The Lost Soul Olga Tokarczuk,2021-07-20 A beautifully illustrated meditation on the fullness of life for readers of all ages by by Nobel Prize-winning novelist Olga Tokarczuk. Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is. —New York Times *The Lost Soul*, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world. —The Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. You must find a place of your own, sit there quietly and wait for your soul. Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the Łódź Design Festival Award.

Lost Souls Lena Herzog,2010 A 'Wunderkammer', or 'cabinet of curiosities', was an encyclopaedic collection of controversial, yet-to-be-defined objects, including Cyclopes, Siamese twins and other infants with fatal genetic disorders. Herzog visited these Renaissance collections, photographing the mysteries they contain. Although for years they have been preserved as scientific specimens, they are profoundly transformed through Herzog's lens into a mirror reflecting human fears. Also included are images of skeletons and bones of various creatures and other unusual objects on display.

Soul Whisperer Annette Rugolo, 2018-04-26 In her groundbreaking book, *Soul Whisperer: Releasing Lost Souls*, author Annette Rugolo presents a new perspective into the world of spirits, past lives, and soul retrieval. Through the sharing of her real-life experiences, she offers a glimpse into a world that exists around us, which few are open and willing to see. She presents an introduction to spirits of the deceased that remain in this world, how we encounter them, and how to help free them from being stuck here. Through her stories, Rugolo gives a clear sense of what these encounters are like, what we can learn from them, and how to recognize and deal with them if they happen. She also demonstrates the value of soul retrievals, freeing spirits, understanding karmic history, and other related subjects. Rugolo's purpose and passion in life has been to take others from a place of fear to one of understanding and compassion for the souls trapped among us. In *Soul Whisperer*, she guides you to embrace both yourself and others as a soul who exists beyond the physical construct of our reality.

Lost Souls Poppy Brite, 2010-11-03 Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. “A major new voice in horror fiction . . . an electric style and no shortage of nerve.”—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai, Twig, and the seductive Zillah, whose eyes are as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . “An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair.”—Science Fiction Chronicle

Lost Souls Niles Elliot Goldstein,2002 These days it is no longer just adolescents who feel that the universe is falling apart. In *Lost Souls*, Niles Goldstein writes of the chaos and fear so many of us experience in our public and private lives and makes it clear that we are not--nor have we ever been--alone in our angst. To illustrate the different stages we often encounter when we feel lost--whether the trigger for our disorientation and despair is the loss of a loved one or a job, or the result of an injury or depression--Goldstein interweaves contemporary stories of men and women he has met through his work as a rabbi and a law enforcement chaplain with those of biblical figures such as Cain, David and Bathsheba, Samson, Tamar, and several of the prophets. As in his last book, *God at the Edge*, Goldstein explores the shadow side of the human condition. His accounts are often disturbing, but his insights are always inspiring. What he brings us is a message of particular relevance today, namely, that a journey through the wilderness--be it emotional, existential, or geographical--is a transformative and strengthening process, even though it may not seem so at the time. In chronicling the stories of survivors who have traveled through perilous and at times unexplored territory, Goldstein not only shows us how to face the challenges of being human, he also delivers a promise of meaning, direction, and hope in our lives.

The weird hobby of being a lost soul ... an amazing journey on beautiful pathless paths Adrian Gabriel Dumitru, Experiencing a path that takes us to nowhere ... it's not useless. We should understand and accept that not the destination is important ... cause life has no real destination. ...but what it is really important is maybe the experience itself. Good ... bad ... however it is ... it all has the meaning to reveal to us the dance of energies beyond the scene of reality... making us aware that all is ... energy. Into the end ... maybe there is only one conclusion ... but i hate saying it. Well ... we could chose to connect just on the beautiful vibrations of life ... and totally ignore negativity. But ... we can't. I ... can't ... Maybe ... i'll never be able to do it. So ... life continues revealing new and new experiences... and i still don't really understand the energies the amazing dance of energies. Looking ... like a cocktail of elements ... which induces us the illusion of the abstract. I smile ... and i stop being annoyed. I allow to life to continue ... and i finally accept that in fact ... life would continue anyway ... with or without my approval. And ... all i have to do is just to experience it ... with or without joy ... even if i know that the only purpose is to evolve spiritually. So
