 1917 and the history of the brigade colors.

*Laugh Lines* Alan Zweibel, 2020-04-14 With his tender, funny memoir of four decades in the business, one of the first writers for Saturday Night Live traces the history of American comedy. Alan Zweibel started his comedy career selling jokes for seven dollars apiece to the last of the Borscht Belt standups. Then one night, despite bombing on stage, he caught the attention of Lorne Michaels and became one of the first writers at Saturday Night Live, where he penned classic material for Gilda Radner, John Belushi, and all of the original Not Ready For Prime Time Players. From SNL, he went on to have a hand in a series of landmark shows—from It's Garry Shandling's Show to Curb Your Enthusiasm. Throughout the pages of *Laugh Lines* Zweibel weaves together his own stories and interviews with his friends and contemporaries, including Richard Lewis, Eric Idle, Bob Saget, Mike Birbiglia, Sarah Silverman, Judd Apatow, Dave Barry, Carl Reiner, and more. The book also features a charming foreword from his friend of forty-five years Billy Crystal, with whom he co-wrote and co-produced the upcoming film *Here Today* that stars Crystal and Tiffany Haddish. *Laugh Lines* is a warmhearted cultural memoir of American comedy. "In *Laugh Lines*, Zweibel looks back, affectionately and informatively, at a career that began when he was a young deli worker grinding out jokes for old-school borscht belt comedians in his spare time, and that, after his "S.N.L." years, included rewarding collaborations with, among others, Garry Shandling, Billy Crystal, Martin Short, Larry David and Dave Barry. . . . Fascinating." —New York Times "Any comedy fan will thrill to see the contemporary art's invention through the eyes of consummate funny man Alan Zweibel. He takes you behind the velvet rope and makes you weep for all those artists who made us laugh. Screamingly funny—also very moving. A classic." —Mary Karr "Alan Zweibel is legendary among us comedians. He is the man who delivers comedy with an emotional clout that makes him respected and revered." —Steve Martin

**For Your Consideration: Keanu Reeves** Larissa Zageris, Kitty Curran, 2019-10-15 This illustrated collection of humorous essays and fun extras makes the case for one of our most iconic celebrities, from Bill and Ted to John Wick. Critics have long debated Keanu Reeves's career, but one thing is for certain: over the course of thirty years, the seemingly immortal actor has constantly subverted Hollywood stereotypes and expectations of A-listers, without (always) sacrificing commercial success. He's the type to start his own publishing company, quote Hamlet, give away his salary to film crews, and generate memes through the simple act of eating lunch. Along the way, he has transcended the ironic gaze of the internet to become the true object of its affection, prompting a cultural phenomenon known as the Keanussance. Composed of five critical essays and fun extras, For Your Consideration: Keanu Reeves looks at the distinct phases of the legendary actor's career, from Bill and Ted to the John Wick franchise, and examines the ways in which Keanu strives to be excellent and kind in work and life.
