**Bye-Bipolar, Life Ain't Over** Syles C. Smythe, 2016-07-21

Why read a book when the book can read to you? This book just doesn't explain in dry, unpronounceable language what having bipolar disease is, it takes you through the various labyrinthine dimensions of it through stories and poems, and back out the other side to peace and even contentment with the challenges the author has faced in her life, fought and won, with the victory of life over an inevitable permanent institutionalization, like her biological grandfather, or a premature death from the devastating effects of this illness. The purpose of this book is to bring hope to all who suffer mental illness and feel like there is no way out.

**The Yellow Wallpaper** Charlotte Perkins Gilman, 2023-03-06

Edited with a new introduction by Aimee McLaughlin *The Yellow Wallpaper* by American writer Charlotte Perkins Gilman, first published in January 1892, is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the

19th century. What happens when a woman is pushed too far? Is she able to express her thoughts and feelings, or is she forced towards the expectation of behaving 'normally' again soon? A woman travels with her husband to an old colonial mansion after a nervous breakdown triggered by the birth of their child. Confined to the nursery and allowed only to breathe fresh air, eat well and rest in line with a regimented 'cure', she slowly begins to unravel at the seams. Her only distraction is writing in secret - that, and the woman she begins to see trapped inside the yellow wallpaper of the room itself. Isolated and breaking apart, she sets herself a task: to free the woman, and to become one with her temporary confinement. Charlotte Perkins-Gilman's 'The Yellow Wallpaper' presents a harrowing, disturbing account of mental stress, confinement and female turmoil - within which the only available solace can be found inside four peeling, sickly yellow walls ... Our new edition also features the sequence of poems *Woman* by Charlotte Perkins Gilman. The gothic genre offers Gilman an effective mode of diagnosing contemporary culture whilst in tandem expressing her ensuing fears and anxieties. Gilman within this novella, gothicises the domestic setting, inverting the pillars of domesticity: family, security and understanding, in turn unveiling the dangers lurking behind the familiarity of gender roles within marital relations. The intimate first-person narration of the narrative serves to enhance Gilman's exposure of the oppressive forces of a male-dominated society, as she deplors her protagonist's inferior position in her domestic arrangement. The female narrator is encumbered by masculine superiority, undoubtedly dwelling in the middle of patriarchy. Embedded within her characterisation is the subjugated role bestowed upon Victorian women. Gilman projects derangement onto a familiar literary figure — the middle-class wife and mother — placing the source of this madness in the inviolate sphere for dutiful women — the home. from the new introduction to *The Yellow Wallpaper* by Aimee McLaughlin

*How to Live an Awesome Life* Polly Campbell, 2015-10-19

Awe. It is about wonder. About accessing the amazing to express reverence, admiration. Awe like this can show up in every aspect of our lives – even those we declare as not so great. When we can look at all aspects of our lives with this kind wonder and admiration, awe changes us. We are broken open by it. It forces us to rethink things. To tweak our behaviors and choices. To move toward things that matter. Psychologist Nicholas Humphrey says awe forces us to reconfigure our mental model so we can make sense of what we've seen and experienced. It broadens us, inspires us. Awe then, has the ability to awaken us. It can show us the beauty that already exists and remind us who we are at our spiritual core. It brings us closer to our purpose and passion and helps us create meaning. It helps us to live with the mystery in life, to survive the uncertainty of it all. It allows us to sink into the experience of living. To engage in it. To be touched by it. To participate rather than needing to manipulate, contrive, or control every moment, each experience. When you live in awe of your life you are open to diverse experiences. Some are easy peasy, comfortable and even joyous. Others totally suck. But you are okay because you know that within every experience the possibilities are limitless and experience is multi-dimensional. It is never just one thing. It is always more than bad or good. Polly Campbell designed this book to help you engage with the awesome qualities of your life. Do the exercises if you want – or not. Read this book chapter by chapter or go to the section that will help you most right now. Take what works, discard the rest. You will not be graded on how well you use this book. You won't be judged. Living an Awesome Life isn't about following a strict set of rules. It's about living from your essence and using all that to catapult you into your best life. What that life looks like is up to you. You are the creator of your moments. They are shaped by what you believe, what you notice, how you behave. You get to choose. No matter who you are, what you've done, where you've

been, what you've experienced and borne, the very next moment can be awesome. Seriously. Sounds a little woo-woo, I know, but this is totally doable. When you discover the awe in the now, it transforms the next moment and makes it more possible, a bit easier to bear. A bit more awesome. When you string together a whole batch of little awesome moments, you can create a big, fat awesome life. Starting now. From right here

Faithless in Death J. D. Robb, 2021-02-09 In the new Eve Dallas police thriller from #1 New York Times-bestselling author J. D. Robb, what looked like a lover's quarrel turned fatal has larger—and more terrifying—motives behind it... The scene in the West Village studio appears to be classic crime-of-passion: two wineglasses by the bed, music playing, and a young sculptor named Ariel Byrd with the back of her head bashed in. But when Dallas tracks down the wealthy Upper East Side woman who called 911, the details don't add up. Gwen Huffman is wealthy, elegant, comforted by her handsome fiancé as she sheds tears over the trauma of finding the body—but why did it take an hour to report it? And why is she lying about little things? As Eve and her team look into Gwen, her past, and the people around her, they find that the lies are about more than murder. As with sculpture, they need to chip away at the layers of deception to find the shape within—and soon they're getting the FBI involved in a case that involves a sinister, fanatical group and a stunning criminal conspiracy.

Change Me Into Zeus's Daughter Barbara Robinette Moss, 2002-01-27 A haunting and triumphant story of a difficult and keenly felt life, *Change Me into Zeus's Daughter* is a remarkable literary memoir of resilience, redemption, and growing up in the South. Barbara Robinette Moss was the fourth in a family of eight children raised in the red-clay hills of Alabama. Their wild-eyed, alcoholic father was a charismatic and irrationally proud man who, when sober, captured his children's timid awe, but when (more often) drunk, roused them from bed for severe punishment or bizarre all-night poker games. Their mother was their angel: erudite and stalwart -- her only sin her inability to leave her husband for the sake of the children. Unlike the rest of her family, Barbara bore the scars of this abuse and neglect on the outside as well as the inside. As a result of childhood malnutrition and a complete lack of medical and dental care, the bones in her face grew abnormally (like a thin pine tree), and she ended up with what she calls a twisted, mummy

face. Barbara's memoir brings us deep into not only the world of Southern poverty and alcoholic child abuse but also the consciousness of one who is physically frail and awkward, relating how one girl's debilitating sense of her own physical appearance is ultimately saved by her faith in the transformative powers of artistic beauty: painting and writing. From early on and with little encouragement from the world, Barbara embodied the fiery determination to change her fate and achieve a life defined by beauty. At age seven, she announced to the world that she would become an artist -- and so she did. Nightly, she prayed to become attractive, to be changed into Zeus's daughter, the goddess of beauty, and when her prayers weren't answered, she did it herself, raising the money for years of braces followed by facial surgery. Growing up so ugly, she felt the family's disgrace all the more acutely, but the result has been a keenly developed appreciation for beauty -- physical and artistic -- the evidence of which can be seen in her writing. Despite the deprivation, the lingering image from this memoir is not of self-pity but of the incredible bond between these eight siblings: the raucous, childish fun they had together, the making-do, and the total devotion to their desperate mother, who absorbed most of the father's blows for them and who plied them with art and poetry in place of balanced meals. Gracefully and intelligently woven in layers of flashback, the persistent strength of Barbara Moss's memoir is itself a testament to the nearly lifesaving appreciation for literature that was her mother's greatest gift to her children.

**A Captain's Journey** Neil Tovey, Ernest Landheer, 2019-05-01  
South Africans of all races remember the moment when Neil Tovey raised the Africa Cup of Nations trophy in 1996, with Nelson Mandela at his side wearing his number 9 jersey. It still represents South Africa's greatest success in international football. In his long-awaited autobiography, Tovey tells his fascinating life story, describing his modest upbringing in Durban, his entry to a mainly black sport in a deeply segregated

1980s South Africa, and his time as captain of Kaizer Chiefs and Bafana Bafana. He recalls his introduction to 'muti' rituals by team members and his growing popularity among Chiefs supporters, who nicknamed him Mokoko (boss chicken). Tovey also writes about his experiences as a coach and as technical director of the South African Football Association (SAFA), and shares his insights about the state of the sport today. He talks frankly about his family life and about surviving two heart attacks, and gives insights into leadership and success. This book will appeal to all football fans, but it is also a fascinating story of a man who has lived a truly South African life.
