Danger Ahead! Justine Fontes,Ron Fontes,Redondo/Mitchell,2001-05-01

Limitless Sky Jeff Cork,2016-11-15 A game of survival, exploration, and discovery, No Man's Sky is one of the fastest-growing phenomena in video game history, attracting and astounding players of all ages. The game's 18 quintillion planets are procedurally generated, meaning you could very well be the first person to ever set eyes on a planet that even the game developers never encountered—a true testament to the game's innovation. The very first unofficial guide, *Limitless Sky: No Man's Sky Unofficial Discovery Guide* will provide not only an introduction to the hottest video game, but it'll also teach you how to get more out of your valuable playtime—exploring vast areas, fighting pirates, upgrading your ship or spacesuit, avoiding Sentinels, and identifying new species and resources. This full-color book shares strategies, examines the creation of the impressive procedurally generated planets, and provides a glimpse at what's to come in this ever-expanding universe.

Danger Ahead! ,1921

The Shattered Mirror Paula Murphy,2021-02-03 *The Shattered Mirror: Irish Literature and Film, 1990-2005* is a response to changing representations of Irish identity. Interrogating the period of the 'Celtic Tiger' in Ireland, which was accompanied by widespread social change, the book draws on Lacanian psychoanalysis to explore issues such as prosperity, Europeanism, Diaspora, multi-culturalism, decline in religious faith and gender norms. Examining three writers and filmmakers in each section on narrative, drama and film, *The Shattered Mirror* argues that, in this fifteen years, Irish identity has changed radically.

Danger Girl/G. I. JOE Andy Hartnell,2013 The two most incredible covert action teams the world has ever known -- so covert, in fact, that neither knows the other exists -- are meeting for the first time ever! Repeat: *Danger Girl* and *G.I. JOE*, together. Spies! Girls! Ninjas! COBRA!

Joe Weller Explores: Haunted Hotel Joe Weller,2017-11-02 For fans of *The Sidemen*, a hilariously spooky choose-your-own-adventure book from YouTube sensation Joe Weller. Join Joe as he explores a haunted hotel, where petrifying paranormal surprises can lurk in every dark corner. You can stick with Joe or you can choose your own path and make your way through the building as you encounter long eerie corridors, experience horrific chills and not to forget, you may witness Joe behaving like an absolute nut-job. Enter at your own peril. And be sure to bring a torch with you as it's going to be one unforgettable adventure.

The Wexford Trilogy Billy Roche,2003 **THE STORIES: A HANDFUL OF STARS**. Set in a local dilapidated snooker hall, **A HANDFUL OF STARS** tells the story of Jimmy Brady, a young Wexford tearaway who refuses to abide by the rules and regulations that are applied in this so-called man's world,

Bound for Danger Franklin W. Dixon,2016-10-11 When new team members are being kidnapped and threatened, Frank and Joe join the basketball team at the request of their principal to uncover the culprits.

Death by Video Game Simon Parkin,2016-06-21 The finest book on video games yet. Simon Parkin thinks like a critic, conjures like a novelist, and writes like an artist at the height of his powers—which, in fact, he is. —Tom Bissell, author of *Extra Lives: Why Video Games Matter* On January 31, 2012, a twenty-three-year-old student was found dead at his keyboard in an internet café while the video game he had been playing for three days straight continued to flash on the screen in front of him. Trying to reconstruct what had happened that night, investigative journalist Simon Parkin would discover that there have been numerous other incidents of death by video game. And so begins a journey that takes Parkin around the world in search of answers: What is it about video games that inspires such tremendous acts of endurance and obsession? Why do we so thoroughly lose our sense of time and reality within this medium? How in the world can people play them . . . to death? In *Death by Video Game*, Parkin examines the medical evidence and talks to the experts to determine what may be happening, and introduces us to the players and game developers at the frontline of virtual extremism: the New York surgeon attempting to break the Donkey Kong world record . . . the Minecraft player three years into an epic journey toward the edge of the game's vast virtual world . . . the German hacker who risked prison to discover the secrets behind *Half-Life 2* . . . Riveting and wildly entertaining, *Death by Video Game* will change the way we think about our virtual playgrounds as it investigates what it is about them that often proves compelling, comforting, and irresistible to the human mind—except for when it's not.

Visual Abuse Jim Blanchard,2016-10-18 Jim Blanchard's work from 1982–2002 intersected with punk rock, grunge, psychedelia, alternative comics, “zine” culture, portraiture, and “girlie” art. The book gathers Blanchard’s art into a cohesive whole; one section assembles the best of Blanchard’s LP covers, posters and flyers from the hardcore punk era through grunge, including iconic Black Flag, Nirvana, and Soundgarden posters. Augmenting the posters are exclusive photographs from the shows, including shots by famed photographer Charles Peterson (Touch Me, I'm Sick).

Houston Rap Tapes Lance Scott Walker,2019-01-29 The neighborhoods of Fifth Ward, Fourth Ward, Third Ward, and the Southside of Houston, Texas, gave birth to Houston rap, a vibrant music scene that has produced globally recognized artists such as Geto Boys, DJ Screw, Pimp C and Bun B of UGK, Fat Pat, Big Moe, Z-Ro, Lil’ Troy, and Paul Wall. Lance Scott Walker and photographer Peter Beste spent a decade documenting Houston’s scene, interviewing and photographing the people—rappers, DJs, producers, promoters, record label owners—and places that give rap music from the Bayou City its distinctive character. Their collaboration produced the books *Houston Rap* and *Houston Rap Tapes*. This second edition of *Houston Rap Tapes* amplifies the city’s hip-hop history through new interviews with Scarface, Slim Thug, Lez Moné, B L A C K I E, Lil’ Keke, and Sire Jukebox of the original Ghetto Boys. Walker groups the interviews into sections that track the different eras and movements in Houston rap, with new photographs and album art that reveal the evolution of the scene from the 1970s to today’s hip-hop generation. The interviews range from the specifics of making music to the passions, regrets, memories, and hopes that give it life. While offering a view from some of Houston’s most marginalized areas, these intimate conversations lay out universal struggles and feelings. As Willie D of Geto Boys writes in the foreword, “Houston Rap Tapes flows more like a bunch of fellows who haven’t seen each other for ages, hanging out on the block reminiscing, rather than a calculated literary guide to Houston’s history.”
