Jewelry, Silverware -- Catalogs The Ryrie year book, 1921 Ryrie Bros Henry Birks and Sons, 2018-11-19 Henry Birks (30 November 1840 - 16 April 1928) was a Canadian businessman and founder of Henry Birks and Sons, a chain of high-end Canadian jewellery stores. He was born to English immigrants from Yorkshire, England. His parents moved to Canada in 1832. Son of John Birks, a pharmacist, and Ann Marie, he did his schooling in commercial studies at the High School of Montreal. In 1857, Birks was hired as a clerk at Savage and Lyman in Montreal, reputed to be the finest jeweller and watchmaker in the Province of Canada at that time. Although Birks eventually became a partner in the firm in 1868, the company's later financial difficulties encouraged Birks to leave in 1877. With an investment of C\$3000, Birks opened his own small jewellery shop in 1879 on Saint Jacques Street in the heart of Montreal's financial and commercial district. In 1893, Birks went into partnership with his three sons (William, John and Gerald), and the name of the firm became Henry Birks and Sons.

**The Artists of the World Bio-bibliographical Index by Profession** ,2002 The Bio-bibliographical Index by Profession is a unique index of visual artists from all over the world and throughout all ages. It provides the user with access to the Allgemeines Ku nstlerlexikon (AKL), which, on completion, will contain more than 500,000 biographies on artists and provide an overview of artistic activity. Several hundred artistic professions are included here, from architects to etchers, from sculptors to body-arts. The basis for the biographical entries are over 200 major international encyclopedia of artists with a total of some 500 volumes, whose data, including source

references, are indexed by the Bio-bibliographical Index by Profession in a clearly structured manner, providing the user with an overview and easy access. The data has been supplemented with material from the published volumes of AKL, Thieme-Becker and Vollmer, and with additional details researched by the editorial staff. The index thus represents a biographical reference work in its own right. The index is structured by artistic professional groups (in English), within professional groups by country and within countries, in chronological order. The Bio-bibliographical Index by Profession thus also provides a chronological overview of the history of artists and the development of various art forms in individual countries. Providing up-to-date information, the short entries comprise the artist's name (including name variants and pseudonyms), fields of artistic activity, biographical dates, places of birth and death (if not known: place and date first and/or last mentioned), country classification and at least one bibliographical source reference. For each professional title listed in English, the five-language Glossary of Occupations provides German, French, Italian and Spanish equivalents. User information, the Overview of Professions and their Classification and the Alphabetical List of Countries are also provided in five languages, making this work a genuine treasure trove of information to be used all around the globe.
