Covid-57 Glen Rocky Meyers,2023-06-19 'COVID-57...Phase One.' July 5th, 2025. Shasta County, California. Masks came off; Covid-19 was thought to have been beaten... Nope, we were all wrong! Masks back on Covid-57... had hatched ☹. There was a lull period of dormancy between the latter stages of 2022 and 2023. Covid came back revitalized with a body blow and powered backup in 2024 again in China. It seemed that Covid was beaten, gone kaput a long stretch in 2023 led people to become contented. Off came the Masks... While life had returned to normalcy, Covid was re-energizing, re-charging, and retreating to gather steam for one of its final assaults. Naïve people didn't assimilate that Covid was alive, a virus that lived, and like all living things, instinctually... survival is what the virus strived to do. Cloaked and stealthily, it Pounced! A more potent, more virulent lethal infectious predatory strain had morphed again... Covid-57 survived and was hell-bent on spreading more havoc and painful deaths. Complacency in regular folks was planned by the powers to be, and, unfortunately, they became complicit in their demise. The world's residents became conditioned, marinated, soaking up all the overwhelmingly negative propaganda that the World Order orchestrated. People were lining up for their vaccinations like docile clones. They believed what they were fed... ate it up, Yep. Swallowed it whole without chewing or thinking. ☹ Covid-19 was metaphorically the infant. Growing into an adult, people had been beaten down since the onset of Covid-19, Alpha, Beta, Delta, and Omicron multiplying Sars-CoV-2. Now Covid-57 cannibalized human meat insatiably, and citizens were under Siege... 'Martial

Law' became a worldwide phenomenon. ☹

Korea: 1951-1953 (Paperback format only) United States.

Department of the Army. Office of Military History,Owen J.

Carroll,Margaret E. Tackley, This volume records briefly, by text and photograph, the Korean conflict from January 1951 to the cessation of hostilities in July 1953. Like its predecessor, Korea 1950, it attempts to provide an accurate outline of events in order to show the U.S. Army veteran of the Korean conflict how the part he played was related to the larger plans and operations of the United Nations forces. For this reason Korea 1951-1953 focuses on the operations of the United States Army but summarizes the achievements of the sister services and of the other United Nations troops in order to make clear the contributions of all to the successful resistance against army aggression.
