**Biodiversity of the Himalaya: Jammu and Kashmir State** Ghulam Hassan

Dar, Anzar A. Khuroo, 2020-02-26 The Himalaya, a global biodiversity hotspot, sustains about one-fifth of the humankind. Nestled within the north-western mountain ranges of the Himalaya, the Jammu and Kashmir (J&K) State harbours more than half of the biodiversity found in the Indian Himalaya. The wide expanse of State, spread across the subtropical Jammu, through the temperate Kashmir valley, to the cold arid Ladakh, is typical representative of the extensive elevational and topographical diversity encountered in the entire Himalaya. This book, the most comprehensive and updated synthesis ever made available on biodiversity of the J&K State, is a valuable addition to the biodiversity literature with global and regional relevance. The book, arranged into 7 parts, comprises of 42 chapters contributed by 87 researchers, each of whom is an expert in his/her own field of research. The precious baseline data contained in the book would form the foundation for assessing current status of knowledge about the bioresources, identify the knowledge gaps, and help prioritization of conservation strategies to steer the sustainable use of biodiversity in this Himalayan region. Given the breadth of topics covered under the banner of biodiversity in this book, it can surely serve as a model for documentation of biodiversity in other regions of the world. The book will be of immense value to all those who, directly or indirectly, have to deal with biodiversity, including students, teachers, researchers, naturalists, environmentalists, resource managers, planners, government agencies, NGOs and the general public at large.

**Claimed & Seduced** Shelley Munro, 2014-11-19 Feline shapeshifter Prince Jarlath Leandros of the planet Viros is a man who understands duty. As heir, he's had his future as leader of the House of the Cat mapped since childhood. Boring! Jarlath yearns for an indefinable more. Keira Cloud is beautiful and sexy, she's independent and confident, and not only is she an enemy from the House of Cawdor, but her stepchildren accuse her of murder. Not a suitable woman for the prince, but Jarlath aches to claim her. When the House of the Cat comes under attack, Jarlath is thrust into the middle of danger where life or death is the only option. A war is brewing, one that brands Jarlath and Keira enemies, yet their hearts shout otherwise and their animal selves—the leopard and the crow—care nothing for conventional barriers. Right or wrong, passion blooms out of control and with the city under siege soon Jarlath's life is anything but boring. Now all he needs to do is survive...
