Presbyterian Publishing Corporation,2001-01-01 Recognizing the need for bilingual hymnal and service materials within Korean Presbyterian congregations, the 207th General Assembly (1995) of the Presbyterian Church (U.S.A.) mandated the creation of a resource to meet the needs of local congregations and to promote authentic Korean compositions and traditional Korean tunes. Word & Life Series Dal Joon Won,2016-03 A journey through the Bible from a Korean perspective.
Millennialism in the Korean Protestant Church Ŭng-gyu Pak,Ung Kyu Pak,2005 This book explains the origin and development of premillennial eschatology in the evangelical Korean church from 1884 to 1945. It examines the eschatological implications of Korean religious thought, the eschatology of American missionaries, the horrific experience of Japanese occupation (1910-1945), and the enforcement of Shinto shrine worship in light of Korean Christians' tenacious hold on dispensational premillennialism. This book explains the place of premillennialism in the Christian life, and it deals with the cultural underpinnings of Christianity in Korean history by bringing to bear the complex social, political, and religious elements of Korean culture.

Building a Eucharistic Pedagogy for the Presbyterian Church of Korea Hyoung Seop Shin,2013-04-29 Based on the critical conversations between education, liturgy, sociology, and theology, this book suggests an alternative eucharistic pedagogy for the Presbyterian Church of Korea by reforming eucharistic and curricular practices with attention to students' specific local contexts. This process includes the formulation of the definition of the new eucharistic pedagogy, the reconceptualization of concepts regarding the eucharistic pedagogy, and five steps as pedagogical strategies for a new eucharistic pedagogy for the Presbyterian Church of Korea including pedagogical guidelines for teachers and students. This book will open the door for further educational and liturgical discussions of the work of contextualization in churches around the world. Even though this study investigates a contextual pedagogy limited to the PCK, this task needs attention and study in a larger context beyond the PCK. The gospel is the worldwide truth that cannot be limited to a certain culture but becomes incarnated into each local culture. Therefore, this kind of contextual investigation between the gospel and culture will not be optional, but imperative to all churches.

A History of Korean Christianity Sebastian C. H. Kim,Kirsteen Kim,2014-11-24 With a third of South Koreans now identifying themselves as Christian, Christian churches play an increasingly prominent role in the social and political events of the Korean peninsula. Sebastian C. H. Kim and Kirsteen Kim's comprehensive and timely history of different Christian denominations in Korea includes surveys of the Catholic, Orthodox and Protestant traditions as well as new church movements. They examine the Korean Christian diaspora and missionary movements from South Korea and also give cutting-edge insights into North Korea. This book, the first recent one-volume history and analysis of Korean Christianity in English, highlights the challenges faced by the Christian churches in view of Korea's distinctive and multireligious cultural heritage, South Korea's rapid rise in global economic power and the precarious state of North Korea, which threatens global peace. This History will be an important resource for all students of world Christianity, Korean studies and mission studies.

Enlisting Faith Ronit Y. Stahl,2017-11-06 Ronit Stahl traces the ways the U.S. military struggled with, encouraged, and regulated religious pluralism and scrambled to handle the nation’s deep religious, racial, and political complexity. Just as the state relied on religion to sanction combat missions and sanctify war deaths, so too did religious groups seek validation as American faiths.
