Daniel Joseph Martinez Daniel J. Martinez,2009 Daniel Joseph Martinez (b.1957) is an internationally exhibiting artist who grew up in Los Angeles. For over thirty years, he has divined sociopolitical fault lines in the American psyche and carefully placed conceptual and perceptual explosives into them. This volume, with essays by Michael Brenson, Hakim Bey, David Levi Strauss, Gilbert Vicario, Lauri Firstenberg, Arthur C. Danto, Linda Norden, and Rachel Leah Baum, chronicles selected works from 1978 to 2008, concentrating on the work of the past sixteen years—from his controversial intervention in the 1993 Whitney Biennial to his Divine Violence piece in the 2008 Whitney Biennial, and including his contributions to the San Juan Triennial in 2004, the Cairo Biennale in 2006, and the Moscow Biennial in 2007. A variety of further installations, text works, paintings, photographs, sculptures, animatronics, and videos complete the catalogue. --Book Jacket.

The Joseph Journey R. A. Martinez,2020-06-08 We tend to look for a secret formula for success in the kingdom, but there is only a journey. God advances His purposes through people that He forms by His processes. One of those people was Joseph. He was sent out ahead of the activity of God in his generation so that he could lead others in an hour of transition. He was fashioned for a leadership assignment that he could not yet see. God tested and formed him in pits and prisons so that he could stand in the palace of the king. His journey is a prototype of how God prepares pioneers for seasons of global transition. Right now, we are standing on the shore, watching the tidal waves of great revival, great harvest, and great trouble unlike the earth has ever seen, swell on the horizon. God is interviewing men and women for assignments that will span the next twenty and thirty years to prepare the Church for what is coming. Odds are, you are in that interview process right now! In this book, R.A. Martinez walks through the seven seasons of Joseph's life that God used to form him into a pioneer who could carry the weight of the dream fulfilled. Each season on The Joseph Journey is designed with divine purpose, including lessons and tests, to prepare you to carry out God-sized assignments in the days ahead!

Becoming Mr. Martinez Gerson Martinez, Joe E. Melvin,

Daniel Joseph Martinez ,2014 As interpreted by Michel Foucault, *Das Narrenschiff* (The Ship of Fools), a fifteenth-century satire by Sebastian Brant, imagines a world in which knowledge belongs squarely in the realm of madness, useful only to those who would debate idly and apply nothing to experience. Artist Daniel Joseph Martinez (born 1957) has recognized the relevance of this allegory to present times, and through text paintings, photographs and sculptures, he has traced contemporary Los Angeles onto Foucault's conception of *Narrenschiff*. Inspired by bus rides observing his fellow passengers, Martinez conceived of four narratives that explore a modern kind of knowledge-based perversity. *The Report of My Death Is an Exaggeration*, which documents Martinez's installation of these works at Roberts & Tilton in Culver City, California, also features an essay by art historian, critic and curator Juli Carson.

Martineztown, 1823-1950 Joseph P. Sánchez,Larry D. Miller,2009 For most modern day citizens of Albuquerque, Martineztown has always been a mysterious place. The histories of Albuquerque and large land grants that occupied the valley from Bernalillo to Isleta have long overshadowed the role of Martineztown in the development of the city. For nearly 100 years, from 1850-1950, Martineztown was at its zenith as a desirable place to invest. Historically, little is known about Martineztown, save for a few reports in which brief histories of Martineztown are covered in a few paragraphs. The present study adds new historical perspectives of Martineztown by emphasizing, not its rich cultural history, but land tenure patterns that emerged from 1850 to 1950. In the 1960s, Martineztown suffered through urban renewal and emerged as a checkerboarded area that is largely zoned as both commercial and residential. The history of land tenure in Martineztown follows a predictable pattern from 1850 to 1950. Today, Martineztown is a place where old stigmas have disappeared but have not been forgotten. It is a place that represents diversity, more than any other part of Albuquerque. It is a place with a historical past that must be remembered and celebrated. This book is for those who wish to know about the origins of Martineztown and its historic significance to the history and heritage of Albuquerque.

The Battle for New Orleans Jimmie Joseph Martinez,2006-05-24 Napoleon began to count the people against his quest to obtain the only land-based gaming casino to be located in post- Hurricane Katrina New Orleans. The president of a major Las Vegas casino corporation, his chief rival for the project, and the city's political establishment were obviously against him. Recently, the retired City's mob boss and his mafia daughter princess could be added to the list. Even his only living relative, his saintly grandmother, was turning her back on him. Tomorrow the local blue blood newspaper would write an article about him and the casino project. Not knowing what they would write, he figured he put them on the get Napoleon list. All in all, things seem to be going not as planned. New Orleans has a reputation as a city of loose morals, strip joints, and partying. But it lacks a large, Las Vegas-style casino to support and further mold that reputation. Things are about to change when the citizens of the Big Easy decide to legalize a land-based casino.
