Carefree Conceited Soldier Mo FanYu,2020-09-09 He was a loner of the night, a cruel dictator with a good hand. As the saying goes, free and unfettered, no matter how crazy my heart is, free and unrestrained, I have all the authority in the world! Who said that medical skills can only save people? Preposterous! He was such an arrogant and conceited weapons specialist. Even up to the moment when he felt so much tenderness, he was still as arrogant as before! Hey, what are you looking at? If you keep looking, your bonus will be deducted. Boss, don't...

When Supernatural Battles Became Commonplace: Volume 10 Kota Nozomi,2024-04-05 Nothing lasts forever—especially not in high school. Seasons change, events come and go, and torches are passed as time marches ever onward. For all their godlike powers, not even the literary club is exempt from the transience of the academic year...and so the time has come for their beloved president, third-year student Takanashi Sayumi, to step down from her position and name a successor to carry on her legacy...but not before she and her clubmates squeeze in another swimsuit episode first! There's always room in the schedule for zany shenanigans, and this time around, the gang will be joined by the newly retired ex-president of the student council, Kudou Mirei, in a cameo appearance!

Monster Tamer: Volume 16 Minto Higure,2024-03-13 Majima Takahiro and his friends survive the ordeal inside the labyrinth and learn the truth about the world. Their very existence threatens to trigger another Grand Calamity, a world-ending event. Fortunately, they also possess the knowledge to preempt such a catastrophe. Set to return to Aker to accomplish that goal, they are forced to go back to the capital when they are informed that

the world faces more than one apocalyptic threat.

Monster Tamer: Volume 14 Minto Higure, 2023-08-01 After arriving safely in the imperial capital, Takahiro meets the exploration team and receives an invitation to join them. However, with Mitarai's objection and the discovery that Okazaki was one of people responsible for Draconia's destruction, Takahiro decides to turn it down. He then returns to his room to comfort Mana over her argument with Mitarai, after which the entire group is suddenly whisked away by the power of the Fairy Ring. Takahiro finds himself stranded with Mana, separated from the others in a mysterious and monster-infested labyrinth. Takahiro's servants are scattered throughout the rest of the deadly maze, and finding their way back to his side won't be easy, for more than just monsters lurk in these winding halls...

Monster Tamer: Volume 15 Minto Higure, 2023-09-29 After being teleported to a fabricated world, Takahiro is isolated from his companions. Mikihiko suddenly appears and stabs him, abducting Mana in the process. Takahiro steels his resolve to go rescue her. The stage is set as the Holy Order pits the two best friends against each other in a battle to the death. Meanwhile, things are on the move back in the capital as Kei makes an unexpected discovery, and Mana finds herself faced with the mastermind behind the whole incident, Marshal Harrison Addington, the knight among knights.

Monster Tamer: Volume 4 Minto Higure, 2021-05-28 A giant army of monsters suddenly attacks Fort Tilia. Among all the chaos and death, Takahiro and Lily must decide whether to reveal their secret, and invite suspicions that they were behind the entire attack. But if they don't act, their new friends in the fortress will be in danger! Meanwhile, the cheaters of the exploration team, Juumonji Tatsuya and Watanabe Yoshiki,

prepare a counteroffensive plan to repel the invaders alongside the army. However, at the final hour, the unimaginable happens. None can peel their eyes from this development!

When Supernatural Battles Became Commonplace: Volume 2 Kota

Nozomi, 2022-05-02 Half a year after their powers awakened, the literary club has finally won its first ever supernatural battle! Well...kind of, anyway. It may have been more of a comedy of errors than an actual battle, but Andou isn't about to let that stop him from basking in his (accidental) victory! What very well may stop him, however, are the advances of the very foe he's just defeated. Kudou Mirei, the president of the student council, may have lost the battle, but she's by no means out of the picture! Just days after their first encounter, she pays a second visit to the literary club with an even crazier objective than she had the first time! Misunderstandings and superpowered slice-of-life shenanigans abound in the literary club's second not-so-epic adventure!

Monster Tamer: Volume 6 Minto Higure, 2021-10-08 Takahiro's group finds themselves in a hopeless predicament, facing off against the Skanda Iino Yuna's overwhelming power. But thanks to Mana's sacrificial play, they successfully overcome Iino's strength. However, as a result, a landslide splits the party in two and half the group is washed away by the river raging below the cliff. When Lily manages to find Takahiro and the others who were separated, yet another cheater launches a sudden attack on them. With Takahiro's forces scattered and exhausted from the previous battle, can he fend off this mad warrior?

It's no surprise when the president of the student council, Kudou Mirei, stops by to pay them a visit...except she's not there to scold them for their super-powered antics. No, she's there to consult with them on a more serious matter: the upcoming cultural festival! An unusually large room is up for grabs, and it has fallen to the literary club to find a way to use it. So, what do you do when you have five members, limited talent, and a dedicated block in the festival's schedule to fill? Put on a play, of course! And what better production than the most literary play around: Romeo and Juliet! Only one question remains: who will star as the show's tragic heroine? ...Wait, no, don't look at the cover! seeks to act in a manner that is worthy of praise. This makes it all the more surprising that she wound up the president of the literary club, an underachieving organization home to the biggest weirdos in the entire school—or at least one of them. What caused Sayumi to become so earnest and diligent? How did she end up becoming the literary club's president? And most perplexingly of all, why did she ever allow Andou to join the club in the first place? The answers lie within the literary club's past, before its members obtained their godlike supernatural powers...
