The Emphasised Bible Joseph Bryant Rotherham,1902

What Does the Bible Really Teach? ,2005 Biblical theology and doctrines of Jehovah's Witnesses.

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Stories of the Prophets Sayyed Abul Hasan Ali Nadwi,2017-06-03 The prophets were chosen by Allah to guide mankind to the Divine Path. They faced many difficulties and suffered severe hardships in their efforts to call their straying people to obey and worship Allah. This edition of Stories of the Prophets presents the lives of Allah's prophets (peace and blessing be upon them). The stores were written by the renowned Islamic scholars Maulana Sayyed Abul Hasan Ali Nadwi. He is one of the greatest living authorities on Islam and his works are used as textbooks through the Arab and Muslim world. This translation from a major Arabic work provides English speaking Muslims with the benefits of Maulana Sayyed Abul Hasan's scholarship. The stories which have been drawn from the Holy Quran constantly reflect the authors depth of knowledge. They are written in a lively style with subtleties explained and descriptions vividly portrayed to provide the reader with a clear picture of each Prophet's mission. Each story is a delight to read and should provide both adults and children with a fresh insight into the life of the men Allah chose to guide their communities. The story of the last Prophet has not been included in this edition as it deserves a book to itself. To ensure that young people receive all the guidance, knowledge and inspiration that Stories of the Prophets offers, a workbook is included.

The Other Bible Willis Barnstone, 2005-09-20 A new edition of our classic, The Other Bible, including a new index, new cover, and a new introduction from the author to bring The Other Bible up to date. The Other Bible gathers in one comprehensive volume ancient, esoteric holy texts from Judeo-Christian tradition that were excluded from the official canon of the Old and New Testaments, including the Gnostic Gospels, the Dead Sea Scrolls, the Kabbalah, and several more. The Other Bible provides a rare opportunity to discover the poetic and narrative riches of this long-suppressed literature and experience firsthand its visionary discourses on the nature of God, humanity, the spiritual life, the world around us, and infinite worlds beyond this one. This new edition will include a full index and a new introduction from editor Willis Barnstone. o The interest in Gnostic texts begun with The Da Vinci Code has spread to include many of the other suppressed early texts of Judaism and Christianity, and this book contains many of them in one volume.
