Panchang Arijit Roy Chowdhury,2020-08-20 Buying a house? Hosting an annaprasan or a grihapravesha ceremony? Or perhaps you need your child's horoscope for their wedding? The Panchang offers a codified daily guide to auspicious dates and timings throughout the year for important life events, religious festivals and ceremonies, and special occasions. A 'panchang' is the combined analysis of 'panch angas' or five attributes, namely, day of the week, tithi, nakshatra, yoga and karan -- each of these elements and its impact is taken into careful consideration to arrive at an auspicious day. This first-ever English panchang, based on the famed 150-year-old Gupta Press Bengali panjika, also explains, in a simple, easy-to-understand manner, what a panchang is, what its different elements signify, and how you can use it. For all those who wish to know the astrological configurations for any special event, this is an indispensable tool.

For God's Sake Ambi Parmeswaran (Foreword by Amish

Tripathi),2015-04-01 An adman constantly strives to connect market research data to insight on a winning campaign. Ambi Parmeshwaran has developed a fascination for how Indians are getting more religious but also more consumption driven.

Combining his thirty- year experience as an adman with a lifelong passion for religious studies, Ambi seeks to answer questions like:

- Why has the bindi disappeared from advertisements?
- How did Akshaya Trithaya become such a big deal?
- What makes Lord Shiva so cool?
- How did a Chennai-based department store start the New Year's Sale phenomenon?
- Are Muslims more open-minded shoppers?
- Why do people who have no interest in using an MBA degree still get an MBA degree?
- How did the Manusmriti do a disservice to Hindu women?
- What can Harvard Business School learn from the Kumbh Mela?

Ambi has filled this book with personal stories, anecdotes, lessons and excerpts from research and other publications. This book is a treat for anyone interested in how religion has evolved and how clever marketers have ridden the wave by tailoring their products and services.

My Name Is Cinnamon Vikas Prakash Joshi, 2023-03-07 Both a captivating chronicle and an endeavour of remarkable depth and ambition, *My Name Is Cinnamon* provides a richly textured narrative of a boy trying to find his roots and place in the world. On each part of his journey, he encounters new people, new cuisines, and new adventures as he learns a lot about himself and the world around him. While being a light-hearted and heart-warming read, the book also covers some difficult themes that are rarely explored in children's and young adult literature. It is a deeply moving testament to the unceasing desire to know oneself, the unrelenting pull of familial bonds, and the power of hope, sacrifice, and love. With his perceptive observations, vivid descriptions, and an authentic voice, the author, Vikas Prakash Joshi, weaves an immersive plot with fully realised environments and characters that are sure to stay with you for a long time. Above all, *My Name Is Cinnamon* is about finding your own people and accepting who you are.

The Campbell Gardens Ladies' Swimming Class Vrushali

Junnarkar, --Winner of the 2023 Epigram Books Fiction Prize-- A peek into the lives of Indian women learning to swim. An eclectic group of Indian women living in a condominium in Singapore are determined to learn how to swim. To accomplish this, they must challenge cultural taboos, paddle against the tide of ingrained beliefs, tread carefully past family members, and dive deep into their pooled psyche to let go of things held dear. The Campbell Gardens Ladies' Swimming Class goes beneath the surface to fathom what hinders these women from owning the water. It plunges into unexpected situations and encounters unusual role models who help uplift these women and make them believe that nothing is impossible.

Christian Healing Mary Baker Eddy, 1915

Mary Baker Eddy Yvonne Caché Von Fettweis, Robert Townsend Warneck, 2009 This biography of an influential 19th-century woman follows Mary Baker Eddy from obscurity to her enormous fame as an eminent thinker and religious leader. From her Puritan upbringing, throughout her life of compassion for others and devotion to God, you can watch her development as an insightful student of the Bible and her rediscovery and practice of healing in the name of Christ Jesus. It also tells of her work to

support and spread the practice of this Bible-based healing method: writing *Science and Health with Key to the Scriptures*; founding The Church of Christ, Scientist; teaching metaphysical healing; and founding and publishing magazines and *The Christian Science Monitor*--all of which continue today.

Gods in the Bazaar Kajri Jain, 2007-04-06 *Gods in the Bazaar* is a fascinating account of the printed images known in India as “calendar art” or “bazaar art,” the color-saturated, mass-produced pictures often used on calendars and in advertisements, featuring deities and other religious themes as well as nationalist leaders, alluring women, movie stars, chubby babies, and landscapes. Calendar art appears in all manner of contexts in India: in chic elite living rooms, middle-class kitchens, urban slums, village huts; hung on walls, stuck on scooters and computers, propped up on machines, affixed to dashboards, tucked into wallets and lockets. In this beautifully illustrated book, Kajri Jain examines the power that calendar art wields in Indian mass culture, arguing that its meanings derive as much from the production and circulation of the images as from their visual features. Jain draws on interviews with artists, printers, publishers, and consumers as well as analyses of the prints themselves to trace the economies—of art, commerce,

religion, and desire—within which calendar images and ideas about them are formulated. For Jain, an analysis of the bazaar, or vernacular commercial arena, is crucial to understanding not only the calendar art that circulates within the bazaar but also India's postcolonial modernity and the ways that its mass culture has developed in close connection with a religiously inflected nationalism. The bazaar is characterized by the coexistence of seemingly incompatible elements: bourgeois-liberal and neoliberal modernism on the one hand, and vernacular discourses and practices on the other. Jain argues that from the colonial era to the present, capitalist expansion has depended on the maintenance of these multiple coexisting realms: the sacred, the commercial, and the artistic; the official and the vernacular.
