Out of Iran Bahram Darugar,2014-06 In many respects, Bahram Darugar's early life was unremarkable. He studied hard, navigated the minefields of puberty and dating, and attended medical school at the University of Tehran. But those years also brought him face-to-face with bigotry and persecution. He was beaten by a soldier who suspected him of protesting against the government. His father was imprisoned for being a member of the Baha'i Faith. His female family members struggled to lead lives that were free of restriction-or as free as they could make them. When Bahram emigrated to the United States in 1960, the culture shock was overwhelming. With fierce tenacity, he mastered the English language and the customs of his adopted country, but he never lost affection for his homeland. And he never lost hope that those he'd left behind would someday enjoy the freedoms most Americans take for granted. Out of Iran chronicles Bahram's journey through two different worlds. Offering a glimpse into Iran's rich culture and the immigrant experience, his story also pays tribute to the stepchildren of Allah-those women, religious minorities, and other oppressed people who continue to live under a regime that denies their right to self-expression. Bahram Barry Darugar is a retired general and vascular surgeon. He was born in Iran and graduated summa cum laude from Tehran University School of Medicine in 1959. He received a scholarship to further his studies in the United States of America. At Emory University, he completed his studies as a surgeon and became a diplomat of the American College of Surgeons in 1966. After retiring, he completed the MFA program at GCSU. He lives with his wife, Debbie, and two shih tzu dogs named Precious and Bella on Lake Oconee, Georgia. His four children and five grandchildren all live in the USA. Several of his articles and poems have been published in various national journals including Medical Economics, Touchstone, Colere, World Order, Peacock's Feet at GCSU, and The Reach of Song 2013 anthology. He is also the 2004 first place nonfiction award winner at GCSU. He is the first place winner of the 2012 Georgia Poetry society contest and first place winner of the Georgia Writers Museum creative writing contest.

In A Pryor Life Richard Pryor Jr.,Ron Brawer,2019-03-01 When I was born, I weighed two pounds, three ounces. The doctor who examined me

told my mother, Congratulations, Mrs. Pryor, you have a boy! No, wait, it's a girl! No, it is a boy! Mom cried, What did I have? A freak? Yes and No. My freakish life parallels my father's in many ways: a Peoria whorehouse, abuse, alcohol and drug addiction, and frequent bad decisions. But I survived. And that's what my book is about, a real-life story of overcoming obstacles, surviving, and thriving. Richard Pryor Jr.

Reza War and Peace Reza, Reza Deghati, 2008 With the Middle East and Asia as his far-ranging home territory, Reza has chronicled 30 years of turmoil, hope, and splendor for a host of international publications including Newsweek, Time, Geo, and National Geographic magazines. Now, he displays some of his most dramatic works in *Reza War and Peace*—a powerful and moving photo collection that illuminates current events and recent history in places of conflict we see represented in the news every day. These remarkable pictures convey torment and upheaval, but also the art, culture, and traditions of Iraq, Iran, Afghanistan, and other areas—as well as the photographer's understanding of humanity and deep commitment to justice. Reza trains his lens not just on war and conflict, but also on friendship and loyalty, family life and love. The book follows Reza's photographic career and is narrated in his own words, focusing our attention on the costs of war and the human condition. Sebastian Junger contributes an introduction, offering intimate insight into what it's like to work with his longtime friend and collaborator. Despite the challenging subject matter, Reza's message is not despairing, but ultimately hopeful. For readers interested in world history, current events, and the human experience, this photographic tour de force is a must.

The Pink Flamingo Murders Elaine Viets, 2009-12-16 Whacked with a lawn flamingo? A reporter wants to know—who killed with kitsch... The rehabilitation of North Dakota Place is a feel-good story—the kind St. Louis City Gazette columnist Francesca Vierling likes to write. Grand houses restored to former glory. Pride in a neighborhood—and, like all good stories, this one has a hero, the woman who made it all happen, the city's guardian of good taste. Some call her a rehabbing saint, others a fanatic. The first death on North Dakota Place was certainly shocking but not entirely unwelcome—after all, the victim was a cranky old man who had been painting his house purple. The second death, of a drug dealer, brings tacit approval—and growing suspicion. But all bets are off when another victim is found, a socialite unceremoniously whacked with a pink lawn flamingo. Now the neighbors want Francesca to investigate. But her boyfriend wants her to commit to marriage, not crime. Soon the gutsy reporter is experiencing a deepening personal crisis—and something more heinous than vinyl siding: the dark secrets of heart, home, and blighted dreams. From the Paperback edition.

The Rope Kanan Makiya, 2016-03-15 From the best-selling author of *Republic of Fear*, here is a gritty and unflinching novel about Iraqi failure in

the wake of the 2003 American invasion, as seen through the eyes of a Shi'ite militiaman whose participation in the execution of Saddam Hussein changes his life in ways he could never have anticipated. When the nameless narrator stumbles upon a corpse on April 10, 2003, the day of the fall of Saddam Hussein, he finds himself swept up in the tumultuous politics of the American occupation and is taken on a journey that concludes with the discovery of what happened to his father, who disappeared into the Tyrant's gulag in 1991. When he was a child, his questions about his father were ignored by his mother and his uncle, in whose house he was raised. Older now, he is fighting in his uncle's Army of the Awaited One, which is leading an insurrection against the Occupier. He slowly begins to piece together clues about his father's fate, which turns out to be intertwined with that of the mysterious corpse. But not until the last hour before the Tyrant's execution is the narrator given the final piece of the puzzle—from Saddam Hussein himself. *The Rope* is both a powerful examination of the birth of sectarian politics out of a legacy of betrayal, victimhood, secrecy, and loss, and an enduring story about the haste with which identity is cobbled together and then undone. Told with fearless honesty and searing intensity, *The Rope* will haunt its readers long after they finish the final page.
