Justin Heimberg,David Gomberg

Official Gazette of the United States Patent and Trademark Office ,2006

Would You Rather... ? Overstuffed Justin Heimberg,David Gomberg,2008-10 The comic phenomenon known as theWould You Rather...' series finds its ultimate expression in this enormous compilation of deranged dilemmas -- more than 1,500 in nearly 500 pages! -- accompanied by zany illustrations, games, and comedic riffs. Authors Justin Heimberg and David Gomberg draw on everything from movies and music to food and drink in this collection that's perfect for groups, parties, or the lone reader who wants a good laugh.

What's Your Price... ? Justin Heimberg,David Gomberg,2007-09 Everyone has his or her price; this book attempts to determine what that price is. Authors David Gomberg and Justin Heimberg are sure that at least some readers will eat their own cats or dogs, but how much would they have to be paid for the privilege? And going to Starbucks in a thong and pasties would require how much of a payoff: \$1,000? \$10,000? This droll book is an instant conversation-starter that also holds up a mirror to readers' hidden selves.

Extra Extremely Extreme Justin Heimberg,David Gomberg,2009-10 With more than 1200 questions, this new Would You Rather...' collection is antic, audacious, comic, comical, hilarious, humorous, hysterical, riotous, side-splitting, and uproarious and will provide hours of amusing, diverting, jocular, playful, waggish, whimsical, witty, gleeful, merry, and/or mirthful entertainment.

Particles: A Novel Shawn Mihalik,2015-05-05 When you're born, you have no expectations. But if you were capable of having expectations, it would be reasonable to assume you would be held by your mother for more than eleven seconds; that after your cord was cut, you'd be wrapped in a blanket and then placed in the arms of your father; that you would see the woman who gave birth to you again sometime after you left that room. Melissa Lynn Gilpatrick gets none of these things. Instead, she's born into a world full of midwestern religious values, a world of pornstars, a world of particle physicists and Broadway playwrights, a world of terrorism and technology and natural disasters. In PARTICLES, Shawn Mihalik, author of Brand-Changing Day and The Flute Player, pulls us gently from our own reality before thrusting us violently into a deep, uncomfortable, and often hilarious exploration of the loneliness of existence and the connections we make as human beings in the first decades of the 21st Century.

Not Safe for Work: Naughty Word Searches Caitlin Peterson,2017-10-03 Swear-word coloring books have taken the world by storm, but puzzle books are still in the same-old no-fun zone. Not anymore! NOT SAFE FOR WORK puzzle books are the vulgar books you're looking for when you're tired of all the goody-two shoes books on the market. This one features all of the naughty words that are supposed to stay in the bedroom, but are a whole lot more fun when they don't.

The Slackers Guide to U.S. History Don Stewart,John Pfeiffer,2009-09-18 What does Miley Cyrus have in common with Sacagawea? How could Steve Jobs have helped Eisenhower? What does the moon landing have to do with the Hilton sisters? In less time than it takes to recite the preamble to the Constitution, most Americans can spout off all their U.S. history knowledge. (Hint: it starts with "In 1492" and ends with "sailed the ocean blue.") That's because most history books are as interesting as the phone book—and have the same number of pages. The average Joe (the guy who TiVo'd John Adams on HBO but won't make Colonial Williamsburg his next vacation spot) needs a witty and edgy history book—and he has it, with with this guide. Hysterical authors—and self-described slackers—Don Stewart and John Pfeifer give readers the bare minimum on important events such as: The Civil War (the war that pitted brother vs. brother—about the bruthas) The expedition of Lewis and Clark (the ultimate road trip) The Boston Tea Party (not much of a party unless that tea was from Long Island) The assassination of JFK (one vacation that ended particularly badly) Combining current pop culture references and accessible historical information, this satirical book catches readers up on what they slept through in History 101.

The Byzantine Pineapple (Part 1) with Corporation X Bill Poje,2018-10-09 The definition of insanity is doing the same thing over and over and over again, expecting a different result, so why should anyone believe that either the political right or the political left has a plan to solve the socioeconomic, legal, political (SELP) issues facing citizens around the globe when all they do is the same failing things over and over again? That's insane! The byzantine pineapple applies systems analysis and systems design methodology to propose a redesign of governmental SELP systems, including a new macroeconomic flat tax for the rising class of independents to implement. It is time to wake up from the matrix!

Severed Tongue Secrets Jake Bannerman, In his self damaging quest to bend the edges of horror after a 12 years hiatus Jake Bannerman Returns with either his most twisted accomplishment or possibly more frightening a new streamlined vision of horror, a crossbreed of his traditional Theological theme now mixed with the gore of The Pitchfork Diaries and the jaw dropping reality of the darkness of mankind. In an unconventional and unexpected move "Severed Tongue Secrets" ' plays out in ' you pick the ending" extravaganza of all open ended stories with no endings. The point of which the readers vote on which story will be the next full length book,Your mind is open to wander into its own version of the blackened scabs of templates Bannerman draws yor mind into mesmerizing you into realities with endless possibilities of terror unknown, Yours!

Wartime Memoirs of Drunken Debauchery Doctor Brdman,2017-10-12 The online literary magazine www.brdman.com presents Wartime Memoirs of Drunken Debauchery, Dr. Brdman's first collection of memoirs. Brdman's raw confessional writing style, loaded with sarcasm and wit, fluctuates between poetic verse and narrative prose, while alternating tone and form in order to promulgate his constant state of cognitive dissidence. Unapologetically, Matthew Joseph pontificates his lifelong struggles with faith, love, sexual promiscuity, childhood abandonment, gynecomastia, death, and perpetual alcohol abuse, which hindered his development as a leader of Marines and as a man. Developing severe hypogonadism and losing the ability to produce testosterone and sperm coerced Matthew Joseph to reevaluate his life of mass destruction. Not every chapter will make you laugh; not every chapter will make you cry. In the end, Wartime Memoirs of Drunken Debauchery (WMDs) leaves readers in shock and awe.

The Big Book Justin Heimberg,David Gomberg,2010-11 Since the publication of the first Would You Rather...' title in 1997, Justin Heimberg and David Gomberg have gone forth to spawn a franchise that shows no signs of slowing down or growing old. In this hilariously hefty addition to the series, the authors have created more than 1,500 all-new, never-before-published questions that will have regular readers and newcomers alike laughing out loud as they ponder the often outrageous, sometimes sinful, usually unusual, and unfailingly uproarious questions posed.

The New King of the Dark Ones, wants his revenge for Louise killing his father. He calls her “The Slayer.” The five overly gifted children of the Triad Clans and the son of the Cameron Laird, were born knowing they were gifted and how to use their innate powers, unlike some of their parents who had to work at learning and using theirs. They take it upon themselves to do something drastic to increase their parents’ chances of winning over the Dark Ones. Will it be enough? It has to be. No one will allow the mutated Dark Ones to win, even though difficult choices have to be made and followed through on. Where they started out as immortal Dark Elf vampires, the Dark Ones now have to suck out the souls, and whatever magical essences their victims may possess, to sustain their evil lives along with their blood, leaving only the drained husk of their victims. Ilustrado Miguel Syjuco,2010-04-27 Garnering international prizes and acclaim before its publication, Ilustrado has been called brilliantly conceived and stylishly executed . . .It is also ceaselessly entertaining, frequently raunchy, and effervescent with humor (2008 Man Asian Literary Prize panel of judges). It begins with a body. On a clear day in winter, the battered corpse of Crispin Salvador is pulled from the Hudson River—taken from the world is the controversial lion of Philippine literature. Gone, too, is the only manuscript of his final book, a work meant to rescue him from obscurity by exposing the crimes of the Filipino ruling families. Miguel, his student and only remaining friend, sets out for Manila to investigate. To understand the death, Miguel scours the life, piecing together Salvador's story through his poetry, interviews, novels, polemics, and memoirs. The result is a rich and dramatic family saga of four generations, tracing 150 years of Philippine history forged under the Spanish, the Americans, and the Filipinos themselves. Finally, we are surprised to learn that this story belongs to young Miguel as much as to his lost mentor, and we are treated to an unhindered view of a society caught between reckless decay and hopeful progress. Exuberant and wise, wildly funny and deeply moving, Ilustrado explores the hidden truths that haunt every family. It is a daring and inventive debut by a new writer of astonishing talent.
