An Introduction to the Bible J. W. Rogerson,2014-09-12 A casual reader enters a bookshop looking for a Bible. However, not all the Bibles on display have the same contents! Some have more books than others, some are study editions, some use gender-free language. How did this come about? This Introduction works back through the processes by which the Bible was written, transmitted, copied and declared to be authoritative by various churches. The following topics are dealt with: What is the Bible?; How Biblical Writers Wrote; The Making of the Old Testament; The Making of the Apocrypha; The Making of the New Testament; The Canon of the Bible; The Study of the Bible; The Use of the Bible in Social, Moral and Political Questions. This updated edition takes account of developments in scholarship since the book was first published in 1999 by Penguin. The original edition has been translated into Spanish and Portuguese.

**It Is Well with My Soul** Bible Study Journals,2019-07-13 A beautiful journal for keeping record of bible study notes, scriptures, and prayers.

**Your Will Be Done on Earth** Watch Tower Bible And Tract Society,2013-08

*Ishiwi lyakwa lesa* ,2015

**Just See Yourself** Thomas Walker,2016-11-17 A Story Thousands of Years In The Making!For two thousand years, followers of Jehovah God and his son, Jesus Christ have been waiting for The Day! The Bible promises wonderful things that would take place during the Thousand Year Reign of the Messianic King. But so many people never heard that message, or never believed it could be true, when confronted with a cold and wicked world. What future for them?Hugh Alman was a pilot during the Second World War. With no idea of what the future held, he has awoken in a long promised Paradise Earth; where nobody would ever grow old, grow sick, or die. But with Eternal Life comes challenges, and rewards... and most importantly, choices.(While this story is inspired by the beliefs and teachings of the Jehovah's Witnesses, I am not affiliated with the Watchtower Bible and Tract Society.)

**Questions Young People Ask--Answers That Work, Volume 2 (Vol. 1)** Watchtower Bible and Tract Society of New York,2008-12-31

**Jehovah's Witnesses Answered Verse by Verse** David A. Reed,1987-08 No other book answers the Jehovah's Witnesses' misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah's Witnesses to Christ.

**An Interpretation of the English Bible** Benajah Harvey Carroll,1947

*Anthropological Perspectives on the Religious Uses of Mobile Apps* Jacqueline H. Fewkes,2019-10-10 This edited volume deploys digital ethnography in varied contexts to explore the cultural roles of mobile apps that focus on religious practice and communities, as well as those used for religious purposes (whether or not they were originally developed for that purpose). Combining analyses of local contexts with insights and methods from the global subfield of digital anthropology, the contributors here recognize the complex ways that in-app and on-ground worlds interact in a wide range of communities and traditions. While some of the case studies emphasize the cultural significance of use in local contexts and relationships to pre-existing knowledge networks and/or non-digital relationships of power, others explore the globalizing and democratizing influences of mobile apps as communication technologies. From Catholic confession apps to Jewish Kaddish assistance apps and Muslim halal food apps, readers will see how religious-themed mobile apps create complex sites for potential new forms of religious expression, worship, discussion, and practices.

ANOTHER JESUS, a Different Spirit, a Different Gospel Steven H. Propp,2011-12-13 It's the Christmas season—"the most wonderful time of the year" for most people in River City, California. But for Jehovah's Witnesses Lawrence and Brad, it's a time for them to try to explain "the truth" about this holiday season to the people of the community. Their earnest efforts may earn them ridicule, disagreement, or a door slammed rudely in their faces, but they persist—and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall—two Latter-day Saint (Mormon) missionaries—the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel; but their efforts are often rebuffed, as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians, as well as members of the Church of Christ; the Community of Christ (RLDS); Seventh-day Adventists; and "Oneness" Pentecostals—not to mention skeptics, atheists, and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on "Cults"—and specifically targeting the Jehovah's Witnesses and Mormons—a confrontation is ensured, where theological and biblical concepts collide in a public forum. Who, if anyone, really has "the Truth"? Can one still discover

the “true meaning of Christmas” in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season (or any other season) with some interesting and intellectually-stimulating characters, as they explore these and other challenging questions. (Readers of the author’s earlier novel, *A Multicultural Christmas*, will be pleased to see a brief reappearance of two characters from that book.)

*Church Schism & Corruption* ,

Jehovah’s Witnesses George D. Chryssides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door-knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses, and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness – congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women and new methods of meeting and evangelizing in response to the COVID-19 pandemic.
