**Laurie J. Edwards**

**Lucky Fish** Aimee Nezhukumatathil, 2014-01-28 Lucky Fish travels along a lush current — a confluence of leaping vocabulary and startling formal variety, with upwelling gratitude at its source: for love, motherhood, “new hope,” and the fluid and rich possibilities of words themselves. With an exuberant appetite for “my morning song, my scurry-step, my dew,” anchored in complicated human situations, this astounding young poet’s third collection of poems is her strongest yet. Nezhukumatathil’s third book is fascinated with the small mechanisms of being, whether natural, personal, or imagined. Everything from eating eels in the Ozark mountains to the history of red dye finds a rich life in her poems. At times her lush settings and small stories are reminiscent of fairy tales, while at others Nezhukumatathil speaks with resonance and fierceness. Even as the poems jump from the Philippines to India to New York, they still take their time, stopping to notice that ‘there is no mystery on water/ greater than the absence of rust,’ and to draw small but wonderful parallels.

*At the Drive-in Volcano* Aimee Nezhukumatathil,2007 From the author of the award-winning book of poems, *Miracle Fruit*, comes the eagerly anticipated second collection, *At the Drive-In Volcano*. In this new and imaginative followup, Aimee Nezhukumatathil examines the full circle journey of desire, loss, and ultimately, an exuberant lovetraveling around a world brimming with wild and delicious offerings such as iced waterfalls, jackfruit, and pistol shrimp. From the tropical landscapes of the Caribbean, India, and the Philippines to the deep winters of western New York and mild autumns of Ohio, the natural world Nezhukumatathil describes is dark but also lovely, so full of enchantment and magic. Here, worms glow in the dark, lizards speak, the most delicious soup in the world turns out to be deadly, and a woman eats soil as if it were candy. Her trademark charm, verve and wit remain elemental and a delight to behold, even in the face of a crumbling relationship. These poems confront delicate subjects of love and loss with an exacting exuberance and elegance not hardly seen in a writer so young.
