The perfect blend of riveting characters, chilling details, and gasping twists in this standout thriller will keep you frantically reading until the explosive end." – Lisa Gardner, New York Times bestselling author of *Right Behind You* This is the story of three best friends: one who was murdered, one who went to prison, and one who's been searching for the truth all these years . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's *Jar of Hearts*.

In a Jar Deborah Marcero, 2020-01-21 Here's a marvelous picture book, charmingly written and beautifully illustrated, about the power of memory and the magic of friendship. Llewellyn, a little rabbit, is a collector. He gathers things in jars--ordinary things like buttercups, feathers, and heart-shaped stones. Then he meets another rabbit, Evelyn, and together they begin to collect extraordinary things--like rainbows, the sound of the ocean, and the wind just before snow falls. And, best of all, when they hold the jars and peer inside, they remember all the wonderful things they've seen and done. But one day, Evelyn has sad news: Her family is moving away. How can the two friends continue their magical collection--and their special friendship--from afar?

The Jar of Olives ,1914

The Jar of David Katherine Sanborn, 2009-05 At the time of King Solomon's reign, David and his family traveled from Hebron to Jerusalem to stay with his Auntie and Uncle for a Holiday. David reunited with his friend Ben. While there, he heard stories of his father's childhood. Together, David and Ben decided to plot and solve the old Jar mystery. Ben and I both rolled over onto our stomachs and propped our heads in our hands. Broken jar handle? I asked, How did you know it was a handle? Uncle answered, There were impressions. These impressions were the kind they make on jars made especially for the temple. Katherine Sanborn was born, raised, and lives in Torrance, California, a medium size town just south west of Los Angeles. She took a class in Child Development at a local Junior College. She has two daughters, two sons-in-law, one grandson, one stepdaughter, one step-son-in-law, and two step granddaughters. Her grandson turned 9 last year. His energy, curiosity, and competitive nature inspired her to write this book. She has been teaching a 5th and 6th grade Sunday school class at Crenshaw Baptist Church in Torrance since the fall of 2001. She also has a recently retired husband who, thank goodness, was not at home while she wrote this book.

A Jar of Honey from Mount Hybla Leigh Hunt, 1848

A Jar of Honey from Mount Hybla Leigh Hunt, 1848 A Jar of Honey from Mount Hybla Italian! Why, Italy will be talked about this Christmas at half the tables in England, with the Pope and Mr. Cobden at its head; and we think we see our little Blue Jar the more valued accordingly. Mr. Cobden has returned from Italy, brimful, as such a man ought to be, of its beauties and merits. He himself will talk plentifully about it; and others will talk, because he has talked already. The Duke of Devonshire has been in Italy. Lord John has an Envoy in Italy. Every reigning circle of private and public life has had its representative visitor in that country. Everybody, indeed, may be said to visit it every day in the newspapers, to see how the Pope and Reform are going on; poor Sicily has been in trouble with its "Captain Romeo" (strange link of times past and present); and Mr. Cobden has the magnanimity to express his regret that he had not made himself a master, when he was young, of the language of the beautiful peninsula. Now, one of the great objects of the present writer, for many years past, has been to lure his readers into the love of other languages, particularly of this most beautiful of them all. It is for this reason he has scarcely ever quoted the most trivial expression from any one of them without giving a version of it; knowing well, how many intelligent men there are who would enjoy the original, if they knew it, far better than many an accidental scholar, and who are therefore willing[Pg 7] to have the least glimpse of it afforded them. It has been well said, that "mankind will cease to quarrel with one another, when they understand one another." Mr. Cobden, in his entertaining and instructive speech at the Manchester Athenæum, has told us how he was struck with this conviction during his tour. But he arrived at it before, by the intuition of a happy nature. Why, for his own delight, does he not make himself a master of the language he so admires? He is a reader by the fireside; and one hour's reading, per diem, would render such a man more intimate with it in the course of a year than nine-tenths of its masters in England. But perhaps he is such. At all events, he may have become acquainted with it sufficiently for enjoyment; as much, for instance, as ourselves; more so, if he speaks it; for though we read,

well enough, most of the languages that we translate, we can speak them no better than just to make our way through Italy and France. We mention this, partly that we may not seem to know more than we do, and partly to encourage others to learn. A little hearty love is better in this, as in all other cases, than a heap of indifferent knowledge. We are ashamed to say, that we know less of Greek, in one sense of the word, than we did when young, and are obliged to look out more words in the dictionary; for to a dictionary we are still forced to resort, though we love the language next to Italian, and hold it in higher admiration. But then we know our ignorance better than we did at that time; are more aware of beauties to be enjoyed, and nice meanings to be discovered; and the consequence is, that whenever we undertake to translate a passage from Greek, we take our love on one side of us, and our dictionary on the other, and before we set about it, make a point of sifting every possible meaning and root of meaning, not excepting those in words the most familiar to us, in order that not an atom of the writer's intention may be missed. We do not say, of course, that we always succeed in detecting it; but it is not for want of painstaking.

Jar of Dreams Liz Flaherty, 2013-01-14 For as long as she can remember, Lucy Dolan has been jotting down her hopes on slips of paper and saving them in a pickle jar—her jar of dreams. It was the first thing she saved when the beloved family diner went up in flames, and it's safely buckled in her beat-up minivan when she lands in Taft, Indiana, to start over. She rents a room and goes into business with her landlady, but then Gert's nephew comes charging in to rescue his aunt. Boone Brennan will be damned if he'll let Lucy take advantage of Aunt Gert, who raised him and his sister. Believing that she's just passing through, he's deeply suspicious of her—despite the sparks that fly between them. Just as Boone and Lucy are starting to open up to each other, a series of fires throws Lucy under suspicion. Boone wants to trust her and his feelings, but with the whole town against her, will he stay by her side? Or will Lucy move on and find another place to make her dreams come true? 74,000 words

Out of a Jar Deborah Marcano, 2022-02-08 This highly anticipated follow-up to the critically acclaimed and bestselling picture book *In a Jar* stars one little bunny dealing with some very big feelings. Llewellyn does not like to feel afraid or sad, angry, lonely, or embarrassed. And so he comes up with a brilliant plan: he tucks each of his feelings into jars and hides them away where they won't bother him anymore. But when he gets in trouble in class, Llewellyn finds he needs to put away excitement too. And when joy is quickly followed by disappointment, he decides to get rid of joy as well. After a while, Llewellyn walks around not feeling much of anything at all. And what happens when his emotions refuse to be bottled up any longer? In this richly illustrated and universally relatable picture book, Llewellyn soon discovers that life is more colorful when he sets his emotions free. And only then, by facing and embracing each of his feelings, is he finally able to let them go.

Pandora's Jar Natalie Haynes, 2022-03-29 NEW YORK TIMES BESTSELLER “Funny, sharp explications of what these sometimes not-very-nice women were up to, and how they sometimes made idiots of . . . but read on!”—Margaret Atwood, author of *The Handmaid's Tale* The national bestselling author of *A Thousand Ships* returns with a fascinating, eye-opening take on the remarkable women at the heart of classical stories Greek mythology from Helen of Troy to Pandora and the Amazons to Medea. The tellers of Greek myths—historically men—have routinely sidelined the female characters. When they do take a larger role, women are often portrayed as monstrous, vengeful or just plain evil—like Pandora, the woman of eternal scorn and damnation whose curiosity is tasked with causing all the world's suffering and wickedness when she opened that forbidden box. But, as Natalie Haynes reveals, in ancient Greek myths there was no box. It was a jar . . . which is far more likely to tip over. In *Pandora's Jar*, the broadcaster, writer, stand-up comedian, and passionate classicist turns the tables, putting the women of the Greek myths on an equal footing with the men. With wit, humor, and savvy, Haynes revolutionizes our understanding of epic poems, stories, and plays, resurrecting them from a woman's perspective and tracing the origins of their mythic female characters. She looks at women such as Jocasta, Oedipus' mother-turned-lover-and-wife (turned Freudian sticking point), at once the cleverest person in the story and yet often unnoticed. She considers Helen of Troy, whose marriage to Paris “caused” the Trojan war—a somewhat uneven response to her decision to leave her husband for another man. She demonstrates how the vilified Medea was like an ancient Beyoncé—getting her revenge on the man who hurt and betrayed her, if by extreme measures. And she turns her eye to Medusa, the original monstered woman, whose stare turned men to stone, but who wasn't always a monster, and had her hair turned to snakes as punishment for being raped. *Pandora's Jar* brings nuance and care to the millennia-old myths and legends and asks the question: Why are we so quick to villainize these women in the first place—and so eager to accept the stories we've been told?

A Jar of Tiny Stars Bernice E. Cullinan, 1996 A collection of poems by the winners of the National Council of Teachers of English Award for Poetry for Children, including David McCord, Aileen Fisher, Karla Kuskin, Myra Cohn Livingston, Eve Merriam, John Ciardi, Lilian Moore, Arnold Adoff, Valerie Worth, and Barbara Esbensen.

One Jar of Magic Corey Ann Haydu, 2021-02-09 From the critically acclaimed author of *Eventown* comes a hopeful and empowering tale set in an enchanting world of magic and mysterious family secrets—perfect for fans of Anne Ursu, Rebecca Stead, and Wendy Mass. Magic is like a dream. Delightful. Terrifying. Unreal. Rose Alice Anders is Little Luck. Lucky to be born into the Anders family. Lucky to be just as special and magical as the most revered man in town—her father. The whole town has been waiting for Rose to turn twelve, when she can join them in their annual capturing of magic on New Year's Day and become the person she was born to be. But when that special day finally comes, Rose barely captures one tiny jar of magic. Now Rose's dad won't talk to her anymore and her friendships have gotten all twisted and wrong. So when Rose hears whispers that there are people who aren't meant for magic at all, she begins to wonder if that's who she belongs with. Maybe if she's away from all the magic, away from her dad telling her who she's meant to be, who she has to be, Rose can begin to piece together what's truly real in a world full of magic. * An SLJ Best Book of the Year * A CCBC Choices Pick of the Year *

When It's A Jar Tom Holt, 2013-12-17 Maurice has just killed a dragon with a bread knife. And had his destiny foretold... and had his true love spirited away. That's precisely the sort of stuff that'd bring out the latent heroism in anyone. Unfortunately, Maurice is pretty sure he hasn't got any latent heroism. Meanwhile, a man wakes up in a jar in a different kind of pickle (figuratively speaking). He can't get out, of course, but neither can he remember his name, or what gravity is, or what those things on the ends of his legs are called... and every time he starts working it all out, someone makes him forget again. Forget everything. Only one thing might help him.

The answer to the most baffling question of all... WHEN IS A DOOR NOT A DOOR?
