Bye-Bipolar, Life Ain't Over Syles C. Smythe, 2016-07-21 Why read a book when the book can read to you? This book just doesn't explain in dry, unpronounceable language what having bipolar disease is, it takes you through the various labyrinthine dimensions of it through stories and poems, and back out the other side to peace and even contentment with the challenges the author has faced in her life, fought and won, with the victory of life over an inevitable permanent institutionalization, like her biological grandfather, or a premature death from the devastating effects of this illness. The purpose of this book is to bring hope to all who suffer mental illness and feel like there is no way out.

The Yellow Wall-Paper Charlotte Perkins Gilman, 2024-03-21 She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone – forbidden to leave her room. Instead of improving, she starts hallucinating, imagining herself crawling with other women behind the room's yellow wallpaper.

And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, Gothic horror story, written as a diary, about a woman in an attic – imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. CHARLOTTE PERKINS GILMAN (1860-1935), born in Hartford, Connecticut, was an American feminist theorist, sociologist, novelist, short story writer, poet, and playwright. Her writings are precursors to many later feminist theories. With her radical life attitude, Perkins Gilman has been an inspiration for many generations of feminists in the USA. How to Live an Awesome Life Polly Campbell, 2015-10-19 Awe. It is about wonder. About accessing the amazing to express reverence, admiration. Awe like this can show up in every aspect of our lives – even those we declare as not so great. When we can look at all aspects of our lives with this kind wonder and admiration, awe changes us. We are broken open by it. It forces us to rethink things. To tweak our behaviors and choices. To move toward things that matter. Psychologist Nicholas Humphrey says awe forces us to reconfigure our mental model so we can make sense of what we've seen and experienced. It broadens us, inspires us. Awe then, has the ability to awaken us. It can show us the beauty that already exists and remind us who we are at our spiritual core. It brings us closer to our purpose and passion and helps us create meaning. It helps us to live with the mystery in life, to survive the uncertainty of it all. It allows us to sink into the experience of living. To engage in it. To be touched by it. To participate rather than needing to manipulate, contrive, or control every moment, each experience. When you live in awe of your life you are open to diverse experiences. Some are easy peasy, comfortable and even joyous. Others totally suck. But you are okay because you know that within every experience the

possibilities are limitless and experience is multi-dimensional. It is never just one thing. It is always more than bad or good. Polly Campbell designed this book to help you engage with the awesome qualities of your life. Do the exercises if you want – or not. Read this book chapter by chapter or go to the section that will help you most right now. Take what works, discard the rest. You will not be graded on how well you use this book. You won't be judged. Living an Awesome Life isn't about following a strict set of rules. It's about living from your essence and using all that to catapult you into your best life. What that life looks like is up to you. You are the creator of your moments. They are shaped by what you believe, what you notice, how you behave. You get to choose. No matter who you are, what you've done, where you've been, what you've experienced and borne, the very next moment can be awesome. Seriously. Sounds a little woo-woo, I know, but this is totally doable. When you discover the awe in the now, it transforms the next moment and makes it more possible, a bit easier to bear. A bit more awesome. When you string together a whole batch of little awesome moments, you can create a big, fat awesome life. Starting now. From right here

Robb, what looked like a lover's quarrel turned fatal has larger—and more terrifying—motives behind it... The scene in the West Village studio appears to be classic crime-of-passion: two wineglasses by the bed, music playing, and a young sculptor named Ariel Byrd with the back of her head bashed in. But when Dallas tracks down the wealthy Upper East Side woman who called 911, the details don't add up. Gwen Huffman is wealthy, elegant, comforted by her handsome fiancé as she sheds tears over the trauma of finding the body—but why did it take an hour to report

it? And why is she lying about little things? As Eve and her team look into Gwen, her past, and the people around her, they find that the lies are about more than murder. As with sculpture, they need to chip away at the layers of deception to find the shape within—and soon they're getting the FBI involved in a case that involves a sinister, fanatical group and a stunning criminal conspiracy.

Change Me Into Zeus's Daughter Barbara Robinette Moss, 2002-01-27 A haunting and triumphant story of a difficult and keenly felt life, *Change Me into Zeus's Daughter* is a remarkable literary memoir of resilience, redemption, and growing up in the South. Barbara Robinette Moss was the fourth in a family of eight children raised in the red-clay hills of Alabama. Their wild-eyed, alcoholic father was a charismatic and irrationally proud man who, when sober, captured his children's timid awe, but when (more often) drunk, roused them from bed for severe punishment or bizarre all-night poker games. Their mother was their angel: erudite and stalwart -- her only sin her inability to leave her husband for the sake of the children. Unlike the rest of her family, Barbara bore the scars of this abuse and neglect on the outside as well as the inside. As a result of childhood malnutrition and a complete lack of medical and dental care, the bones in her face grew abnormally (like a thin pine tree), and she ended up with what she calls a twisted, mummy face. Barbara's memoir brings us deep into not only the world of Southern poverty and alcoholic child abuse but also the consciousness of one who is physically frail and awkward, relating how one girl's debilitating sense of her own physical appearance is ultimately saved by her faith in the transformative powers of artistic beauty: painting and writing. From early on and with little encouragement from the world, Barbara embodied the fiery determination to change her fate and achieve a life defined by beauty. At age seven, she announced to the world that she would become an artist -- and so she did. Nightly, she prayed to become attractive, to be changed into Zeus's daughter, the goddess of beauty, and when her prayers weren't answered, she did it herself, raising the money for years of braces followed by facial surgery. Growing up so ugly, she felt the family's disgrace all the more acutely, but the result has been a keenly developed appreciation for beauty -- physical and artistic -- the evidence of which can be seen in her writing. Despite the

deprivation, the lingering image from this memoir is not of self-pity but of the incredible bond between these eight siblings: the raucous, childish fun they had together, the making-do, and the total devotion to their desperate mother, who absorbed most of the father's blows for them and who plied them with art and poetry in place of balanced meals. Gracefully and intelligently woven in layers of flashback, the persistent strength of Barbara Moss's memoir is itself a testament to the nearly lifesaving appreciation for literature that was her mother's greatest gift to her children.

A Captain's Journey Neil Tovey, Ernest Landheer, 2019-05-01 South Africans of all races remember the moment when Neil Tovey raised the Africa Cup of Nations trophy in 1996, with Nelson Mandela at his side wearing his number 9 jersey. It still represents South Africa's greatest success in international football. In his long-awaited autobiography, Tovey tells his fascinating life story, describing his modest upbringing in Durban, his entry to a mainly

black sport in a deeply segregated 1980s South Africa, and his time as captain of Kaizer Chiefs and Bafana Bafana. He recalls his introduction to 'muti' rituals by team members and his growing popularity among Chiefs supporters, who nicknamed him Mokoko (boss chicken). Tovey also writes about his experiences as a coach and as technical director of the South African Football Association (SAFA), and shares his insights about the state of the sport today. He talks frankly about his family life and about surviving two heart attacks, and gives insights into leadership and success. This book will appeal to all football fans, but it is also a fascinating story of a man who has lived a truly South African life.
