Lil Bozzy's War in Boston Lil Boozzy,2017-11-06 This book is a candid account of Lil bozzy's life in Boston. Walking around that evening in 1986 down the combat zone, downtown Boston. Seeing all the pimps and druggies, prostitutes walking in their high heels, porno magazines littering the

gutter. Undercover Cops stopped me on the side of a Chinese food restaurant side door and pulled out there badge, out of no where someone says to me don't talk to them and go home. At that point I was so confused but I kept moving. Walking over the Broadway bridge going back into Southie I knew I was different. I'm 8 years old walking around a extremely dangerous environment. Lil Bozzy takes you step by step through his life growing up on the streets of Boston. From an early age the odds were stacked against him. Lil Bozzy is the epitome of this drug epidemic.

The Queen Bee Lil' Kim,2025-09-23 A fearless, inspiring, and refreshingly candid memoir by the Grammy-award winning rapper, multi-platinum recording artist, and cultural icon Lil' Kim When teenager Kimberly Denise Jones—better known as Lil' Kim—burst on the hip-hop scene in the mid-nineties, no one was prepared for how she would shake-up the entire music industry. As the sole female member of the Notorious B.I.G.'s rap collective, Junior M.A.F.I.A., and an affiliate of Puff Daddy and the Bad Boy family, Lil' Kim always stood out from the pack. But she was determined to make an even greater name for herself and emerged as a solo superstar. In 1996, she dropped her solo debut album, Hard Core, which topped the Billboard charts, went double-platinum, and is now widely considered to be one of the most influential rap albums of

all-time. With her dynamic lyricism, her unflappable no-nonsense attitude, her iconic looks both on and off the red carpet, and her unapologetic sexuality, Lil' Kim quickly established herself as a force to be reckoned with—and was crowned the Original Queen Bee. Twenty-five years later, this Grammy award-winning superstar has released five studio albums, sold millions of records, topped the Billboard charts, performed all over the world, and remains at the top of her game. And yet few people ever knew about the hard work, hustle, and heartbreak that went into securing her place on the throne—until now. In this debut memoir, Lil' Kim reveals everything that really went on behind-the-scenes of her legendary career, much of it for the very first time publicly. From her earliest rap beginnings growing up in Bed-Stuy, Brooklyn, and her teenage years spent with the Notorious B.I.G. to her rise as a solo icon, Lil' Kim not only blazed trails for women in hip-hop, but also inspired the careers of those who followed. However, life at the top hasn't been easy, either. Lil' Kim also talks about the hidden moments of her reign: her complicated high-profile relationships, the misogynistic industry she fought to change through sex positivity, the challenging double standards of self-image and beauty in the spotlight, and the momentous act of loyalty that ultimately landed her in prison. A true page-turner from start to finish, *The Queen Bee* is every bit as fierce, empowering, and badass as the woman at the heart of this story—and firmly cements her legacy as a true feminist icon.

Lil Wayne Jake Brown,Tony Rose,Yvonne Shackelford,2011-05 Brown's in-depth tell-all details the making and building of Cash Money Records, Southern rap, and the biggest rap superstar in the universe who served a prison term at the height of his career and successfully released a hit album and videos while inside.

Tha Wreck'n Crew Low Life,2015-01-09 I'm guilty of everything they say I do Dear ma.... These are things you didn't know: I'm sorry; I let the streets take your baby from you. Ma, I know I do dirt... But it ain't because I am dirty But since I was a little one...I never felt worthy I know I got skills...But I'd rather smoke and chill And I wish I could tell you how I really feel About what I wanted...But turned out to be I went from being your little angel...To acting like a complete stranger I use to come home every night Now when I leave ain't no telling when I am coming back At the age of twelve, I joined a gang And since then my life ain't been the same I been

shot at, so I bought a pistol and shot back I got robbed once, and since then I robbed three I never have, but rode in stolen cars Been in a high speed chase, wrecked it and got away When I was sixteen, I got locked up four times I ain't been seventeen six months and I am already on number two I know this is not the life you planned for me Ma, but life is full of choices...I just chose the wrong one...I guess See to me time is precious, and since I don't know how much longer I got I plan to live my life to the fullest...Before it is too late Yes...I do wonder 24/7 how you feel about me deeply to have ambition And slowly see it slipping away, wanting to help, but not knowing wat to say What I turn out to be Ma, you did your job And I am sorry, I let the streets take your baby from you.....
