**Monster Tamer: Volume 14** Minto Higure,2023-08-01 After arriving safely in the imperial capital, Takahiro meets the exploration team and receives an invitation to join them. However, with Mitarai's objection and the discovery that Okazaki was one of people responsible for Draconia's destruction, Takahiro decides to turn it down. ### **When Supernatural Battles Became Commonplace: Volume 2** Kota

Nozomi, 2022-05-02 Half a year after their powers awakened, the literary club has finally won its first ever supernatural battle! Well...kind of, anyway. It may have been more of a comedy of errors than an actual battle, but Andou isn't about to let that stop him from basking in his (accidental) victory! What very well may stop him, however, are the advances of the very foe he's just defeated. Kudou Mirei, the president of the student council, may have lost the battle, but she's by no means out of the picture! Just days after their first encounter, she pays a second visit to the literary club with an even crazier objective than she had the first time! Misunderstandings and superpowered slice-of-life shenanigans abound in the literary club's second not-so-epic adventure!

Monster Tamer: Volume 6 Minto Higure, 2021-10-08 Takahiro's group finds themselves in a hopeless predicament, facing off against the Skanda Iino Yuna's overwhelming power. But thanks to Mana's sacrificial play, they successfully overcome Iino's strength. However, as a result, a landslide splits the party in two and half the group is washed away by the river raging below the cliff. When Lily manages to find Takahiro and the others who were separated, yet another cheater launches a sudden attack on them. With Takahiro's forces scattered and exhausted from the previous battle, can he

fend off this mad warrior?

No, she's there to consult with them on a more serious matter: the upcoming cultural festival! An unusually large room is up for grabs, and it has fallen to the literary club to find a way to use it. So, what do you do when you have five members, limited talent, and a dedicated block in the festival's schedule to fill? Put on a play, of course!
