The Encyclopaedia Britannica Hugh Chisholm, 1911

ASEAN Biodiversity, 2006-10

Factfulness Hans Rosling, Anna Rosling Rönnlund, Ola Rosling, 2018-04-03

INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates

Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases. - Former U.S. President Barack Obama

Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in

poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In *Factfulness*, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, *Factfulness* is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be.” Hans Rosling, February 2017.

Los Angeles Magazine, 2000-04 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Surfer, 1988

Dangerous Mediations Áine Mangaoang, 2019-08-22 In 2007, an unlikely troupe of 1500 Filipino prisoners became Internet celebrities after their YouTube video of Michael Jackson's ground-breaking hit 'Thriller' went viral. Taking this spectacular dance as a point of departure, *Dangerous Mediations* explores the disquieting development of prisoners performing punishment to a global, online audience. Combining analysis of this YouTube video with first-hand experiences from fieldwork in the Philippine prison, Áine Mangaoang investigates a wide range of interlocking contexts surrounding this user-generated text to reveal how places of punishment can be transformed into spaces of spectacular entertainment, leisure, and penal tourism. In the post-YouTube era, *Dangerous Mediations* sounds the call for close readings of music videos produced outside of the corporate culture industries. By connecting historical discussions on postcolonialism, surveillance and prison philosophy with contemporary scholarship on popular music, participatory culture and new media, *Dangerous Mediations* is the first book to ask critical questions about the politics of pop music and audiovisual mediation in early 21st-century detention centres.

The Son of Good Fortune Lysley Tenorio, 2020-07-07 A Recommended Book From: USA Today * The Chicago Tribune * Book Riot * Refinery 29 * InStyle * The Minneapolis Star-Tribune * Publishers Weekly * Baltimore Outloud * Omnivoracious * Lambda Literary * Goodreads * Lit Hub * The Millions FINALIST FOR THE JOYCE CAROL OATES PRIZE WINNER OF THE NEW AMERICAN VOICES AWARD From award-winning author Lysley Tenorio, comes a big hearted debut novel following an undocumented Filipino son as he navigates his relationship with his mother, an uncertain future, and the place he calls home Excel spends his days trying to seem like an unremarkable American teenager. When he's not working at The Pie Who Loved Me (a spy-themed pizza shop) or passing the time with his girlfriend Sab (occasionally in one of their town's seventeen cemeteries), he carefully avoids the spotlight. But Excel knows that his family is far from normal. His mother, Maxima, was once a Filipina B-movie action star who now makes her living scamming men online. The old man they live with is not his grandfather, but Maxima's lifelong martial arts trainer. And years ago, on Excel's tenth birthday, Maxima revealed a secret that he must keep forever. “We are ‘TNT’—tago ng tago,” she told him, “hiding and hiding.” Excel is undocumented—and one accidental slip could uproot his entire life. Casting aside the paranoia and secrecy of his childhood, Excel takes a leap, joining Sab on a journey south to a ramshackle desert town called Hello City. Populated by drifters, old hippies, and washed-up techies—and existing outside the normal constructs of American society—Hello City offers Excel a chance to forge his own path for the first time. But after so many years of trying to be invisible, who does he want to become? And is it possible to put down roots in a country that has always considered you an outsider? Thrumming with energy and at once critical and hopeful, *The Son of Good Fortune* is a luminous story of a mother and son testing the strength of their bond to their country—and to each other.

Pennies-Fun-Heaven! Dr. Juan Trafton Schmeltanzinger, 2009-03-23 So, what would you do if a blow to the head ended your marriage, career, and middle class life, and left you no choice but to retire to a trailer park by the beach next to Mexico, to become a rookie writer on a pittance? *Pennies-Fun-Heaven!* is the answer that turns poverty's grind into a satisfied grin. This book is the collaboration of two parts of mind divided by that blow. Gerald, the retired psychologist, gives the straight savings scoop in the chapters. Dr. Juan (Trafton Schmeltanzinger) appends one of his nonfriction twists, like this, to each: What to do in your trailer park daze. Self-sex and dating. Cruise writing treat trips. Verbal nuggets in the park gutter. Trailer Park Shrink Q & A. Healthy habits you can't find the time for. And zany ways to pinch pennies. *Pennies-Fun-Heaven!* wags the slap-happy tale of the priceless life of a Trailer Park Shrink that you can apply to your present life anywhere.

How to Hide an Empire Daniel Immerwahr, 2019-02-19 Named one of the ten best books of the year by the Chicago Tribune A Publishers Weekly best book of 2019 | A 2019 NPR Staff Pick A pathbreaking history of the United States' overseas possessions and the true meaning of its empire We are familiar with maps that outline all fifty states. And we are also familiar with the idea that the United States is an “empire,” exercising power around the world. But what about the actual territories—the islands, atolls, and archipelagos—this country has governed and inhabited? In *How to Hide an Empire*, Daniel Immerwahr tells the fascinating story of the United States outside the United States. In crackling, fast-paced prose, he reveals forgotten episodes that cast American history in a new light. We travel to the Guano Islands, where prospectors collected one of the nineteenth century's most valuable commodities, and the Philippines, site of the most destructive event on U.S. soil. In Puerto Rico, Immerwahr shows how U.S. doctors conducted grisly experiments they would never have conducted on the mainland and charts the emergence of independence fighters who would shoot up the U.S. Congress. In the years after World War II, Immerwahr notes, the United States moved away from colonialism. Instead, it put innovations in electronics, transportation, and culture to use, devising a new sort of influence that did not require the control of colonies. Rich with absorbing vignettes, full of surprises, and driven by an original conception of what empire and globalization mean today, *How to Hide an Empire* is a major and compulsively readable work of history.

Philippine Insects Clare R. Baltazar, Nelia P. Salazar, 1979

The World Book Encyclopedia, 2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Patron Saints of Nothing Randy Ribay, 2020-04-21 A NATIONAL BOOK AWARD FINALIST Brilliant, honest, and equal parts heartbreaking and soul-healing. --Laurie Halse Anderson, author of *SHOUT* A singular voice in the world of literature. --Jason Reynolds, author of *Long Way Down* A powerful coming-of-age story about grief, guilt, and the risks a Filipino-American teenager takes to uncover the truth about his cousin's murder. Jay Reguero plans to spend the last semester of his senior year playing video games before heading

to the University of Michigan in the fall. But when he discovers that his Filipino cousin Jun was murdered as part of President Duterte's war on drugs, and no one in the family wants to talk about what happened, Jay travels to the Philippines to find out the real story. Hoping to uncover more about Jun and the events that led to his death, Jay is forced to reckon with the many sides of his cousin before he can face the whole horrible truth -- and the part he played in it. As gripping as it is lyrical, Patron Saints of Nothing is a page-turning portrayal of the struggle to reconcile faith, family, and immigrant identity.
