Edgar Allan Poe

The Heroine and Other Stories D. Jayakanthan, 2017-09-12 D. Jayakanthan's short stories depict the life of common people in Tamil Nadu in the middle of the 20th century and reflect his progressive thinking. Selected and translated by the author's daughter, these stories sensitively explore situations in the lives of both the marginalized and the middle class and comprise some of the best of his writing. Each story in this collection delves into the depths of the human psyche, revealing the hidden strengths ordinary people find within themselves when faced with extraordinary circumstances. Portraying courage, vulnerability and humanity in its many dimensions, the Heroine and Other Stories reminds us of the richness of our regional literatures, presents highlights from the oeuvre of a master storyteller and holds up a mirror to ourselves.

Game Of Cards And Other Stories Jayakanthan, 2023-03-05 The stories in this collection were written during the earlier stages of my writing career, that is, they were written when I started contributing to popular magazines. Through these stories I became widely known to the Tamil reading public. It is a rewarding, though difficult, experience to ruminate over the psychological backgrounds which induced me to pen down a particular thought. Regarding certain stories I can say no more than that I wrote them, that's all.

Kalki Gowri Ramnarayan, 2000-10-14 'Kalki' R. Krishnamurthy, one of the pioneering giants of the Tamil press in the tumultuous times of the nationalist movement, was a versatile and prolific writer, inscribing the urgencies of his time in his fiction. This collection brings together the best of Kalki's short stories, which contain some of his most colourful and enduring characters and themes of Tamil popular fiction of the nineteen thirties and forties. There is in these stories the heady urgency of the freedom struggle, the piquant humour of the parodied Tamil gothic and devastating social satire. In her sensitive translations, Gowri Ramnarayan has succeeded in capturing the nuances of the gently mordant wit that made Kalki's stories the highlight of the magazines they were originally published in, creating for themselves a dedicated following that flourishes undiminished to this day. Coinciding with the centenary of Kalki's birth, this volume is a well-deserved tribute to a writer whose breadth of vision and genius imagined and served a new India.

Love and Loss Gentleman K J, 2021-04-13 These small poems aim to trace the emotional events in so many lives that have come about through the advent of the Coronavirus in 2020/21 Starting from the deep and consuming love that holds lives together, through the emotional traumas of realising sudden, unexpected irretrievable loss of loved ones. Followed by thoughts about how such total and devastating loss and bereavement might be managed in thoughts and deeds. To find calm and move on despite months of family and personal isolation, with loss of income, health and managing the slow, rehabilitation back into 'normal' life and living. Life always moves on. Could not these events, lived through, help us to show another's life in how we continue ours? From our thoughts and actions we shall remember them and ourselves be known.

They Came They Conquered Madhan, 2019-12 Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a

cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

An Order from the Sky and Other Stories Imayam, 2023-02-07 A man offering curses and prayers, gifts and threats to his favourite deity before embarking upon a day of thieving... A woman in a packed bus, desperate to get home before her clothes are soaked with menstrual blood, but also determined to save a seat for a fellow woman... A loyal, ageing party worker, hoping to finally contest an election, but discovering instead the worm in the apple of democracy... Set for the most part in the small towns and villages of present-day Tamil Nadu, these stories describe the aspirations and agonies of the men and women living and working there: what they want is to survive and thrive as human beings. Imayam - winner of the Sahitya Akademi Award, and one of the most significant Tamil writers today - peers into their lives and observes them with rare empathy and attention. Written in spare, modern prose spiced with pungent regional dialect, and brought brilliantly to new life in Vasantha Surya's luminous translation, *An Order from the Sky and Other Stories* redefines the possibilities of Indian fiction.

Andha Akkavai Thedi... Jayakanthan, 2019-02-13 Jayakanthan (24 April 1934 – 8 April 2015), popularly known as JK, was an Indian writer, journalist, orator, film-maker, critic and activist. Born in Cuddalore, he dropped out of school at an early age and went to Madras, where he joined the Communist Party of India. In a career spanning six decades, he authored around 40 novels, 200 short stories, APART from two autobiographies. Outside literature, he made two films. In addition, four of his other novels were adapted into films by others. Jayakanthan's literary honours include Jnanpith and Sahitya Akademi awards. He was also a recipient of Padma Bhushan (2009), India's third-highest civilian honour, the Soviet Land Nehru Award (1978), and the Russian government's Order of Friendship (2011) Jayakanthan wrote his first short story for a Tamil magazine titled Sowbakiyavathi, which got it published in 1953. Following early success, Jayakanthan started writing for mainstream magazines such as Ananda Vikatan, Kumudam and Dinamani Kadir, who published a number of short-stories particularly in the 1960s. In 1964, Jayakanthan entered films by co-producing and directing a venture titled Unnaipol Oruvan, based on his novel. The film focussed on the plight of slum-dwellers. Although a commercial failure, it won the President's Certificate of Merit for the Third Best Feature Film in 1965. The following year he made another film based on his namesake novel Yaarukkaga Azhudhaan which had Nagesh playing the lead role. His novel Sila Nerangalil Sila Manithargal (1970) won him the Sahitya Akademi Award (for Tamil) in 1972. Later this was adapted into a film of the same name by A.Bhimsingh, which won a National Film Award. Promoted by the film's success, Bhimsingh made one more film titled Oru Nadigai Naadagam Paarkiral, based on his namesake novel. In 2008, Ravisubramaniyan made a documentary film on Jayakanthan, the second of its kind, and was produced by Ilaiyaraja.

One Part Woman Perumal Murugan, 2018-10-23 The “intimate and affecting” novel of an Indian couple’s quest for a child that sparked national conversations about caste and female empowerment (Laila Lalami, New York Times Book Review). Set in South India during the British colonial period, *One Part Woman* tells the story of Kali and Ponna, a married couple unable to conceive. The predicament is of major concern for their families—and the crowing amusement of Kali’s male friends. From making offerings at different temples to circumambulating a mountain supposed to cure barren women, Kali and Ponna try everything to solve the problem. But a more radical plan is required. The annual chariot festival, a celebration of the god Maadhorubaagan, who is part male and part female, may provide the answer. On the eighteenth night of the festival, the rules of marriage are relaxed, and consensual sex between unmarried men and women is overlooked, for all

men are considered gods. The festival may be the solution to Kali and Ponna's problem, but it soon threatens to drive the couple apart as much as to bring them together. Wryly amusing and deeply poignant, *One Part Woman* is a powerful exploration of a loving marriage strained by the expectations of others, and an attack on the rigid rules of caste and tradition that continue to constrict opportunity and happiness. Longlisted for the National Book Award

Language, Culture and Power C. T. Indra, R. Rajagopalan, 2017-11-13 This volume examines the relationship between language and power across cultural boundaries. It evaluates the vital role of translation in redefining culture and ethnic identity. During the first phase of colonialism, mid-18th to late-19th century, the English-speaking missionaries and East India Company functionaries in South India were impelled to master Tamil, the local language, in order to transact their business. Tamil also comprised ancient classical literary works, especially ethical and moral literature, which were found especially suited to the preferences of Christian missionaries. This interface between English and Tamil acted as a conduit for cultural transmission among different groups. The essays in this volume explore the symbiotic relation between English and Tamil during the late colonial and postcolonial as also the modernist and the postmodernist periods. The book showcases the modernity of contemporary Tamil culture as reflected in its literary and artistic productions — poetry, fiction, short fiction and drama — and outlines the aesthetics, philosophy and methodology of these translations. This volume and its companion (which looks at the period between 1750 to 1900 CE) cover the late colonial and postcolonial era and will be of interest to students, scholars and researchers of translation studies, literature, linguistics, sociology and social anthropology, South Asian studies, colonial and postcolonial studies, literary and critical theory as well as culture studies.
